Stronger Farms: Stronger Economy

Stronger farms create more jobs, boost our economy and bring profits home to local families right here in the Adirondacks. **That's why Assemblyman Dan Stec delivered for farmers in this year's budget:**

- \$31 million for Agriculture Local Assistance Programs, **a \$4.2 million increase;**
- \$15 million for farmland protection, **a \$1 million increase;**
- \$1 million to usher in the new generation of farmers through the Beginning Farmers-NY Fund; and
- **\$500,000 in annual loans** to help our farmers protect against flooding.

Buy Local: Bring home fresh fruits and vegetables for your family while supporting our local small businesses. **To locate a farmers' market near you, use the following link: <http://bit.ly/1Fp1YS5> (case sensitive)**
