Honorable Carl Heastie
Speaker, New York State Assembly
932 Legislative Office Building
Albany, New York 12248

Dear Speaker Heastie,

I am pleased to submit the 2015 Annual Report of the Assembly Committee on Governmental Employees.

My priority as Chairman of the Assembly Governmental Employees Committee has been to support legislation providing benefits that improve the working conditions for our state, county and city workforces while ensuring the benefits are provided for in a matter fiscally responsible to the taxpayers of New York.

In 2015, a number of important bills were chaptered which highlight my priority as chair. For instance, A.5057-A increases the COLA provided to a widow or widower of a police officer or firefighter killed in the line of duty, and A.6962 extends the September 11th Worker Protection Task Force Act until 2020, ensuring the continued assessment and aid of those who worked and volunteered on and after September 11, 2001. Additionally, A.7824-A was chaptered, allowing veterans who miss a civil service examination for active duty training to take a makeup examination. This is just a small sampling of the legislation the Committee has passed this year, highlighting its commitment to the working men and women in our state and the veterans who put their lives on the line.

This annual report will provide greater details on the accomplishments and report on the various other proposals considered by the Committee this year.

I would like to thank the committee members and staff for all their hard work and dedication to our state's public employees. Additionally, I would like to thank the public employee unions and their representatives and the many government officials who helped make this year a successful one. I look forward to continuing to serve as your chair.

I also thank you for your guidance and support which were vital to the accomplishments of the committee during the 2015 Legislative Session.

Sincerely,

A handwritten signature in black ink that reads "Peter J. Abbate, Jr." The signature is written in a cursive style with a large initial 'P' and a distinct 'J'.

Summary

The Assembly Standing Committee on Governmental Employees is responsible for legislation pertaining to civil service law and the public pension systems. Examples of civil service legislation include proposals relating to the rights of governmental employees, such as disciplinary proceedings, transfers and layoffs, the right to organize collective bargaining units, and the ratification of collective bargaining agreements. Proposals amending the public pension systems affect public employees' retirement and disability benefits, qualification for such benefits, and the governing structure of the retirement systems.

During the 2015 Session, 255 legislative proposals were referred to the Committee on Governmental Employees. The Committee reported 70 bills. Of those proposals, 41 passed both Houses. Of those, 28 were chaptered and 10 were vetoed.

NOTEWORTHY COMMITTEE LEGISLATION

Civil Service Protections

During the 2015 Legislative Session, the Assembly passed legislation that would:

- permit public employees to be excused from work for up to 4 hours on an annual basis for the purpose of cancer screenings
A.409-A (Dinowitz) / S.4894-A (Hannon) – Passed Assembly;
- deem a Port Authority officer who has been in a detective position for 18 months or more to be permanently appointed to the detective position
A.4644 (Abbate) / S.3523 (Golden) – Veto 227;
- This chapter extends until June 30, 2017 provisions allowing unions and public employers to seek injunctive relief in the face of improper practices in employment relations thus minimizing delays during dispute resolutions and ensuring public services continue without interruption.
A.7373 (Mayer) / S.4932 (Golden) – Chapter 47;
- provides bump and retreat rights to members of the labor class in the New York State Civil Service.
A.7094 (Abbate) / S.303 (Espaillat) – Passed Assembly;
- amend public employee whistleblower protection by removing the requirement that an employee give notice to their employer before reporting improper governmental action
A.7951 (Abbate) / S.4628 (Lanza) – Chapter 585.

Fair Wages

The Assembly has long fought to achieve true equity in compensation between employees of different genders, races, or nationalities. In conformity with that goal, the Assembly passed the Pay Equity Legislative Package. This very important series of bills included legislation which would:

- require the state to provide equal pay for equivalent work with “bona fide” exceptions (e.g. seniority) allowed and would require the President of the Civil Service Commission to submit a report of segregated titles within the Civil Service
A.437 (Rosenthal) / S.3249 (Montgomery) – Passed Assembly
- implement a requirement of equal pay for equivalent work and would require local civil service administrations to submit a list of segregated titles to the President of the Civil Service Commission
A.1574 (Jaffee) / S.4936 (Avella) – Passed Assembly;

- direct the Department of Civil Service to study and publish a report evaluating wage disparities related to job titles segregated by sex, race, and/or national origin and develop a plan to address any disparities found
A.5008 (Lifton) / S.3786 (Parker) – Passed Assembly.

Veterans

The Assembly has long been a supporter of our veterans and has fought to provide them with the protections and benefits they need to succeed. In 2015, the Assembly passed legislation that would:

- expand current Military Law by allowing a make-up examination for military personnel who miss a Civil Service examination due to a call to active duty for training
A.7824 (Abbate) / S.4852 (Crocì) – Chapter 404.

Uniformed Employee Benefits

Uniformed public employees, such as police officers and firefighters, perform work that is critical to public safety, yet dangerous to their own wellbeing. The Committee recognizes the sacrifices made by these individuals and therefore supports an enhanced benefit structure, including an earlier retirement age than civilian employees, and an increased accidental disability or death benefit for beneficiaries.

During the 2015 Legislative Session, the Committee continued to support the altruistic efforts of uniformed professionals with noteworthy legislation, including legislation that would:

- allow State University Police Officers to transfer to the New York State and Local Police and Fire Retirement System, to participate in a special plan with a twenty-five year half pay retirement benefit, and grant parity for State University police officers with other police officers by allowing them to laterally transfer to other police forces or departments
A.4519 (Abbate) / S.3221 (Robach) – Chapter 561;
- allow court and peace officers in the unified court system to receive accidental disability benefits if injured in the line of duty as the result of a physical assault by an assailant
A.5290 (Abbate) / S.3947 (Golden) – Veto 206;
- allow a Port Authority officer who has been in a detective position for eighteen months or more to be permanently appointed to the detective position
(A.4644 (Abbate) / S.3523 (Golden) – Veto 227).
