Greetings --

I hope all those who celebrate have a safe and fun Halloween this year. The annual Park Slope Civic Council's Children's Halloween parade is this Tuesday beginning at 6pm at 14th Street and 7th Avenue. You can find more details [here](#).

You can also find about events in your neighborhood sponsored by New York City DOT and community organizations [here](#).

Dyslexia Awareness Month Panel

Last week I participated in a panel discussion hosted by the Windward School about how to meet the educational needs of students with dyslexia. You can watch the panel discussion [here](#).

Coat & Canned Food Drive

My office is partnering with the YMCA to offer support to people in need throughout our community. Please provide coats or canned goods at the Park Slope Armory or the Prospect Park YMCA. With a large number of asylum seekers coming to our city, the need for help is greater than ever. I urge everyone in my district to come together as a community to help New Yorkers new and old who require assistance and aid.

COAT & CANNED GOODS DRIVE

As winter approaches, please assist us in collecting coats and non-perishable items for our drive to assist people in need in our community.

Brown Bin Giveaway & Leaf Bin Building Workshop

As of the beginning of this month, curbside composting is now available across all of Brooklyn every week. If you have not yet gotten your brown bin, you have until early January until you are subject to fines. Alongside the Department of Sanitation, my office is organizing a free Brown Bin giveaway at the Cortelyou Library. To reserve your bin, or for any questions, contact my office.
