**STATE ASSEMBLY**

# Assemblyman Dan Stec Priority: Clean Water

Dan Stec is fighting for clean water to keep our families healthy and safe:

**He's already helped secure funding to test water for lead in our schools**

**Now, Dan Stec is fighting to secure \$2 billion to:**

- ✓ Protect our aquifers, tributaries, and source water
- ✓ Remove and replace faulty and dangerous lead pipes
- ✓ Help our local towns and villages upgrade and maintain wastewater infrastructure

## Dan Stec
