Assemblywoman Melissa Miller

Priority: Clean Water

Melissa Miller fought for clean water to keep our families healthy and safe, and she delivered:

- \$5 million for Bay Park Wastewater Treatment Facility
- \$2.5 billion to:
 - Protect our aquifers, tributaries, and source water
 - Remove and replace faulty, dangerous lead pipes
 - Help our local towns and villages upgrade and maintain wastewater infrastructure

"I want to thank Assemblywoman Miller for her continued efforts to secure funds for The Bay Park Water Reclamation Facility. This facility is a vital part of our infrastructure with its outflow of 58 million gallons a day flowing into Reynolds Channel. The continued support from Assemblywoman Miller will help connect the outflow pipe from Bay Park to Cedar Creek's outflow pipe."
