

*“This legislative session, I continued to fight for the issues that matter to Adirondack residents. I worked with my colleagues and accomplished significant reforms.”*

### **Environment:**

- Fought to keep our waters clear of invasive aquatic species
- Promoted waterfront revitalization for the Schroon and Battenkill rivers

### **Education:**

- Helped pass reforms to Common Core implementation, including protecting student privacy
- Fought for and delivered a partial restoration of the 2010 education cuts

### **Hunting and Fishing:**

- Authorized DEC to allow hunters and fishermen to use gift cards to buy their licenses

### **Veterans:**

- Enacted the Service Disabled Veteran-Owned Business Act
- Allowed veterans to add “veteran” to their drivers licenses at no cost
- Improved educational opportunities for the children of military personnel and of veterans
- Created a public retirement service credit for military service rendered during times of peace and in war time

## **The 2014 Legislative Session: Making Progress for the North Country**

### **Public Health:**

- In response to a growing crisis, I helped enact 11 bills to combat the heroin epidemic that has claimed too many young lives
- Helped pass a bill that will improve treatment options for Lyme Disease patients

### **Law and Order:**

- Supported a bill to add a new family court judge for Warren County

### **Taxes:**

- \$3 billion in tax cuts over three years
- Helped make more seniors eligible for Enhanced STAR exemptions on their property taxes

### **Jobs:**

- Secured \$150 million in funding for the Regional Economic Development Councils, money that will help businesses create local jobs
- Provided \$478 million for much-needed repairs to our local roads and bridges
