# Voters will have the final say in pension forfeiture of corrupt public officials

*Dear Neighbor,*

*On January 30, 2017, the State Legislature acted on a resolution that will strip state pensions from public officials who are convicted of a felony related to their public office.*

*Many lawmakers, myself included, have fought for this measure, and now voters will have the final say.*

*This amendment will be presented to voters in November.*

*Will Barclay*
