NEW YORK STATE ASSEMBLY

34

34. That's how many Albany politicians have been charged with crimes, indicted, or left office due to violations of the public trust since 2002.

\$1,000,000.00

Over \$1 million. That's the amount taxpayers are paying in pensions to politicians convicted of felonies since 2010!

ENOUGH IS ENOUGH!

ASSEMBLYMAN KARL BRABENEC'S ETHICS REFORM PACKAGE INCLUDES:

- True pension forfeiture for all politicians convicted of felonies.
- The Public Officers Accountability Act (A.4617), dubbed the strongest anti-corruption legislation in the nation, which would:
 - Institute eight-year term limits for legislative leaders and committee chairs, including Speaker of the Assembly;
 - Require the return of campaign funds to donors or charity upon felony convictions;
 - Create a new crime of failure to report corruption;
 - Limit the use of campaign funds to campaign activities and prohibit use of those funds for criminal defense fees; and
 - Replace the Joint Commission on Public Ethics with a truly independent investigative panel.
- Saying 'NO' to any campaign finance plan that will use taxpayer dollars to benefit politicians getting elected – that money should go to educate our children, programs and services for seniors, mandate relief, and/or property tax relief.
- Term limits for all Legislative leadership positions.
