“One of the most challenging things parents face is finding affordable childcare services. The state must continue providing tax incentives to our families to ensure they can afford to work and have their young children properly cared for.”

WORKING TO MAKE CHILDCARE MORE AFFORDABLE

Mike Norris knows it is essential that our children are safe and well cared for while we are at work. To make childcare more affordable for families, he has a plan that will help us keep more of our paycheck and save the average family an additional **\$2,300 per year.**

MIKE NORRIS' CHILDCARE AFFORDABILITY PLAN WOULD:

- ✓ Save parents money by increasing the state Earned Income Tax Credit amount from 30% to 45% (A.9258) and increasing the Empire State Child Credit amount to 45% of the federal Child Tax Credit amount (A.9257);
- ✓ Create a new Child Care Facility Capital Improvement Tax Credit to help childcare providers enhance and update facilities (A.9264);
- ✓ Increase provider options by establishing a model for childcare during hours outside of traditional day care such as nights and weekends (A.9126); and
- ✓ Call on the federal government to permanently reinstate the Enhanced Child Tax Credit.
