Dear Neighbor,

Throughout the year people stop me on the street to tell me how helpful they find the New York City Parking Calendar.

Most people say having the parking regulations handy saves them time, money and the headache of having their car towed. Obeying parking regulations also helps with street cleaning and reduces traffic congestion.

Here is your 2015 New York City Parking Calendar. It lists the days of the year that certain parking regulations are suspended throughout the five boroughs.

Be sure to read all parking signs carefully. Drive safely, remember to buckle up and please let me know if I can be of help in any other matter.

Sincerely,
