21 public for the state of New York as in his or her judgment may be deemed  
22 best, whose jurisdiction shall be co-extensive with the boundaries of  
23 the state. The appointment of a notary public shall be for a term of  
24 four years. An application for an appointment as notary public shall be  
25 in form and set forth such matters as the secretary of state shall  
26 prescribe. Every person appointed as notary public must, at the time of  
27 his or her appointment, be [a citizen of the United States and either] a  
28 resident of the state of New York or have an office or place of business  
29 in New York state. A notary public who is a resident of the state and  
30 who moves out of the state but still maintains a place of business or an  
31 office in New York state does not vacate his or her office as a notary  
32 public. A notary public who is a nonresident and who ceases to have an  
33 office or place of business in this state, vacates his or her office as  
34 a notary public. A notary public who is a resident of New York state and  
35 moves out of the state and who does not retain an office or place of  
36 business in this state shall vacate his or her office as a notary  
37 public. A non-resident who accepts the office of notary public in this  
38 state thereby appoints the secretary of state as the person upon whom  
39 process can be served on his or her behalf. Before issuing to any appli-  
40 cant a commission as notary public, unless he or she be an attorney and  
41 counsellor at law duly admitted to practice in this state or a court  
42 clerk of the unified court system who has been appointed to such posi-  
43 tion after taking a civil service promotional examination in the court  
44 clerk series of titles, the secretary of state shall satisfy himself or  
45 herself that the applicant is of good moral character, has the equiv-  
46 alent of a common school education and is familiar with the duties and  
47 responsibilities of a notary public; provided, however, that where a  
48 notary public applies, before the expiration of his or her term, for  
49 reappointment with the county clerk or where a person whose term as  
50 notary public shall have expired applies within six months thereafter  
51 for reappointment as a notary public with the county clerk, such qualifi-  
52 fying requirements may be waived by the secretary of state, and further,  
53 where an application for reappointment is filed with the county clerk  
54 after the expiration of the aforementioned renewal period by a person

1 who failed or was unable to re-apply by reason of his or her induction  
2 or enlistment in the armed forces of the United States, such qualifying  
3 requirements may also be waived by the secretary of state, provided such  
4 application for reappointment is made within a period of one year after  
5 the military discharge of the applicant under conditions other than  
6 dishonorable. In any case, the appointment or reappointment of any  
7 applicant is in the discretion of the secretary of state. The secretary  
8 of state may suspend or remove from office, for misconduct, any notary  
9 public appointed by him or her but no such removal shall be made unless  
10 the person who is sought to be removed shall have been served with a  
11 copy of the charges against him or her and have an opportunity of being  
12 heard. No person shall be appointed as a notary public under this arti-  
13 cle who has been convicted, in this state or any other state or territo-  
14 ry, of a crime, unless the secretary makes a finding in conformance with  
15 all applicable statutory requirements, including those contained in  
16 article twenty-three-A of the correction law, that such convictions do  
17 not constitute a bar to appointment.

18 § 2. Subdivision 1 of section 130 of the executive law, as amended by  
19 chapter 490 of the laws of 2019, is amended to read as follows:

20 1. The secretary of state may appoint and commission as many notaries

24 four years. An application for an appointment as notary public shall be  
25 in form and set forth such matters as the secretary of state shall  
26 prescribe. Every person appointed as notary public must, at the time of  
27 his or her appointment, be [a citizen of the United States and either] a  
28 resident of the state of New York or have an office or place of business  
29 in New York state. A notary public who is a resident of the state and  
30 who moves out of the state but still maintains a place of business or an  
31 office in New York state does not vacate his or her office as a notary  
32 public. A notary public who is a nonresident and who ceases to have an

35 moves out of the state and who does not retain an office or place of  
36 business in this state shall vacate his or her office as a notary  
37 public. A non-resident who accepts the office of notary public in this  
38 state thereby appoints the secretary of state as the person upon whom  
39 process can be served on his or her behalf. Before issuing to any appli-  
40 cant a commission as notary public, unless he or she be an attorney and  
41 counsellor at law duly admitted to practice in this state or a court  
42 clerk of the unified court system who has been appointed to such posi-  
43 tion after taking a civil service promotional examination in the court  
44 clerk series of titles, the secretary of state shall satisfy himself or  
45 herself that the applicant is of good moral character, has the equiv-  
46 alent of a common school education and is familiar with the duties and  
47 responsibilities of a notary public; provided, however, that where a  
48 notary public applies, before the expiration of his or her term, for  
49 reappointment with the county clerk or where a person whose term as  
50 notary public shall have expired applies within six months thereafter  
51 for reappointment as a notary public with the county clerk, such qual-  
52 fying requirements may be waived by the secretary of state, and further,  
53 where an application for reappointment is filed with the county clerk  
54 after the expiration of the aforementioned renewal period by a person  
55 who failed or was unable to re-apply by reason of his or her induction  
56 or enlistment in the armed forces of the United States, such qualifying

1 requirements may also be waived by the secretary of state, provided such  
2 application for reappointment is made within a period of one year after  
3 the military discharge of the applicant under conditions other than  
4 dishonorable, or if the applicant has a qualifying condition, as defined  
5 in section three hundred fifty of this chapter, within a period of one  
6 year after the applicant has received a discharge other than bad conduct  
7 or dishonorable from such service, or if the applicant is a discharged  
8 LGBT veteran, as defined in section three hundred fifty of this chapter,  
9 within a period of one year after the applicant has received a discharge  
10 other than bad conduct or dishonorable from such service. In any case,  
11 the appointment or reappointment of any applicant is in the discretion  
12 of the secretary of state. The secretary of state may suspend or remove  
13 from office, for misconduct, any notary public appointed by him or her  
14 but no such removal shall be made unless the person who is sought to be  
15 removed shall have been served with a copy of the charges against him or  
16 her and have an opportunity of being heard. No person shall be  
17 appointed as a notary public under this article who has been convicted,  
18 in this state or any other state or territory, of a crime, unless the  
19 secretary makes a finding in conformance with all applicable statutory  
20 requirements, including those contained in article twenty-three-A of the  
21 correction law, that such convictions do not constitute a bar to  
22 appointment.

6 that nothing contained in this paragraph shall be deemed to preclude  
7 the exchange of such data, information or recorded images solely for the  
8 purpose of administering such authorized shared system. For the purposes  
9 of this subdivision, "personal information" shall mean information that  
10 identifies an individual, including but not limited to name, address,

23 subdivision one of this section.

24       3. Sentencing; previous convictions. When sentencing a person for a  
25 violation of paragraph (b), (c), (d) or (e) of subdivision one of this  
26 section pursuant to subparagraph (ii) of paragraph (f) of subdivision

28 person may have for a violation of subdivision two, two-a, three, four,  
29 or four-a of section eleven hundred ninety-two of this title within the  
30 preceding ten years. When sentencing a person for a violation of para-  
31 graph (b), (c), (d) or (e) of subdivision one of this section pursuant  
32 to subparagraph (iii) of paragraph (f) of subdivision one of this  
33 section, the court shall consider any prior convictions the person may

35 of section eleven hundred ninety-two of this title within the preceding  
36 ten years. When sentencing a person for a violation of subparagraph (ii)

44 this title within the preceding ten years.

45       4. Arrest and field testing. (a) Arrest. Notwithstanding the  
46 provisions of section 140.10 of the criminal procedure law, a police  
47 officer may, without a warrant, arrest a person, in case of a violation  
48 of any paragraph of subdivision one of this section, if such violation  
49 is coupled with an accident or collision in which such person is  
50 involved, which in fact had been committed, though not in the police  
51 officer's presence, when the officer has reasonable cause to believe  
52 that the violation was committed by such person. For the purposes of  
53 this subdivision, police officer shall also include a peace officer  
54 authorized to enforce this chapter when the alleged violation consti-  
55 tutes a crime.

1       (b) Field testing. Every person operating a bicycle with electric  
2 assist which has been involved in an accident shall, at the request of a  
3 police officer, submit to a breath test to be administered by the police  
4 officer. If such test indicates that such operator has consumed alcohol,  
5 the police officer may request such operator to submit to a chemical  
6 test in the manner set forth in subdivision five of this section.

7       5. Chemical tests; when authorized. A police officer may request any  
8 person who operates a bicycle with electric assist in this state to  
9 consent to a chemical test of one or more of the following: breath,  
10 blood, urine, or saliva, for the purpose of determining the alcoholic  
11 and/or drug content of such person's blood, provided that such test is  
12 administered at the direction of a police officer with respect to a  
13 chemical test of breath, urine or saliva or, with respect to a chemical  
14 test of blood, at the direction of a police officer: (a) having reason-  
15 able grounds to believe such person to have been operating in violation  
16 of paragraph (a), (b), (c), (d) or (e) of subdivision one of this  
17 section and within two hours after such person has been placed under  
18 arrest for any such violation; or (b) within two hours after a breath  
19 test, as provided in paragraph (b) of subdivision four of this section,  
20 indicates that alcohol has been consumed by such person and in accord-  
21 ance with the rules and regulations established by the police force of  
22 which the officer is a member.

23       6. Testing procedures. (a) Persons authorized to withdraw blood; immu-  
24 nity; testimony. (i) At the request of a police officer, the following  
25 persons may withdraw blood for the purpose of determining the alcoholic  
26 or drug content therein: (A) a physician, a registered professional  
27 nurse, a registered physician assistant, a certified nurse practitioner,  
28 or an advanced emergency medical technician as certified by the depart-  
29 ment of health; or (B) under the supervision and at the direction of a  
30 physician, registered physician assistant or certified nurse practition-  
31 er acting within his or her lawful scope of practice, or upon the  
32 express consent of the person eighteen years of age or older from whom  
33 such blood is to be withdrawn: a clinical laboratory technician or clin-  
34 ical laboratory technologist licensed pursuant to article one hundred  
35 sixty-five of the education law; a phlebotomist; or a medical laboratory  
36 technician or medical technologist employed by a clinical laboratory  
37 approved under title five of article five of the public health law. This  
38 limitation shall not apply to the taking of a urine, saliva or breath  
39 specimen.

40       (ii) No person entitled to withdraw blood pursuant to subparagraph (i)  
41 of this paragraph or hospital employing such person, and no other  
42 employer of such person shall be sued or held liable for any act done or  
43 omitted in the course of withdrawing blood at the request of a police  
44 officer pursuant to this section.

45       (iii) Any person who may have a cause of action arising from the with-  
46 drawal of blood as aforesaid, for which no personal liability exists  
47 under subparagraph (ii) of this paragraph, may maintain such action  
48 against the state if any person entitled to withdraw blood pursuant to  
49 this paragraph acted at the request of a police officer employed by the  
50 state, or against the appropriate political subdivision of the state if  
51 such person acted at the request of a police officer employed by a polit-  
52 ical subdivision of the state. No action shall be maintained pursuant  
53 to this subparagraph unless notice of claim is duly filed or served in  
54 compliance with law.

55       (iv) Notwithstanding subparagraphs (i), (ii) and (iii) of this para-  
56 graph, an action may be maintained by the state or a political subdivi-

1 sion thereof against a person entitled to withdraw blood pursuant to  
2 subparagraph (i) of this paragraph or hospital employing such person for  
3 whose act or omission the state or the political subdivision has been  
4 held liable under this paragraph to recover damages, not exceeding the  
5 amount awarded to the claimant, that may have been sustained by the  
6 state or the political subdivision by reason of gross negligence or bad  
7 faith on the part of such person.

8 (v) The testimony of any person other than a physician, entitled to  
9 withdraw blood pursuant to subparagraph (i) of this paragraph, in  
10 respect to any such withdrawal of blood made by such person may be  
11 received in evidence with the same weight, force and effect as if such  
12 withdrawal of blood were made by a physician.

13 (vi) The provisions of subparagraphs (ii), (iii) and (iv) of this  
14 paragraph shall also apply with regard to any person employed by a  
15 hospital as security personnel for any act done or omitted in the course  
16 of withdrawing blood at the request of a police officer pursuant to this  
17 section.

18 (b) Right to additional test. The person tested shall be permitted to  
19 choose a physician to administer a chemical test in addition to the one  
20 administered at the direction of the police officer.

21 (c) Rules and regulations. The department of health shall issue and  
22 file rules and regulations approving satisfactory techniques or methods  
23 of conducting chemical analyses of a person's blood, urine, breath or  
24 saliva and to ascertain the qualifications and competence of individuals  
25 to conduct and supervise chemical analyses of a person's blood, urine,  
26 breath or saliva. If the analyses were made by an individual possessing  
27 a permit issued by the department of health, this shall be presumptive  
28 evidence that the examination was properly given. The provisions of this  
29 paragraph do not prohibit the introduction as evidence of an analysis  
30 made by an individual other than a person possessing a permit issued by  
31 the department of health.

32 7. Chemical test evidence. (a) Admissibility. Upon the trial of any  
33 such action or proceeding arising out of actions alleged to have been  
34 committed by any person arrested for a violation of any paragraph of  
35 subdivision one of this section, the court shall admit evidence of the  
36 amount of alcohol or drugs in the defendant's blood as shown by a test  
37 administered pursuant to the provisions of subdivision five of this  
38 section.

39 (b) Probative value. The following effect shall be given to evidence  
40 of blood-alcohol content, as determined by such tests, of a person  
41 arrested for a violation of subdivision one of this section:

42 (i) evidence that there was .05 of one per centum or less by weight of  
43 alcohol in such person's blood shall be *prima facie* evidence that the  
44 ability of such person to operate a bicycle with electric assist was not  
45 impaired by the consumption of alcohol, and that such person was not in  
46 an intoxicated condition;

47 (ii) evidence that there was more than .05 of one per centum but less  
48 than .07 of one per centum by weight of alcohol in such person's blood  
49 shall be *prima facie* evidence that such person was not in an intoxicated  
50 condition, but such evidence shall be relevant evidence, but shall not  
51 be given *prima facie* effect, in determining whether the ability of such  
52 person to operate a bicycle with electric assist was impaired by the  
53 consumption of alcohol; and

54 (iii) evidence that there was .07 of one per centum or more but less  
55 than .08 of one per centum by weight of alcohol in such person's blood  
56 shall be *prima facie* evidence that such person was not in an intoxicated

1 condition, but such evidence shall be given *prima facie* effect in determining whether the ability of such person to operate a bicycle with  
2 electric assist was impaired by the consumption of alcohol.

3 8. Where applicable. The provisions of this section shall apply upon  
4 public highways, private roads open to motor vehicle traffic, any other  
5 parking lot, and sidewalks. For the purposes of this section "parking  
6 lot" shall mean any area or areas of private property, including a  
7 driveway, near or contiguous to and provided in connection with premises  
8 and used as a means of access to and egress from a public highway to  
9 such premises and having a capacity for the parking of four or more  
10 motor vehicles. The provisions of this section shall not apply to any  
11 area or areas of private property comprising all or part of property on  
12 which is situated a one or two-family residence.

13 9. Enforcement upon crash. Notwithstanding any provision of this  
14 section, no part of this section may be enforced unless in conjunction  
15 with a crash involving an operator of a bicycle with electric assist.  
16 For the purposes of this subdivision, "crash" shall mean colliding with  
17 a vehicle, person, building or other object.

18 § 10. The vehicle and traffic law is amended by adding a new article  
19 34-D to read as follows:

39 all.

40 § 1281. Traffic laws apply to persons operating electric scooters; local laws. 1. Every person riding an electric scooter upon a roadway  
41 shall be granted all of the rights and shall be subject to all of the  
42 duties applicable to the driver of a vehicle and the rider of a bicycle  
43 by this title, except as to special regulations in this article and  
44 except as to those provisions of this title which by their nature can  
45 have no application.

46 2. (a) Except as provided in paragraphs (b) and (c) of this subdivision,  
47 the governing body of any city, town or village may, by local law  
48 or ordinance, further regulate the time, place and manner of the operation  
49 of electric scooters, including, but not limited to, maximum speed,

1 requiring the use of protective headgear, and the wearing of readily  
2 visible reflective clothing or material by operators of electric scoot-

12 by operators of electric scooters only after adoption of a local law or  
13 ordinance by the governing body of the county in which the city, town or  
14 village is located. Provided, however, that the provisions of this para-  
15 graph shall not apply to the adoption of a local law or ordinance by a  
16 city, town or village in the counties of Nassau or Suffolk pursuant to  
17 the provisions of paragraph (a) of this subdivision to prohibit the use  
18 of electric scooters in specified areas, or prohibit entirely the use of

32 prohibit the use of electric scooters in specified areas, or prohibit  
33 entirely the use of electric scooters within such town or village,  
34 provided that adequate signage is visibly posted outside the boundaries  
35 of such prohibited areas.

36 3. No person shall operate an electric scooter unless such operation  
37 is in compliance with the provisions of this chapter, and any regulation  
38 or order or local law or ordinance adopted pursuant to this article.

39 § 1282. Operating electric scooters. 1. No electric scooter shall be  
40 used to carry more than one person at one time. No person operating an

44 shall not constitute contributory negligence or assumption of risk, and  
45 shall not in any way bar, preclude or foreclose an action for personal

47 diminish or reduce the damages recoverable in any such action.

48 2. No person operating an electric scooter shall carry any package,

9 6. No person shall operate an electric scooter in excess of fifteen miles per hour.

11 7. (a) No person shall operate an electric scooter on a sidewalk, except as may be authorized by a local law or ordinance adopted by a city, town or village having jurisdiction over such sidewalk including parking on certain sidewalks within such city, town or village in compliance with the federal Americans with Disabilities Act of 1990, as amended (Public Law 101-336).

17 (b) Notwithstanding the provisions of paragraph (a) of this subdivision, an electric scooter owned by a natural person where the owner is engaged in personal use may park on a sidewalk whether attended or unattended, provided however that no person shall park an electric scooter pursuant to this paragraph in a manner that interferes with the free passage of pedestrians on a sidewalk. A city, town or village having jurisdiction over such sidewalk shall provide a method by which an electric scooter owned by a natural person may be identified as such.

25 8. (a) No person shall operate an electric scooter on any public lands or property, other than a highway exclusive of any greenway running adjacent to or connected with a highway, except that an electric scooter may be operated on any such lands that have been designated and posted for travel by electric scooters in accordance with the provisions of paragraph (b) of this subdivision. 35 (b) A state agency, by regulation or order, and a city, town or village, by local law or ordinance, may designate any appropriate public lands and properties under its jurisdiction, other than highways exclusive of any greenway running adjacent to or connected with a highway, as a place open for travel by electric scooters upon written request for such designation by any person, and may impose restrictions and conditions for the regulation and safe operation of electric scooters on such public lands or property, such as travel on designated trails and hours of operation.

Manufacturers and distributors of electric scooters shall, by April first, two thousand twenty-two, establish a process by which an owner of an electric scooter may request and obtain a manufacturer's label providing the maximum motor-assisted speed, the number of persons for which such electric scooter is designed and equipped, and motor wattage applicable to his or her electric scooter.

1 purchased prior to June first, two thousand twenty-two and installation  
2 instructions from such manufacturers and distributors.

3 (b) No person shall operate an electric scooter on any public highway  
4 or street in this state after June first, two thousand twenty-two unless  
5 such electric scooter has permanently affixed thereto, in a prominent  
6 location, a manufacturer's label providing the maximum motor-assisted  
7 speed, the number of persons for which such electric scooter is designed  
8 and equipped, and motor wattage of such electric scooter. Any person who  
9 violates the provisions of this paragraph shall be punished by a civil  
10 fine of up to fifty dollars. The court shall waive any fine for which a  
11 person who violates the provisions of this paragraph would be liable if  
12 such person supplies the court with proof that, between the date on  
13 which he or she is charged with having violated this paragraph and the  
14 appearance date for such violation, a manufacturer's label was affixed  
15 to his or her electric scooter as required by this paragraph. Provided,  
16 however, that such waiver of fine shall not apply to a second or subse-  
17 quent conviction under this paragraph.

18 10. (a) The governing body of any city, town or village may, by local  
19 law, ordinance, order, rule or regulation, authorize and regulate shared  
20 electric scooter systems within such city, town or village. No such  
21 shared systems shall operate within a city, town or village except as  
22 authorized by such local law, ordinance, order, rule or regulation. No  
23 such shared electric scooter system shall operate on public highways in  
24 a county with a population of no less than one million five hundred

19 necessary to avoid conditions that would make it unsafe to continue  
20 along near the right-hand curb or edge. Conditions to be taken into  
21 consideration include, but are not limited to, fixed or moving objects,  
22 vehicles, bicycles, in-line skates, pedestrians, animals, surface

10 section, or if the court finds that due to reasons of economic hardship  
11 such person was unable to purchase a helmet or due to such economic  
12 hardship such person was unable to obtain a helmet from the statewide  
13 in-line skate and bicycle helmet distribution program, as established in  
14 section two hundred six of the public health law or a local distribution  
15 program. Such waiver of fine shall not apply to a second or subsequent  
16 violation of subdivision one of this section.

17 4. The failure of any person to comply with the provisions of this  
18 section shall not constitute contributory negligence or assumption of

40 the manner set forth in subdivision five of this section.

41 5. Chemical tests; when authorized. A police officer may request any  
42 person who operates an electric scooter in this state to consent to a  
43 chemical test of one or more of the following: breath, blood, urine, or

45 of such person's blood, provided that such test is administered at the  
46 direction of a police officer with respect to a chemical test of breath,  
47 urine or saliva or, with respect to a chemical test of blood, at the  
48 direction of a police officer: (a) having reasonable grounds to believe  
49 such person to have been operating in violation of paragraph (a), (b),

17    specimen.

18     (ii) No person entitled to withdraw blood pursuant to subparagraph one  
19    of this paragraph or hospital employing such person, and no other  
20    employer of such person shall be sued or held liable for any act done or  
21    omitted in the course of withdrawing blood at the request of a police  
22    officer pursuant to this section.

23     (iii) Any person who may have a cause of action arising from the with-  
24    drawal of blood as aforesaid, for which no personal liability exists  
25    under subparagraph (ii) of this paragraph, may maintain such action  
26    against the state if any person entitled to withdraw blood pursuant to  
27    this paragraph acted at the request of a police officer employed by the  
28    state, or against the appropriate political subdivision of the state if  
29    such person acted at the request of a police officer employed by a poli-  
30    tical subdivision of the state. No action shall be maintained pursuant

36    subparagraph (i) of this paragraph or hospital employing such person for  
37    whose act or omission the state or the political subdivision has been  
38    held liable under this paragraph to recover damages, not exceeding the  
39    amount awarded to the claimant, that may have been sustained by the  
40    state or the political subdivision by reason of gross negligence or bad  
41    faith on the part of such person.

42     (v) The testimony of any person other than a physician, entitled to  
43    withdraw blood pursuant to subparagraph (i) of this paragraph, in  
44    respect to any such withdrawal of blood made by such person may be  
45    received in evidence with the same weight, force and effect as if such  
46    withdrawal of blood were made by a physician.

47     (vi) The provisions of subparagraphs (ii), (iii) and (iv) of this  
48    paragraph shall also apply with regard to any person employed by a  
49    hospital as security personnel for any act done or omitted in the course  
50    of withdrawing blood at the request of a police officer pursuant to this  
51    section.

52     (b) Right to additional test. The person tested shall be permitted to  
53    choose a physician to administer a chemical test in addition to the one  
54    administered at the direction of the police officer.

2 saliva and to ascertain the qualifications and competence of individuals  
3 to conduct and supervise chemical analyses of a person's blood, urine,  
4 breath or saliva. If the analyses were made by an individual possessing  
5 a permit issued by the department of health, this shall be presumptive  
6 evidence that the examination was properly given. The provisions of this  
7 paragraph do not prohibit the introduction as evidence of an analysis  
8 made by an individual other than a person possessing a permit issued by  
9 the department of health.

10 7. Chemical test evidence. (a) Admissibility. Upon the trial of any  
11 such action or proceeding arising out of actions alleged to have been  
12 committed by any person arrested for a violation of any paragraph of  
13 subdivision one of this section, the court shall admit evidence of the  
14 amount of alcohol or drugs in the defendant's blood as shown by a test  
15 administered pursuant to the provisions of subdivision five of this  
16 section.

17 (b) Probative value. The following effect shall be given to evidence  
18 of blood-alcohol content, as determined by such tests, of a person  
19 arrested for a violation of subdivision one of this section:

20 (i) evidence that there was .05 of one per centum or less by weight of  
21 alcohol in such person's blood shall be prima facie evidence that the  
22 ability of such person to operate an electric scooter was not impaired  
23 by the consumption of alcohol, and that such person was not in an intox-  
24 icated condition;

25 (ii) evidence that there was more than .05 of one per centum but less  
26 than .07 of one per centum by weight of alcohol in such person's blood  
27 shall be prima facie evidence that such person was not in an intoxicated  
28 condition, but such evidence shall be relevant evidence, but shall not  
29 be given prima facie effect, in determining whether the ability of such  
30 person to operate an electric scooter was impaired by the consumption of  
31 alcohol; and

32 (iii) evidence that there was .07 of one per centum or more but less  
33 than .08 of one per centum by weight of alcohol in such person's blood  
34 shall be prima facie evidence that such person was not in an intoxicated  
35 condition, but such evidence shall be given prima facie effect in deter-  
36 mining whether the ability of such person to operate an electric scooter  
37 was impaired by the consumption of alcohol.

38 8. Where applicable. The provisions of this section shall apply upon

33 department of labor, the federal reserve bank of New York and other  
34 economic experts. The board will reference well-established economic  
35 indexes and accepted economic factors tied to the construction industry,  
36 including but not limited to construction industry employment, wages,  
37 and overall construction activity.

38 § 4. The labor law is amended by adding a new section 813-a to read as  
39 follows:

40 § 813-a. Annual reports by apprenticeship programs. 1. On an annual  
41 basis, all apprenticeship programs covered under the provisions of this  
42 article shall report to the department on the participation of appren-  
43 tices currently enrolled in such apprenticeship program. The data to be  
44 included in such report shall include, at a minimum: (a) the total  
45 number of apprentices in such apprenticeship program; (b) the demograph-  
46 ic information of such apprentices to the extent such data is available,  
47 including, but not limited to, the age, gender, race, ethnicity, and  
48 national origin of such apprentices; (c) the rate of advancement and  
49 graduation of such apprentices; and (d) the rate of placement of such  
50 apprentices onto job sites as well as the demographic information of  
51 such apprentices to the extent such data is available, including, but  
52 not limited to the age, gender, race, ethnicity, and national origin of  
53 such apprentices.

54 2. The department shall make such data publicly available on its  
55 website by July first, two thousand twenty-two and on an annual basis,  
56 but no later than December thirty-first of each following year.

3. The commissioner may promulgate rules and regulations necessary for the implementation of this section.

3     § 5. Severability clause. If any clause, sentence, paragraph, subdivision,  
4     or section of this act shall be adjudged by any court of competent  
5     jurisdiction to be invalid, such judgment shall not affect, impair, or  
6     invalidate the remainder thereof, but shall be confined in its operation  
7     to the clause, sentence, paragraph, subdivision, or section thereof  
8     directly involved in the controversy in which such judgment shall have  
9     been rendered. It is hereby declared to be the intent of the legislature  
10    that this act would have been enacted even if such invalid provisions  
11    had not been included herein.

12       § 6. This act shall take effect on January 1, 2022 and shall apply to  
13 contracts for construction executed, incentive agreements executed,  
14 procurements or solicitations issued, or applications for building  
15 permits on or after such date; provided however that section three of  
16 this act shall take effect on April 1, 2021, and provided further that  
17 this act shall not pre-exempt any existing contracts, nor apply to any  
18 appropriations of public funds made prior to the day on which this act  
19 shall have become a law, or to re-appropriations of such funds first  
20 appropriated prior to the day on which this act shall have become a law.  
21 Effective immediately, the addition, amendment and/or repeal of any rule  
22 or regulation necessary for the implementation of this act on its effec-  
23 tive date are authorized to be made and completed on or before such  
24 effective date.

27 PART HHH

28 Intentionally Omitted

29 PART III

30 Section 1. Subdivision 3 of section 16-o of section 1 of chapter 174  
31 of the laws of 1968 constituting the New York state urban development  
32 corporation act, as added by chapter 186 of the laws of 2007, is amended  
33 to read as follows:

34       3. Establishment and purposes. The corporation shall establish a fund  
35 to be known as the "community development financial institutions fund"  
36 and shall pay into such fund any monies made available to the corpo-  
37 ration for such fund from any source. The monies held in or credited to  
38 the fund shall be expended solely for the purposes set forth in this  
39 section. The corporation shall not [commingle] transfer the monies of  
40 such fund [with] to any other fund or monies of the corporation or any  
41 monies held in trust by the corporation. The corporation is authorized,  
42 [within] subject to available [appropriations] funding, including, but  
43 not limited to, available appropriations, to provide financial and tech-  
44 nical assistance to community development financial institutions that  
45 make loans and provide development services to specific investment areas  
46 or targeted populations.

47 § 2. This act shall take effect immediately.

48 PART JJJ

1     Section 1. This act shall be known as the "accelerated renewable ener-  
2     gy growth and community benefit act".

3     § 2. Legislative findings and statement of purpose. The legislature  
4     hereby finds, determines and declares:

5     1. Chapter 106 of the laws of 2019 enacted the New York state climate  
6     leadership and community protection act (the "CLCPA") that among other  
7     things:

8         (a) directed the department of environmental conservation to establish  
9         a statewide greenhouse gas emissions limit as a percentage of 1990 emis-  
10        sions as follows: (i) 2030: 60% of 1990 emissions; and (ii) 2050: 15% of  
11        1990 emissions;

12         (b) directed the public service commission ("commission") to establish  
13        programs to require that a minimum of 70% statewide electric generation  
14        be produced by renewable energy systems by 2030, and that by the year  
15        2040 the statewide electrical demand system will generate zero emis-  
16        sions; and

17         (c) directed the commission to require the procurement by the state's  
18        jurisdictional load serving entities of at least 9 gigawatts of offshore  
19        wind electricity generation by 2035 and six gigawatts of photovoltaic  
20        solar generation by 2025, and to support three gigawatts of statewide  
21        energy storage capacity by 2030 (collectively, the "CLCPA targets").

22     2. In order to achieve the CLCPA targets, the state shall take appro-  
23     priate action to ensure that:

24         (a) new renewable energy generation projects can be sited in a timely  
25        and cost-effective manner that includes consideration of local laws  
26        concerning zoning, the environment or public health and safety and  
27        avoids or minimizes, to the maximum extent practicable, adverse environ-  
28        mental impacts; and

29         (b) renewable energy can be efficiently and cost effectively injected  
30        into the state's distribution and transmission system for delivery to  
31        regions of the state where it is needed. In particular, the state shall  
32        provide for timely and cost effective construction of new, expanded and  
33        upgraded distribution and transmission infrastructure as may be needed  
34        to access and deliver renewable energy resources, which may include  
35        alternating current transmission facilities, high voltage direct current  
36        transmission infrastructure facilities, and submarine transmission  
37        facilities needed to interconnect off-shore renewable generation  
38        resources to the state's transmission system.

39     3. A public policy purpose would be served and the interests of the  
40     people of the state would be advanced by directing the public service  
41     commission to make a comprehensive study of the state's power grid to  
42     identify distribution and transmission infrastructure needed to enable  
43     the state to meet the CLCPA targets, and based on such study, develop  
44     definitive plans that: (a) provide for the timely development of local  
45     transmission and distribution system upgrades by the state's regulated  
46     utilities and the Long Island power authority; (b) identify bulk trans-  
47     mission investments that should be undertaken, including projects that  
48     should be undertaken immediately and on an expedited basis in cooper-  
49     ation with the power authority of the state of New York; and (c) other-  
50     wise advance the policies of this act.

51     4. A public policy purpose would be served and the interests of the  
52     people of the state would be advanced by:

53         (a) expediting the regulatory review for the siting of major renewable  
54        energy facilities and transmission infrastructure necessary to meet the  
55        CLCPA targets, in recognition of the importance of these facilities and  
56        their ability to lower carbon emissions;

1       (b) making available to developers of clean generation resources  
2 build-ready sites for the construction and operation of such renewable  
3 energy facilities;

4       (c) developing uniform permit standards and conditions that are appli-  
5 cable to classes and categories of renewable energy facilities, that  
6 reflect the environmental benefits of such facilities and address common  
7 conditions necessary to minimize impacts to the surrounding community  
8 and environment;

9       (d) providing for workforce training, especially in disadvantaged  
10 communities;

11       (e) implementing one or more programs to provide benefits to owners of  
12 land and communities where renewable energy facilities and transmission  
13 infrastructure would be sited;

14       (f) incentivizing the re-use or adaptation of sites with existing or  
15 abandoned commercial or industrial uses, such as brownfields, landfills,  
16 dormant electric generating sites and former commercial or industrial  
17 sites, for the development of major renewable energy facilities and to  
18 restore and protect the value of taxable land and leverage existing  
19 resources; and

20       (g) implementing the state's policy to protect, conserve and recover  
21 endangered and threatened species while establishing additional mech-  
22 anisms to facilitate the achievement of a net conservation benefit to  
23 endangered or threatened species which may be impacted by the  
24 construction or operation of major renewable energy facilities.

25       § 3. Paragraphs (c) and (d) of subdivision 4 of section 162 of the  
26 public service law, as added by chapter 388 of the laws of 2011, are  
27 amended and a new subdivision (e) is added to read as follows:

28       (c) To a major electric generating facility (i) constructed on lands  
29 dedicated to industrial uses, (ii) the output of which shall be used  
30 solely for industrial purposes, on the premises, and (iii) the generat-  
31 ing capacity of which does not exceed two hundred thousand kilowatts;  
32 [or]

33       (d) To a major electric generating facility if, on or before the  
34 effective date of the rules and regulations promulgated pursuant to this  
35 article and section 19-0312 of the environmental conservation law, an  
36 application has been made for a license, permit, certificate, consent or  
37 approval from any federal, state or local commission, agency, board or  
38 regulatory body, in which application the location of the major electric  
39 generating facility has been designated by the applicant; or if the  
40 facility is under construction at such time[.]; or

41       (e) To a major renewable energy facility as such term is defined in  
42 section ninety-four-c of the executive law; provided, however, that any  
43 person intending to construct a major renewable energy facility, that  
44 has a draft pre-application public involvement program plan pursuant to  
45 section one hundred sixty-three of this article and the regulations  
46 implementing this article, which is pending with the siting board as of  
47 the effective date of this paragraph may remain subject to the  
48 provisions of this article or, may, by written notice to the secretary  
49 of the commission, elect to become subject to the provisions of section  
50 ninety-four-c of the executive law.

51       § 4. The executive law is amended by adding a new section 94-c to read  
52 as follows:

53       § 94-c. Major renewable energy development program. 1. Purpose. It is  
54 the purpose of this section to consolidate the environmental review and  
55 permitting of major renewable energy facilities in this state and to  
56 provide a single forum in which the office of renewable energy siting

1 created by this section may undertake a coordinated and timely review of  
2 proposed major renewable energy facilities to meet the state's renewable  
3 energy goals while ensuring the protection of the environment and  
4 consideration of all pertinent social, economic and environmental  
5 factors in the decision to permit such facilities as more specifically  
6 provided in this section.

7 2. Definitions. (a) "Executive director" or "director" shall mean the  
8 executive director of the office of renewable energy siting.

9 (b) "CLCPA targets" shall mean the public policies established in the  
10 climate leadership and community protection act enacted in chapter one  
11 hundred six of the laws of two thousand nineteen, including the require-  
12 ment that a minimum of seventy percent of the statewide electric gener-  
13 ation be produced by renewable energy systems by two thousand thirty,  
14 that by the year two thousand forty the statewide electrical demand  
15 system will generate zero emissions and the procurement of at least nine  
16 gigawatts of offshore wind electricity generation by two thousand thir-  
17 ty-five, six gigawatts of photovoltaic solar generation by two thousand  
18 twenty-five and to support three gigawatts of statewide energy storage  
19 capacity by two thousand thirty.

20 (c) "Local agency account" or "account" shall mean the account estab-  
21 lished by the office pursuant to subdivision seven of this section.

22 (d) "Local agency" means any local agency, board, district, commission  
23 or governing body, including any city, county, and other political  
24 subdivision of the state.

25 (e) "Municipality" shall mean a county, city, town, or village.

26 (f) "Office" shall mean the office of renewable energy siting estab-  
27 lished pursuant to this section.

28 (g) "Department" shall mean the department of state.

29 (h) "Major renewable energy facility" means any renewable energy  
30 system, as such term is defined in section sixty-six-p of the public  
31 service law as added by chapter one hundred six of the laws of two thou-  
32 sand nineteen, with a nameplate generating capacity of twenty-five thou-  
33 sand kilowatts or more, and any co-located system storing energy gener-  
34 ated from such a renewable energy system prior to delivering it to the  
35 bulk transmission system, including all associated appurtenances to  
36 electric plants as defined under section two of the public service law,  
37 including electric transmission facilities less than ten miles in length  
38 in order to provide access to load and to integrate such facilities into  
39 the state's bulk electric transmission system.

40 (i) "Siting permit" shall mean the major renewable energy facility  
41 siting permit established pursuant to this section and the rules and  
42 regulations promulgated by the office.

43 (j) "Dormant electric generating site" shall mean a site at which one  
44 or more electric generating facilities produced electricity but has  
45 permanently ceased operating.

46 3. Office of renewable energy siting; responsibilities. (a) There is  
47 hereby established within the department an office of renewable energy  
48 siting which is charged with accepting applications and evaluating,  
49 issuing, amending, approving the assignment and/or transfer of siting  
50 permits. The office shall exercise its authority by and through the  
51 executive director.

52 (b) The office shall within one year of the effective date of this  
53 section establish a set of uniform standards and conditions for the  
54 siting, design, construction and operation of each type of major renewa-  
55 ble energy facility relevant to issues that are common for particular  
56 classes and categories of major renewable energy facilities, in consul-

1 tation with the New York state energy research and development authori-  
2 ty, the department of environmental conservation, the department of  
3 public service, the department of agriculture and markets, and other  
4 relevant state agencies and authorities with subject matter expertise.  
5 Prior to adoption of uniform standards and conditions, the office shall  
6 hold four public hearings in different regions of the state to solicit  
7 comment from municipal, or political subdivisions, and the public on  
8 proposed uniform standards and conditions to avoid, minimize or mitigate  
9 potential adverse environmental impacts from the siting, design,  
10 construction and operation of a major renewable energy facility.

11 (c) The uniform standards and conditions established pursuant to this  
12 section shall be designed to avoid or minimize, to the maximum extent  
13 practicable, any potential significant adverse environmental impacts  
14 related to the siting, design, construction and operation of a major  
15 renewable energy facility. Such uniform standards and conditions shall  
16 apply to those environmental impacts the office determines are common to  
17 each type of major renewable energy facility.

18 (d) In its review of an application for a permit to develop a major  
19 renewable energy facility, the office, in consultation with the depart-  
20 ment of environmental conservation, shall identify those site-specific  
21 environmental impacts, if any, that may be caused or contributed to by a  
22 specific proposed major renewable energy facility and are unable to be  
23 addressed by the uniform standards and conditions. The office shall  
24 draft in consultation with the department of environmental conservation  
25 site specific permit terms and conditions for such impacts, including  
26 provisions for the avoidance or mitigation thereof, taking into account  
27 the CLCPA targets and the environmental benefits of the proposed major  
28 renewable energy facility, provided, however, that the office shall  
29 require that the application of uniform standards and conditions and  
30 site-specific conditions shall achieve a net conservation benefit to any  
31 impacted endangered and threatened species.

32 (e) To the extent that environmental impacts are not completely  
33 addressed by uniform standards and conditions and site-specific permit  
34 conditions proposed by the office, and the office determines that miti-  
35 gation of such impacts may be achieved by off-site mitigation, the  
36 office may require payment of a fee by the applicant to achieve such  
37 off-site mitigation. If the office determines, in consultation with the  
38 department of environmental conservation, that mitigation of impacts to  
39 endangered or threatened species that achieves a net conservation bene-  
40 fit can be achieved by off-site mitigation, the amount to be paid for  
41 such off-site mitigation shall be set forth in the final siting permit.  
42 The office may require payment of funds sufficient to implement such  
43 off-site mitigation into the endangered and threatened species miti-  
44 gation fund established pursuant to section ninety-nine-hh of the state  
45 finance law.

46 (f) The office, by and through the executive director, shall be  
47 authorized to conduct hearings and dispute resolution proceedings, issue  
48 permits, and adopt such rules, regulations and procedures as may be  
49 necessary, convenient, or desirable to effectuate the purposes of this  
50 section.

51 (g) The office shall within one year of the effective date of this  
52 section promulgate rules and regulations with respect to all necessary  
53 requirements to implement the siting permit program established in this  
54 section and promulgate modifications to such rules and regulations as it  
55 deems necessary; provided that the office shall promulgate regulations  
56 requiring the service of applications on affected municipalities and

1 political subdivisions simultaneously with submission of the application  
2 to the office.

3 (h) At the request of the office, all other state agencies and author-  
4 ties are hereby authorized to provide support and render services to  
5 the office within their respective functions.

6 (i) Notwithstanding any other provision of law, rule, or regulation to  
7 the contrary and consistent with appropriations therefor, employees of  
8 any state agency who are necessary to the functions of the office and  
9 who may be substantially engaged in the performance of its functions  
10 shall be transferred to the office in accordance with the provisions of  
11 section seventy-eight of the civil service law. Employees transferred  
12 pursuant to this section shall be transferred without further examina-  
13 tion or qualification and shall retain their respective civil service  
14 classifications. Nothing set forth in this subdivision shall be  
15 construed to impede, infringe, or diminish the rights and benefits that  
16 accrue to employees through collective bargaining agreements, impact or  
17 change an employee's membership in a bargaining unit, or otherwise  
18 diminish the integrity of the collective bargaining relationship.

19 4. Applicability. (a) On and after the effective date of this section,  
20 no person shall commence the preparation of a site for, or begin the  
21 construction of, a major renewable energy facility in the state, or  
22 increase the capacity of an existing major renewable energy facility,  
23 without having first obtained a siting permit pursuant to this section.  
24 Any such major renewable energy facility with respect to which a siting  
25 permit is issued shall not thereafter be built, maintained, or operated  
26 except in conformity with such siting permit and any terms, limitations,  
27 or conditions contained therein, provided that nothing in this subdivi-  
28 sion shall exempt such major renewable energy facility from compliance  
29 with federal laws and regulations.

30 (b) A siting permit issued by the office may be transferred or  
31 assigned, subject to the prior written approval of the office, to a  
32 person that agrees to comply with the terms, limitations and conditions  
33 contained in such siting permit.

34 (c) The office or a permittee may initiate an amendment to a siting  
35 permit under this section. An amendment initiated by the office or  
36 permittee that is likely to result in any material increase in any envi-  
37 ronmental impact or involves a substantial change to the terms or condi-  
38 tions of a siting permit shall comply with the public notice and hearing  
39 requirements of this section.

40 (d) Any hearings or dispute resolution proceedings initiated under  
41 this section or pursuant to rules or regulations promulgated pursuant to  
42 this section may be conducted by the executive director or any person to  
43 whom the executive director shall delegate the power and authority to  
44 conduct such hearings or proceedings in the name of the office at any  
45 time and place.

46 (e) This section shall not apply:

47 (i) to a major renewable energy facility, or any portion thereof, over  
48 which any agency or department of the federal government has exclusive  
49 siting jurisdiction, or has siting jurisdiction concurrent with that of  
50 the state and has exercised such jurisdiction to the exclusion of regu-  
51 lation of the facility by the state; provided, however, nothing herein  
52 shall be construed to expand federal jurisdiction;

53 (ii) to normal repairs, maintenance, replacements, non-material  
54 modifications and improvements of a major renewable energy facility,  
55 whenever built, which are performed in the ordinary course of business

1 and which do not constitute a violation of any applicable existing  
2 permit;

3 (iii) to a major renewable energy facility if, on or before the effective  
4 date of this section, an application has been made or granted for a  
5 license, permit, certificate, consent or approval from any federal,  
6 state or local commission, agency, board or regulatory body, including  
7 the submission of a pre-application public involvement program plan  
8 under article ten of the public service law and its implementing regulations,  
9 in which application the location of the major renewable energy  
10 facility has been designated by the applicant, except in the case of a  
11 person who elects to be subject to this section as authorized by para-  
12 graph e of subdivision four of section one hundred sixty-two of the  
13 public service law.

14 (f) Any person intending to construct a major renewable energy facility  
15 excluded from this section pursuant to paragraph (ii) or (iii) of  
16 paragraph (e) of this subdivision may elect to become subject to the  
17 provisions of this section by filing an application for a siting permit.  
18 This section shall thereafter apply to each major renewable energy  
19 facility identified in such notice from the date of its receipt by the  
20 office. With respect to such major renewable energy facilities, the  
21 rules and regulations promulgated pursuant to this section shall set  
22 forth an expedited permitting process to account for matters and issues  
23 already presented and resolved in relevant alternative permitting  
24 proceedings.

25 (i) With respect to a major renewable energy facility for which an  
26 application was previously reviewed pursuant to article ten of the  
27 public service law, and for which a completeness determination had  
28 already been issued at the time an application was filed pursuant to  
29 this section, such application shall be considered complete pursuant to  
30 this section upon filing.

31 (ii) With respect to a major renewable energy facility for which an  
32 application was previously reviewed pursuant to article ten of the  
33 public service law, and for which a completeness determination had not  
34 been issued at the time the application was filed pursuant to this  
35 section, the sixty-day time period provided in paragraph (b) of subdivi-  
36 sion five of this section shall commence upon filing.

37 (g) Any person intending to construct a facility that is a renewable  
38 energy system, as such term is defined in section sixty-six-p of the  
39 public service law as added by chapter one hundred six of the laws of  
40 two thousand nineteen, with a nameplate capacity of at least twenty  
41 thousand but less than twenty-five thousand kilowatts, may apply to  
42 become subject to the provisions of this section by filing an applica-  
43 tion for a siting permit. Upon submission of such application, the  
44 subject renewable energy facility shall be treated as a "major renewable  
45 energy facility" exclusively for purposes of permitting under this  
46 section.

47 5. Application, municipal notice and review. (a) Until the office  
48 establishes uniform standards and conditions required by subdivision  
49 three of this section and promulgates regulations specifying the content  
50 of an application for a siting permit, an application for a siting  
51 permit submitted to the office shall conform substantially to the form  
52 and content of an application required by section one hundred sixty-four  
53 of the public service law.

54 (b) Notwithstanding any law to the contrary, the office shall, within  
55 sixty days of its receipt of an application for a siting permit deter-  
56 mine whether the application is complete and notify the applicant of its

1 determination. If the office does not deem the application complete, the  
2 office shall set forth in writing delivered to the applicant the reasons  
3 why it has determined the application to be incomplete. If the office  
4 fails to make a determination within the foregoing sixty-day time peri-  
5 od, the application shall be deemed complete; provided, however, that  
6 the applicant may consent to an extension of the sixty-day time period  
7 for determining application completeness. Provided, further, that no  
8 application may be complete without proof of consultation with the muni-  
9 cipality or political subdivision where the project is proposed to be  
10 located, or an agency thereof, prior to submission of an application to  
11 the office, related to procedural and substantive requirements of local  
12 law.

13 (c) (i) No later than sixty days following the date upon which an  
14 application has been deemed complete, and following consultation with  
15 any relevant state agency or authority, the office shall publish for  
16 public comment draft permit conditions prepared by the office, which  
17 comment period shall be for a minimum of sixty days from public notice  
18 thereof. Such public notice shall include, at a minimum, written notice  
19 to the municipality or political subdivision in which the major renewa-  
20 ble energy facility is proposed to be located; publication in a newspa-  
21 per or in electronic form, having general circulation in such munici-  
22 pality or political subdivision; and posted on the office's website.

23 (ii) For any municipality, political subdivision or an agency thereof  
24 that has received notice of the filing of an application, pursuant to  
25 regulations promulgated in accordance with this section, the municipi-  
26 lity or political subdivision or agency thereof shall within the time-  
27 frames established by this subdivision submit a statement to the office  
28 indicating whether the proposed facility is designed to be sited,  
29 constructed and operated in compliance with applicable local laws and  
30 regulations, if any, concerning the environment, or public health and  
31 safety. In the event that a municipality, political subdivision or an  
32 agency thereof submits a statement to the office that the proposed  
33 facility is not designed to be sited, constructed or operated in compli-  
34 ance with local laws and regulations and the office determines not to  
35 hold an adjudicatory hearing on the application, the department shall  
36 hold non-adjudicatory public hearing in the affected municipality or  
37 political subdivision.

38 (d) If public comment on a draft permit condition published by the  
39 office pursuant to this subdivision, including comments provided by a  
40 municipality or political subdivision or agency thereof, or members of  
41 the public raises a substantive and significant issue, as defined in  
42 regulations adopted pursuant to this section, that requires adjudi-  
43 cation, the office shall promptly fix a date for an adjudicatory hearing  
44 to hear arguments and consider evidence with respect thereto.

45 (e) Following the expiration of the public comment period set forth in  
46 this subdivision, or following the conclusion of a hearing undertaken  
47 pursuant to this subdivision, the office shall, in the case of a public  
48 comment period, issue a written summary of public comment and an assess-  
49 ment of comments received, and in the case of an adjudicatory hearing,  
50 the executive officer or any person to whom the executive director has  
51 delegated such authority, shall issue a final written hearing report. A  
52 final siting permit may only be issued if the office makes a finding  
53 that the proposed project, together with any applicable uniform and  
54 site-specific standards and conditions would comply with applicable laws  
55 and regulations. In making this determination, the office may elect not  
56 to apply, in whole or in part, any local law or ordinance which would

1 otherwise be applicable if it makes a finding that, as applied to the  
2 proposed major renewable energy facility, it is unreasonably burdensome  
3 in view of the CLCPA targets and the environmental benefits of the  
4 proposed major renewable energy facility.

5 (f) Notwithstanding any other deadline made applicable by this  
6 section, the office shall make a final decision on a siting permit for  
7 any major renewable energy project within one year from the date the  
8 application was deemed complete, or within six months from the date the  
9 application was deemed complete if the major renewable energy facility  
10 is proposed to be sited on an existing or abandoned commercial use,  
11 including without limitation, brownfields, landfills, former commercial  
12 or industrial sites, dormant electric generating sites, and abandoned or  
13 otherwise underutilized sites, as further defined by the regulations  
14 promulgated by this section. Unless the office and the applicant have  
15 agreed to an extension, with such extension limited to thirty days, and  
16 if a final siting permit decision has not been made by the office within  
17 such time period, then such siting permit shall be deemed to have been  
18 automatically granted for all purposes set forth in this section and all  
19 uniform conditions or site specific permit conditions issued for public  
20 comment shall constitute enforceable provisions of the siting permit.  
21 The final siting permit shall include a provision requiring the permit-  
22 tee to provide a host community benefit, which may be a host community  
23 benefit as determined by the public service commission pursuant to  
24 section eight of the chapter of the laws of two thousand twenty that  
25 added this section or such other project as determined by the office or  
as subsequently agreed to between the applicant and the host community.

27 (g) Any party aggrieved by the issuance or denial of a permit under  
28 this section may seek judicial review of such decision as provided in  
29 this paragraph. (i) A judicial proceeding shall be brought in the appelleate  
30 division of the supreme court of the state of New York in the judicial  
31 department embracing the county wherein the facility is to be  
32 located or, if the application is denied, the county wherein the applicant  
33 has proposed to locate the facility. Such proceeding shall be  
34 initiated by the filing of a petition in such court within ninety days  
35 after the issuance of a final decision by the office together with proof  
36 of service of a demand on the office to file with said court a copy of a  
37 written transcript of the record of the proceeding and a copy of the  
38 office's decision and opinion. The office's copy of said transcript,  
39 decision and opinion, shall be available at all reasonable times to all  
40 parties for examination without cost. Upon receipt of such petition and  
41 demand the office shall forthwith deliver to the court a copy of the  
42 record and a copy of the office's decision and opinion. Thereupon, the  
43 court shall have jurisdiction of the proceeding and shall have the power  
44 to grant such relief as it deems just and proper, and to make and enter  
45 an order enforcing, modifying and enforcing as so modified, remanding  
46 for further specific evidence or findings or setting aside in whole or  
47 in part such decision. The appeal shall be heard on the record, without  
48 requirement of reproduction, and upon briefs to the court. The findings  
49 of fact on which such decision is based shall be conclusive if supported  
50 by substantial evidence on the record considered as a whole and matters  
51 of judicial notice set forth in the opinion. The jurisdiction of the  
52 appellate division of the supreme court shall be exclusive and its judgment  
53 and order shall be final, subject to review by the court of appeals  
54 in the same manner and form and with the same effect as provided for  
55 appeals in a special proceeding. All such proceedings shall be heard and  
56 determined by the appellate division of the supreme court and by the

1    court of appeals as expeditiously as possible and with lawful precedence  
2    over all other matters.

3    (ii) The grounds for and scope of review of the court shall be limited  
4    to whether the decision and opinion of the office are:

5    (A) In conformity with the constitution, laws and regulations of the  
6    state and the United States;

7    (B) Supported by substantial evidence in the record and matters of  
8    judicial notice properly considered and applied in the opinion;

9    (C) Within the office's statutory jurisdiction or authority;

10    (D) Made in accordance with procedures set forth in this section or  
11    established by rule or regulation pursuant to this section;

12    (E) Arbitrary, capricious or an abuse of discretion; or

13    (F) Made pursuant to a process that afforded meaningful involvement of  
14    citizens affected by the facility regardless of age, race, color,  
15    national origin and income.

16    (iii) Except as herein provided article seventy-eight of the civil  
17    practice law and rules shall apply to appeals taken hereunder.

18    6. Powers of municipalities and state agencies and authorities; scope  
19    of section. (a) Notwithstanding any other provision of law, including  
20    without limitation article eight of the environmental conservation law  
21    and article seven of the public service law, no other state agency,  
22    department or authority, or any municipality or political subdivision or  
23    any agency thereof may, except as expressly authorized under this  
24    section or the rules and regulations promulgated under this section,  
25    require any approval, consent, permit, certificate, contract, agreement,  
26    or other condition for the development, design, construction, operation,  
27    or decommissioning of a major renewable energy facility with respect to  
28    which an application for a siting permit has been filed, provided in the  
29    case of a municipality, political subdivision or an agency thereof, such  
30    entity has received notice of the filing of the application therefor.  
31    Notwithstanding the foregoing, the department of environmental conserva-  
32    tion shall be the permitting agency for permits issued pursuant to  
33    federally delegated or federally approved programs.

34    (b) This section shall not impair or abrogate any federal, state or  
35    local labor laws or any otherwise applicable state law for the  
36    protection of employees engaged in the construction and operation of a  
37    major renewable energy facility.

38    (c) The department of public service or the public service commission  
39    shall monitor, enforce and administer compliance with any terms and  
40    conditions set forth in a permit issued pursuant to this section and in  
41    doing so may use and rely on authority otherwise available under the  
42    public service law.

43    7. Fees; local agency account. (a) Each application for a siting  
44    permit shall be accompanied by a fee in an amount equal to one thousand  
45    dollars for each thousand kilowatts of capacity of the proposed major  
46    renewable energy facility, to be deposited in an account to be known as  
47    the local agency account established for the benefit of local agencies  
48    and community intervenors by the New York state energy research and  
49    development authority and maintained in a segregated account in the  
50    custody of the commissioner of taxation and finance. The office may  
51    update the fee periodically solely to account for inflation. The  
52    proceeds of such account shall be disbursed by the office, in accordance  
53    with eligibility and procedures established by the rules and regulations  
54    promulgated by the office pursuant to this section, for the partic-  
55    ipation of local agencies and community intervenors in public comment  
56    periods or hearing procedures established by this section, including the

1 rules and regulations promulgated hereto; provided that fees must be  
2 disbursed for municipalities, political subdivisions or an agency there-  
3 of, to determine whether a proposed facility is designed to be sited,  
4 constructed and operated in compliance with the applicable local laws  
5 and regulations.

6       (b) All funds so held by the New York state energy research and devel-  
7 opment authority shall be subject to an annual independent audit as part  
8 of such authority's audited financial statements, and such authority  
9 shall prepare an annual report summarizing account balances and activ-  
10 ities for each fiscal year ending March thirty-first and provide such  
11 report to the office no later than ninety days after commencement of  
12 such fiscal year and post on the authority's website.

13 (c) With respect to a person who has filed an application for a siting  
14 permit pursuant to subdivision four of this section, any amounts held in  
15 an intervenor account established pursuant to articles seven and ten of  
16 the public service law shall be applied to the intervenor account estab-  
17 lished by this subdivision.

18       (d) In addition to the fees established pursuant to paragraph (a) of  
19 this subdivision, the office, pursuant to regulations adopted pursuant  
20 to this section, may assess a fee for the purpose of recovering the  
21 costs the office incurs related to reviewing and processing an applica-  
22 tion submitted under this section.

23       § 5. The opening paragraph of section 1854 of the public authorities  
24 law, as amended by chapter 558 of the laws of 1980, is amended to read  
25 as follows:

26 The purposes of the authority shall be to develop and implement new  
27 energy technologies and invest in build-ready sites, as defined in  
28 subdivision eight of section nineteen hundred one of this article,  
29 consistent with economic, social and environmental objectives, to devel-  
30 op and encourage energy conservation technologies, to promote, develop,  
31 encourage and assist in the acquiring, constructing, improving, main-  
32 taining, equipping and furnishing of industrial, manufacturing, ware-  
33 housing, commercial, research and industrial pollution control facili-  
34 ties at the Saratoga Research and Development Center, and to promote,  
35 develop, encourage and assist special energy projects and thereby  
36 advance job opportunities, health, general prosperity and economic  
37 welfare of the people of the state of New York. In carrying out such  
38 purposes, the authority shall, with respect to the activities specified,  
39 have the following powers:

40       § 6. Article 8 of the public authorities law is amended by adding a  
41 new title 9-B to read as follows:

Title 9-B

## CLEAN ENERGY RESOURCES DEVELOPMENT AND INCENTIVES PROGRAM

Section 1900. Statement of legislative intent.

### 1901. Definitions.

### 1902. Powers and duties.

### 1903. Eligibility.

### 1904. Funding.

§ 1900. Statement of legislative intent. It is the intent of the legislature in enacting this title to empower the New York state energy research and development authority to establish effective programs and other mechanisms to: (1) foster and encourage the orderly and expedient siting and development of renewable energy facilities, particularly at sites which are difficult to develop, consistent with applicable law for the purpose of enabling the state to meet CLCPA targets as defined in

1 subdivision two of section ninety-four-c of the executive law; (2)  
2 incentivize the re-use of previously developed sites for renewable ener-  
3 gy facilities to protect the value of taxable land, capitalize on exist-  
4 ing infrastructure; (3) support the provision of benefits to communities  
5 that host renewable energy facilities; and (4) protect environmental  
6 justice areas from adverse environmental impacts.

7 § 1901. Definitions. As used in this title, the following terms shall  
8 have the following meanings:

9 1. "Authority" shall have the same meaning as in subdivision two of  
10 section eighteen hundred fifty-one of this article.

11 2. "Commission" shall mean the public service commission.

12 3. "Departments" shall mean the department of environmental conserva-  
13 tion, the department of agriculture and markets, the department of  
14 economic development and the department of public service.

15 4. "Environmental justice area" shall mean a minority or low-income  
16 community that may bear a disproportionate share of the negative envi-  
17 ronmental consequences resulting from industrial, municipal, and commer-  
18 cial operations or the execution of federal, state, local, and tribal  
19 programs and policies.

20 5. "Host community" shall mean any municipality within which a major  
21 renewable energy facility, or any portion thereof, has been proposed for  
22 development.

23 6. "Renewable energy facility" shall have the same meaning as renewa-  
24 ble energy systems defined in section sixty-six-p of the public service  
25 law.

26 7. "Municipality" shall mean a county, city, town or village or polit-  
27 ical subdivision.

28 8. "Build-ready site" shall mean a site for which the authority has  
29 secured permits, property interests, agreements and/or other authori-  
30 zations necessary to offer such site for further development,  
31 construction and operation of a renewable energy facility in accordance  
32 with the other provisions of this title.

33 § 1902. Powers and duties. The authority is hereby authorized and  
34 directed to undertake such actions it deems necessary or convenient to  
35 foster and encourage the siting and development of build-ready sites  
36 throughout the state in accordance with this title, work in collab-  
37 oration with the department of public service and the New York state  
38 urban development corporation and any of their affiliates, including  
39 without limitation:

40 1. (a) Locate, identify and assess sites within the state that appear  
41 suitable for the development of build-ready sites with a priority given  
42 to previously developed sites. Such assessment may include but need not  
43 be limited to the following considerations:

44 (i) natural conditions at the site that are favorable to renewable  
45 energy generation;

46 (ii) current land uses at or near the site;

47 (iii) environmental conditions at or near the site;

48 (iv) the availability and characteristics of any transmission or  
49 distribution facilities on or near the site that could be used to facil-  
50 itate the delivery of energy from the site, including existing or poten-  
51 tial constraints on such facilities;

52 (v) the potential for the development of energy storage facilities at  
53 or near the site;

54 (vi) potential impacts of development on environmental justice commu-  
55 nities; and

1       (vii) expressions of commercial interest in the site or general  
2 location by developers of major renewable energy facilities.

3       (b) In making such assessment the authority shall give priority to  
4 previously developed sites, existing or abandoned commercial sites,  
5 including without limitation brownfields, landfills, former commercial  
6 or industrial sites, dormant electric generating sites, or otherwise  
7 underutilized sites;

8       2. Notwithstanding any provision of law to the contrary that would  
9 require the authority to locate sites through a competitive procurement,  
10 negotiate and enter into agreements with persons who own or control  
11 interests in favorable sites for the purpose of securing the rights and  
12 interests necessary to enable the authority to establish build-ready  
13 sites;

14       3. Establish procedures and protocols for the purpose of establishment  
15 and transfer of build-ready sites which shall include, at a minimum: (a)  
16 written notice at the earliest practicable time to a municipality in  
17 which a potential build-ready site has been identified; and (b) a  
18 preliminary screening process to determine, in consultation with the  
19 department of environmental conservation, whether the potential build-  
20 ready site is located in or near an environmental justice area and  
21 whether an environmental justice area would be adversely affected by  
22 development of a build-ready site;

23       4. Undertake all work and secure such permits as the authority deems  
24 necessary or convenient to facilitate the process of establishing build-  
25 ready sites and for the transfer of the build-ready sites to developers  
26 selected pursuant to a publicly noticed, competitive bidding process  
27 authorized by law;

28       5. Notwithstanding title five-A of article nine of this chapter,  
29 establish a build-ready program, including eligibility and other crite-  
30 ria, pursuant to which the authority would, through a competitive and  
31 transparent bidding process, transfer rights and other interests in  
32 build-ready sites and development rights to developers for the purpose  
33 of facilitating the development of renewable energy facilities on such  
34 build-ready sites. Such transactions may include the transfer of  
35 rights, interests and obligations existing under agreements providing  
36 for host community benefits negotiated by the authority pursuant to  
37 programs established pursuant to subdivision six of this section on such  
38 terms and conditions as the authority deems appropriate;

39       6. Establish one or more programs pursuant to which property owners  
40 and communities would receive incentives to host major renewable energy  
41 facilities developed for the purpose of advancing the state policies  
42 embodied in this article. Such program may include without limitation,  
43 and notwithstanding any other provision of law to the contrary,  
44 provisions for the authority to negotiate and enter into agreements with  
45 property owners and host communities providing for incentives, including  
46 a payment in lieu of taxes, the transfer of the authority's interests in  
47 such agreements to developers to whom build-ready sites are transferred,  
48 and the provision of information and guidance to stakeholders concerning  
49 incentives. The authority shall maintain a record of such programs and  
50 incentives, and shall publish such record on the authority's website;

51       7. Procure the services of one or more service providers, including  
52 without limitation environmental consultants, engineers and attorneys,  
53 to support the authority's responsibilities under this section and  
54 perform such other functions as the authority deems appropriate;

55       8. In consultation with the department of economic development, the  
56 department of labor and other state agencies and authorities having

1 experience with job training programs, assess the need for and avail-  
2 ability of workforce training in the local area of build-ready sites to  
3 support green jobs development with special attention to environmental  
4 justice communities and, subject to available funding, establish one or  
5 more programs pursuant to which financial support can be made available  
6 for the local workforce and under-employed populations in the area;

7 9. Manage, allocate and spend any monies made available to the authority  
8 in furtherance of this title as the authority determines to be  
9 appropriate for the proper administration of programs created pursuant  
10 to this title. The authority shall, in identifying build-ready sites,  
11 consider the ability to recoup funds allocated or spent in furtherance  
12 of the programs created pursuant to this title. Any proceeds, less  
13 program expenses and administration, so earned by the authority pursuant  
14 to this title shall be reinvested in accordance with a plan approved by  
15 the commission;

16 10. Where the authority determines that it would be beneficial to the  
17 policy embodied in this title, offer financing or other incentives to  
18 eligible developers through a competitive process, including without  
19 limitation measures and activities undertaken by the authority in  
20 conjunction with its administration of the state's clean energy standard  
21 or similar program as established in commission orders, including without  
22 limitation orders issued in commission case number 15-E-0302; and

23 11. Request and receive the assistance of, the departments or any  
24 other state agency or authority, within their respective relevant  
25 subject matter expertise, to support the administration of the program  
26 created pursuant to this title.

27 § 1903. Eligibility. The authority may establish and revise any eligibility  
28 and evaluation criteria it deems appropriate for the proper  
29 administration of the programs created pursuant to this title.

30 § 1904. Funding. 1. The authority may seek funding from any authorized  
31 or other available source to administer this program.

32 2. Without limiting the foregoing, the authority shall submit a petition  
33 or other appropriate filing to the commission describing the activities  
34 it has taken and plans to undertake in furtherance of the policy  
35 embodied in this title. Such filing may include a request for funding to  
36 allow such activities to proceed promptly and for a period of at least  
37 five years from the date of the order responding to such petition. The  
38 commission shall, in accordance with and as promptly as authorized by  
39 existing law and regulation but in no event more than four months  
40 following the submission of the petition, issue an order responding to  
41 such petition subject to any necessary and reasonable limitations based  
42 on the public service law.

43 § 1905. Reporting. 1. Effective April first, two thousand twenty-one,  
44 the authority shall issue an annual report specifying:

45 (a) any proceeds, less program expenses and administration, so earned  
46 by the authority pursuant to this title;

47 (b) the sites auctioned for development pursuant to subdivision 5 of  
48 section nineteen hundred two of this title;

49 (c) the identity of developers to whom rights have been transferred  
50 pursuant to section nineteen hundred two of this title; and,

51 (d) the resulting renewable energy production.

52 2. The authority shall submit such report to the governor, the temporary  
53 president of the senate, and the speaker of the assembly. A copy of  
54 the report shall also be posted on the authority's website.

55 § 7. State power grid study and program to achieve CLCPA targets. 1.  
56 As used in this section:

1       (a) "CLCPA targets" means the public policies established in the  
2 climate leadership and community protection act enacted in chapter 106  
3 of the laws of 2019, including the requirements that a minimum of 70%  
4 statewide electric generation be produced by renewable energy systems by  
5 2030, by the year 2040 the statewide electrical demand system will  
6 generate zero emissions, and the state's jurisdictional load serving  
7 entities will procure at least 9 gigawatts of offshore wind electricity  
8 generation by 2035, 6 gigawatts of photovoltaic solar generation by  
9 2025, and support 3 gigawatts of statewide energy storage capacity by  
10 2030, as such policies may from time to time be amended.

11       (b) "Commission" means the public service commission.

12       (c) "Department" means the department of public service.

13       (d) "Distribution upgrade" means a new distribution facility or an  
14 improvement, enhancement, replacement, or other modification to the  
15 electric power grid at the distribution level in a utility's service  
16 territory that facilitates achievement of the CLCPA targets.

17       (e) "Local transmission upgrade" means a new transmission facility  
18 that is identified within a utility's local transmission capital plan,  
19 an upgrade to a local transmission facility as defined in the tariff of  
20 the state grid operator, or an improvement, enhancement, replacement, or  
21 other modification to a transmission facility in a utility's service  
22 territory that facilitates achievement of the CLCPA targets.

23       (f) "Major renewable energy facility" has the same meaning as in para-  
24 graph (g) of subdivision 2 of section 94-c of the executive law.

25       (g) "Bulk transmission investment" means a new transmission facility  
26 or an improvement, enhancement, replacement, or other modification to  
27 the state's bulk electric transmission grid that facilitates achievement  
28 of the CLCPA targets and includes without limitation alternating current  
29 facilities and high voltage direct current facilities, including subma-  
30 rine transmission facilities.

31       (h) "State grid operator" means the federally designated electric bulk  
32 system operator for New York state.

33       (i) "Utility" means an electric transmission or delivery utility or  
34 any other person owning or maintaining an electric transmission or  
35 delivery system, over which the commission has jurisdiction.

36       2. The department, in consultation with the New York state energy  
37 research and development authority, the power authority of the state of  
38 New York, the Long Island power authority, the state grid operator, and  
39 the utilities shall undertake a comprehensive study for the purpose of  
40 identifying distribution upgrades, local transmission upgrades and bulk  
41 transmission investments that are necessary or appropriate to facilitate  
42 the timely achievement of the CLCPA targets (collectively, "power grid  
43 study"). The power grid study shall identify needed distribution  
44 upgrades and local transmission upgrades for each utility service terri-  
45 tory and separately address needed bulk transmission system investments.  
46 In performing the study, the department may consider such issues it  
47 determines to be appropriate including by way of example system reli-  
48 ability; safety; cost-effectiveness of upgrades and investments in  
49 promoting development of major renewable energy facilities and relieving  
50 or avoiding constraints; and factors considered by the office of renewa-  
51 ble energy siting in issuing and enforcing renewable energy siting  
52 permits pursuant to section 94-c of the executive law. In carrying out  
53 the study, the department shall gather input from owners and developers  
54 of competitive transmission projects, the state grid operator, and  
55 providers of transmission technology and smart grid solutions and to  
56 utilize information available to the department from other pertinent

1 studies or research relating to modernization of the state's power grid.  
2 To enable the state to meet the CLCPA targets in an orderly and cost-ef-  
3 fective manner, the department may issue findings and recommendations as  
4 part of the power grid study at reasonable intervals but shall make an  
5 initial report of findings and recommendations within 270 days of the  
6 effective date of this section.

7 3. The commission shall, within 60 days of the initial findings and  
8 recommendations required by subdivision two of this section, or at such  
9 earlier time as the commission determines to be appropriate, commence a  
10 proceeding to establish a distribution and local transmission capital  
11 plan for each utility in whose service territory the power grid study  
12 identified distribution upgrades and local transmission upgrades that  
13 the department determines are necessary or appropriate to achieve the  
14 CLCPA targets (the "state distribution and local transmission upgrade  
15 programs"). The state distribution and local transmission upgrade  
16 programs shall establish a prioritized schedule upon which each such  
17 upgrade shall be accomplished. Concurrently, the Long Island power  
18 authority shall establish a capital program to address identified  
19 distribution and local transmission upgrades in its service territory.

20 4. The commission shall, within 60 days of the initial findings and  
21 recommendations required by subdivision two of this section, commence a  
22 proceeding to establish a bulk transmission system investment program,  
23 consistent with the commissions siting authority in article 7 of the  
24 public service law that identifies bulk transmission investments that  
25 the commission determines are necessary or appropriate to achieve the  
26 CLCPA targets (the "state bulk transmission investment plan"). The  
27 commission shall establish a prioritized schedule for implementation of  
28 the state bulk transmission investment plan and, in particular shall  
29 identify projects which shall be completed expeditiously to meet the  
30 CLCPA targets. The state bulk transmission investment plan shall be  
31 submitted by the commission to the state grid operator for appropriate  
32 incorporation into the state grid operator's studies and plans. The  
33 commission shall utilize the state grid operator's public policy trans-  
34 mission planning process to select a project necessary for implementa-  
35 tion of the state bulk transmission investment plan, and shall identify  
36 such projects no later than eight months following a notice of the state  
37 grid operator's public policy transmission planning process cycle,  
38 except that for those projects for which the commission determines there  
39 is a need to proceed expeditiously to promote the state's public policy  
40 goals, such projects shall be designated and proceed in accordance with  
41 subdivision five of this section. The commission shall periodically  
42 review and update the state bulk transmission investment plan, and its  
43 designation of projects in that plan which shall be completed expe-  
44 ditiously.

45 5. The legislature finds and determines that timely development of the  
46 bulk transmission investments identified in the state bulk transmission  
47 investment plan is in the public interest of the people of the state of  
48 New York. The legislature further finds and determines that the power  
49 authority of the state of New York ("power authority") owns and operates  
50 backbone electric transmission assets in New York, has rights-of-way  
51 that can support in whole or in part bulk transmission investment  
52 projects, and has the financial stability, access to capital, technical  
53 expertise and experience to effectuate expeditious development of bulk  
54 transmission investments needed to help the state meet the CLCPA  
55 targets, and thus it is appropriate for the power authority as deemed  
56 feasible and advisable by its trustees, by itself or in collaboration

1 with other parties as it determines to be appropriate, to develop those  
2 bulk transmission investments found by the commission to be needed expe-  
3 ditiously to achieve CLCPA targets ("priority transmission projects").  
4 The power authority shall, through a public process, solicit interest  
5 from potential co-participants in each project it has agreed to develop  
6 and assess whether any joint development would provide for significant  
7 additional benefits in achieving the CLCPA targets. The power authority  
8 may thereafter determine to undertake the development of the project on  
9 its own, or undertake the project jointly with one or more other parties  
10 on such terms and conditions as the power authority finds to be appro-  
11 priate and, notwithstanding any other law to the contrary, enter into  
12 such agreements and take such other actions the power authority deter-  
13 mines to be necessary in order to undertake and complete timely develop-  
14 ment of the project. The intent of this act is for the power authority  
15 to develop priority transmission projects authorized in this subdivi-  
16 sion. For priority projects that the authority determines to undertake  
17 and that are not substantially within the power authority's existing  
18 rights of way, the authority shall, as deemed feasible and advisable by  
19 its board of trustees, select private sector participants through a  
20 competitive bidding process, provided however that priority transmission  
21 projects is not intended to include generation lead lines, or repairs  
22 to, replacement of or upgrades to the power authority's own transmission  
23 assets.

24 6. For the state distribution and local transmission upgrade program,  
25 the commission shall address implementation of such upgrades pursuant to  
26 the existing processes under the public service law. The department  
27 shall also make recommendations to the Long Island power authority for  
28 upgrades for purposes of assisting the state to achieve the CLCPA  
29 targets.

30 7. No later than January 1, 2023, and every 4 years thereafter, the  
31 commission shall, after notice and provision for the opportunity to  
32 comment, issue a comprehensive review of the actions taken pursuant to  
33 this section and their impacts on grid congestion and achievement of the  
34 CLCPA targets, and shall institute new proceedings as the commission  
35 determines to be necessary to address any deficiencies identified there-  
36 with.

37 8. The power authority of the state of New York and the New York state  
38 energy research and development authority, are each authorized, as  
39 deemed feasible and advisable by their respective boards, to contribute  
40 to the cost of the power grid study required by subdivision two of this  
41 section.

42 9. Nothing in this section is intended to:

43 (a) limit, impair, or affect the legal authority of the power authori-  
44 ty that existed as of the effective date of this section; or  
45 (b) limit the authority of the power authority to undertake any trans-  
46 mission project, including bulk transmission investments, and recover  
47 costs under any other process or procedure authorized by state or feder-  
48 al law as the authority determines to be appropriate.

49 § 8. Host community benefit. 1. Definitions. As used in this section,  
50 the following terms shall have the following meanings:

51 (a) "Renewable host community" shall mean any municipality within  
52 which a major renewable energy facility defined in paragraph (h) of  
53 subdivision 2 of section 94-c of the executive law, or any portion ther-  
54 eof, has been proposed for development.

55 (b) "Renewable owner" shall mean the owner of a major renewable energy  
56 facility constructed after the effective date of this section that is

1 proposed to be located in a host community, for which the New York state  
2 energy research and development authority has executed an agreement for  
3 the acquisition of environmental attributes related to a solicitation  
4 issued by such authority after the effective date of this section.

5 (c) "Utility" means an electric distribution utility regulated pursuant  
6 to section 66 of the public service law and serving customers within  
7 a host community.

8 2. The public service commission shall, within 60 days from the effective  
9 date hereof, commence a proceeding to establish a program under  
10 which renewable owners would fund a program to provide a discount or  
11 credit on the utility bills of the utility's customers in a renewable  
12 host community, or a compensatory or environmental benefit to such  
13 customers. Such proceeding shall determine the amount of such discount,  
14 credit, compensatory or environmental benefit based on all factors  
15 deemed appropriate by the commission, including the expected average  
16 electrical output of the facility, the average number of customers within  
17 in the renewable host community, and the expected aggregate annual electric  
18 consumption within such renewable host community, the potential  
19 impact on environmental justice communities, and the role of utilities,  
20 if any, in implementing any aspect of such program. The Long Island  
21 power authority shall establish a program for renewable facilities in  
22 its service territory to achieve the same objectives.

23 § 9. Subdivision 3 of section 123 of the public service law, as added  
24 by chapter 252 of the laws of 2002, is amended to read as follows:

25 3. Unless otherwise stipulated by the applicant[, a final determination  
26 regarding an application for a certificate to construct transmission  
27 facilities for interconnection with a wind energy production  
28 facility located in the county of Lewis shall be rendered within six  
29 months from the date of receipt of a compliant application.]:

30 (a) proceedings on an application for a major utility transmission  
31 facility as defined in paragraph a of subdivision two of section one  
32 hundred twenty of this article shall be completed in all respects,  
33 including a final decision by the commission, within twelve months from  
34 the date of a determination by the secretary of the commission that an  
35 application complies with section one hundred twenty-two of this article;  
36 provided, however, the commission may extend the deadline in  
37 reasonable circumstances by no more than six months in order to give  
38 consideration to specific issues necessary to develop an adequate  
39 record, because the applicant has been unable to obtain necessary  
40 approvals and/or consents related to highway crossings or for other  
41 reasons deemed in the public interest. The commission shall render a  
42 final decision on the application by the aforementioned deadlines unless  
43 such deadlines are waived by the applicant or if the applicant notices  
44 the application for settlement, in which case the timeframes established  
45 in this paragraph are tolled until such time that settlement discussions  
46 are suspended. If, at any time subsequent to the commencement of the  
47 hearing, there is a substantive and significant amendment to the application,  
48 the commission shall promptly fix a date for commencement of a  
49 public hearing thereon, such public hearing to commence no later than  
50 sixty days after receipt of such amendment. The commission shall issue a  
51 final decision thereon no later than six months after the conclusion of  
52 the public hearing, unless such deadline is waived by the applicant.

53 (b) the commission shall, for the purpose of meeting the goals of  
54 chapter one hundred six of the laws of two thousand nineteen, promulgate  
55 rules or regulations to establish an expedited process for proceedings  
56 on applications for a major utility transmission facility as defined in

1 paragraph a of subdivision two of section one hundred twenty of this  
2 article that (i) would be constructed within existing rights-of-way,  
3 (ii) the commission determines in consultation with the department of  
4 environmental conservation would not result in any significant adverse  
5 environmental impacts considering current uses and conditions existing  
6 at the site, or (iii) would necessitate expanding the existing rights-  
7 of-way but such expansion is only for the purpose of complying with law,  
8 regulations, or industry practices relating to electromagnetic fields.

9 (c) for purposes of this subdivision, the following terms shall have  
10 the following meanings:

11 (i) "Expedited process" shall mean a process for proceedings on appli-  
12 cations for a major electric transmission facility that is completed in  
13 all respects, including a final decision by the commission, within nine  
14 months from the date of a determination by the secretary of the commis-  
15 sion that an application complies with section one hundred twenty-two of  
16 this article; provided, however, that if the applicant notices the  
17 application for settlement, the timeframe established in this paragraph  
18 shall be tolled until such time that settlement discussions are  
19 suspended.

20 (ii) "Right-of-way" shall mean (a) real property that is used or  
21 authorized to be used for electric utility purposes, or (b) real proper-  
22 ty owned or controlled by or under the jurisdiction of the state, a  
23 distribution utility, or a state public authority including by means of  
24 ownership, lease or easement, that is used or authorized to be used for  
25 transportation or canal purposes.

26 § 10. Paragraphs (c) and (d) of subdivision 1 of section 126 of the  
27 public service law, paragraph (c) as amended by chapter 406 of the laws  
28 of 1987 and paragraph (d) as amended by chapter 521 of the laws of 2015,  
29 are amended to read as follows:

30 (c) that the facility [represents the minimum] avoids or minimizes to  
31 the extent practicable any significant adverse environmental impact,  
32 considering the state of available technology and the nature and econom-  
33 ics of the various alternatives, and other pertinent considerations  
34 including but not limited to, the effect on agricultural lands,  
35 wetlands, parklands and river corridors traversed;

36 (d) that the facility [represents a minimum] avoids or minimizes to  
37 the extent practicable any significant adverse impact on active farming  
38 operations that produce crops, livestock and livestock products, as  
39 defined in section three hundred one of the agriculture and markets law,  
40 considering the state of available technology and the nature and econom-  
41 ics of various alternatives, and the ownership and easement rights of  
42 the impacted property;

43 § 11. Notwithstanding section 2897 of the public authorities law, the  
44 power authority of the state of New York and the New York state energy  
45 research and development authority may each negotiate and enter into  
46 agreements with other parties providing for the conveyance of interests  
47 in real property provided that in the case of any such conveyance such  
48 entity determines that the conveyance will further the purposes of this  
49 act or provide other benefits to the entity or the state.

50 § 12. The environmental conservation law is amended by adding a new  
51 section 11-0535-c to read as follows:

52 § 11-0535-c. Endangered and threatened species mitigation bank fund.

53 1. The department is hereby authorized to utilize funds in the endan-  
54 gered and threatened species mitigation bank fund, established pursuant  
55 to section ninety-nine-hh of the state finance law, for the purposes of

1 implementing an endangered and threatened species mitigation plan  
2 approved by the department.

3 2. Such fund shall consist of contributions, in an amount determined  
4 by the department, deposited by an applicant granted a siting permit to  
5 construct a major renewable energy facility, where such applicant has  
6 been ordered to mitigate harm to a threatened or endangered species or  
7 its habitat.

8 3. In administering the provisions of this article, the commissioner:  
9 a. May, in the name of the state, enter into contracts with not-for-  
10 profit corporations, private or public universities, and private  
11 contractors for services contemplated by this title. Such contracts  
12 shall be subject to approval by the state comptroller and, as to form,  
13 by the attorney general.

14 b. Shall approve vouchers for payments pursuant to an approved  
15 contract. All such payments shall be paid on the audit and warrant of  
16 the state comptroller;

17 c. May, in the name of the state, enter into contracts with a not-for-  
18 profit corporation to administer grants made pursuant to this title,  
19 including the approval and payment of vouchers for approved contracts;  
20 and

21 d. May perform such other and further acts as may be necessary, proper-  
22 or desirable to carry out the provisions of this article.

23 4. Nothing in this article shall be construed to limit or restrict any  
24 powers of the commissioner or any other agency pursuant to any other  
25 provision of law.

26 5. The commissioner is authorized and directed to promulgate any regu-  
27 lations deemed necessary to implement this section.

28 § 13. The state finance law is amended by adding a new section 99-hh  
29 to read as follows:

30 § 99-hh. Endangered and threatened species mitigation bank fund. 1.  
31 There is hereby established in the joint custody of the comptroller and  
32 the commissioner of taxation and finance a special fund to be known as  
33 the "Endangered and threatened species mitigation bank fund".

34 2. Such fund shall consist of all revenues received pursuant to the  
35 provisions of section 11-0535-c of the environmental conservation law  
36 and all other moneys appropriated, credited, or transferred thereto from  
37 any other fund or source pursuant to law.

38 3. All moneys deposited in the endangered and threatened species miti-  
39 gation bank fund shall be available for projects undertaken to facili-  
40 tate a net conservation benefit to endangered and threatened species  
41 potentially impacted by a major renewable energy facility.

42 4. Monies shall be payable from the fund on the audit and warrant of  
43 the comptroller on vouchers approved and certified by the commissioner  
44 of environmental conservation.

45 § 14. Severability. If any clause, sentence, paragraph, section or  
46 part of this act shall be adjudged by any court of competent jurisdiction  
47 to be invalid, such judgment shall not affect, impair or invalidate  
48 the remainder thereof, but shall be confined in its operation to the  
49 clause, sentence, paragraph, section or part thereof directly involved  
50 in the controversy in which such judgment shall have been rendered.

51 § 15. This act shall take effect immediately and shall expire December  
52 31, 2030 when upon such date this act shall be deemed repealed; provided  
53 that such repeal shall not affect or impair any act done, any applica-  
54 tion filed, any right, permit or authorization awarded, accrued,  
55 received or acquired, or any liability incurred, prior to the time such  
56 repeal takes effect, and provided further that any project for which the

1 New York state energy research and development authority has expended,  
2 or committed to a third party to expend, funds towards the development  
3 of a build-ready site prior to such repeal shall be permitted to contin-  
4 ue in accordance with title 9-B of article 8 of the public authorities  
5 law notwithstanding such repeal; provided further that any bulk trans-  
6 mission investments the power authority of the state of New York has  
7 notified the public service commission of its intent to develop individ-  
8 ually or jointly prior to such repeal shall be permitted to continue  
9 under this act notwithstanding such repeal, and provided further that on  
10 the effective date of this act, the office of renewable energy siting  
11 shall be authorized to promulgate any rules or regulations necessary to  
12 implement section four of this act.

13

## PART KKK

14 Section 1. Subdivision 1 of section 436 of the economic development  
15 law, as added by section 1 of part A of chapter 68 of the laws of 2013,  
16 is amended to read as follows:

17 1. A campus, university or college that has sponsored a tax-free NY  
18 area (including any strategic state asset affiliated with the campus,  
19 university or college) shall solicit and accept applications from busi-  
20 nesses to locate in such area that are consistent with the plan of such

22 approved pursuant to section four hundred thirty-five of this article.  
23 Any business that wants to locate in a tax-free NY area must submit an  
24 application to the campus, university or college which is sponsoring the

27 tion on the effectiveness of the START-UP NY program and deliver it to  
28 the governor and the legislature to determine continued eligibility for  
29 application submissions.

30 § 2. This act shall take effect immediately.

31

## PART LLL

32 Section 1. Section 1265 of the public authorities law is amended by  
33 adding a new subdivision 3-a to read as follows:

34 3-a. (a) To borrow money, to issue negotiable notes, bonds or other  
obligations and to provide for the rights of the holders thereof, in the  
fiscal years of the authority beginning in two thousand twenty through  
two thousand twenty-two to offset decreases in revenue, including but  
not limited to, lost taxes, fees, charges, fares and tolls, or increases  
in operating costs of the authority and its subsidiary corporations, the  
New York city transit authority and its subsidiary corporations and the  
Triborough bridge and tunnel authority due in whole or in part to the  
state disaster emergency caused by the novel coronavirus, COVID-19;  
provided, that such notes, bonds or other obligations shall be issued in  
accordance with the provisions of section twelve hundred sixty-nine of  
this title, except that the last sentence of subdivision two thereof  
relating to the approval of the comptroller or the director of the budg-  
et, as applicable, for private sales, and subdivision twelve thereof,  
and the provisions of section twelve hundred sixty-nine-b of this title,  
shall not be applicable with respect to notes, bonds or other obli-  
gations issued for such purposes. No sale of such notes, bonds or other  
obligations of the authority may be sold by the authority, however,  
prior to the earlier of (i) seven days following the receipt by the

1 state comptroller of notice by the authority of such proposed sale and  
2 the terms thereof or (ii) the receipt by the authority of the state  
3 comptroller's comments on such proposed sale and the terms thereof.  
4 Additionally, no sale of such notes, bonds or other obligations of the  
5 authority may be sold by the authority, however, unless such sale and  
6 the terms thereof have been approved in writing by the director of the  
7 budget. The proceeds of the sale of such notes, bonds or other obli-  
8 gations shall be taken into consideration as "revenue and any other  
9 funds or property actually available to the authority and its subsidiary  
10 corporations" within the meaning of subdivision three of section twelve

12 bonds, notes or other obligations issued pursuant to this subdivision  
13 shall not exceed ten billion dollars.

14 (b) The authority shall report on any issuances or obligations  
15 incurred related to paragraph (a) of this subdivision. Such report shall  
16 include, but not be limited to, an explanation of each note, bond, or  
17 obligation and their respective values issued by the authority pursuant  
18 to decreases in revenue in whole or in part due to the state disaster  
19 emergency caused by novel coronavirus, COVID-19. The report shall also  
20 provide: (i) details of such decreases in revenue in whole, (ii) details  
21 of such decreases in revenue in part, (iii) details of such increases in  
22 costs, (iv) the methodology used by the authority or metropolitan trans-  
23 portation authority to calculate such changes, (v) an explanation for  
24 attributing a particular increase in cost or a particular decrease in  
25 revenue, to the state disaster emergency caused by coronavirus, COVID-  
26 19, and (vi) how the authority determined that the particular note,  
27 bond, or obligation issued was its most desired option. Such report  
28 shall be posted on the authority's website and be submitted to the  
29 governor, the temporary president of the senate, the speaker of the  
30 assembly, the mayor and council of the city of New York, the metropol-  
31 itan transportation authority board, and the metropolitan transportation  
32 authority capital program review board.

33 § 2. This act shall take effect immediately, provided that paragraph  
34 (a) of subdivision 3-a of section 1265 of the public authorities law as  
35 added by section one of this act shall expire and be deemed repealed  
36 three years after such effective date, provided that such repeal shall  
37 not affect the terms of any notes, bonds, or other obligations issued  
38 prior to such repeal.

39

## PART MMM

40 Section 1. Subdivisions 2 and 4 of section 553-j of the public author-  
41 ities law, as added by section 5 of subpart A of part ZZZ of chapter 59  
42 of the laws of 2019, are amended to read as follows:

43 2. Monies in the fund shall be applied, subject to agreements with  
44 bondholders and applicable federal law, to the payment of operating,  
45 administration, and other necessary expenses of the authority, or to the  
46 city of New York subject to the memorandum of understanding executed  
47 pursuant to subdivision two-a of section seventeen hundred four of the  
48 vehicle and traffic law properly allocable to such program, including  
49 the planning, designing, constructing, installing or maintaining of the  
50 central business district tolling program, including, without limita-  
51 tion, the central business district tolling infrastructure, the central  
52 business district tolling collection system and the central business  
53 district tolling customer service center, and the costs of any metropol-  
54 itan transportation authority capital projects included within the 2020

1 to 2024 MTA capital program or any successor programs. Monies in the  
2 fund may be: (a) pledged by the authority to secure and be applied to  
3 the payment of the bonds, notes or other obligations of the authority to  
4 finance the costs of the central business district tolling program,  
5 including, without limitation, the central business district tolling  
6 infrastructure, the central business district tolling collection system  
7 and the central business district tolling customer service center, and  
8 the costs of any metropolitan transportation authority capital projects  
9 included within the 2020 to 2024 MTA capital program or any successor  
10 programs, including debt service, reserve requirements, if any, the  
11 payment of amounts required under bond and note facilities or agreements  
12 related thereto, the payment of federal government loans, security or  
13 credit arrangements or other agreements related thereto; or (b) used by  
14 the authority for the payment of such capital costs of the central busi-  
15 ness district tolling program and the costs of any metropolitan trans-  
16 portation authority capital projects included within the 2020 to 2024  
17 MTA capital program or any successor programs; or (c) transferred to the  
18 metropolitan transportation authority and (1) pledged by the metropol-  
19 itan transportation authority to secure and be applied to the payment of  
20 the bonds, notes or other obligations of the metropolitan transportation  
21 authority to finance the costs of any metropolitan transportation  
22 authority capital projects included within the 2020 to 2024 MTA capital  
23 program or any successor programs, including debt service, reserve  
24 requirements, if any, the payment of amounts required under bond and  
25 note facilities or agreements related thereto, the payment of federal  
26 government loans, security or credit arrangements or other agreements  
27 related thereto, or (2) used by the metropolitan transportation authori-  
28 ty for the payment of the costs of any metropolitan transportation  
29 authority capital projects included within the 2020 to 2024 MTA capital  
30 program or any successor programs, or (3) subject to approval by the  
31 board of the metropolitan transportation authority and the director of  
32 the budget, used by the metropolitan transportation authority in all or  
33 any of the fiscal years of the authority beginning in 2020 through 2021  
34 to offset decreases in revenue, including but not limited to, lost  
35 taxes, fees, charges, fares and tolls, due in whole or in part, or  
36 increases in operating costs due in whole to the state disaster emergen-  
37 cy caused by the novel coronavirus, COVID-19. Such revenues shall only  
38 supplement and shall not supplant any federal, state, or local funds  
39 expended by the authority or the metropolitan transportation authority,  
40 or such authority's or metropolitan transportation authority's affil-  
41 iates or subsidiaries for such respective purposes. Central business  
42 district toll revenues may be used as required to obtain, utilize, or  
43 maintain federal authorization to collect tolls on federal aid highways.  
44 Provided further that, in the event the authority or metropolitan trans-  
45 portation authority receives funds or reimbursements, including without  
46 limitation from the federal government or insurance maintained by the  
47 authority or metropolitan transportation authority, due in whole or in  
48 part to the novel coronavirus, COVID-19, any monies from the fund used  
49 to offset decreases in revenue or increases in operating costs due in  
50 whole or in part to the state disaster emergency caused by the novel  
51 coronavirus, COVID-19, shall be repaid after the authority or the metro-  
52 politan transportation authority fully repays any public or private  
53 borrowings, draws on any lines of credit, issuances of revenue antic-  
54 ipation notes, any internal loans, and use of corpus of OPEB Trust to

11 made substantial commitments to ensure stable and reliable capital fund-  
12 ing to repair and revitalize the metropolitan transportation authority's  
13 subway, bus, and commuter rail systems including most recently the  
14 program to establish tolls for vehicles entering or remaining in New  
15 York city's central business district, which is expected to fund fifteen  
16 billion dollars for capital projects.

17     The legislature further finds and declares that the metropolitan  
18 transportation authority anticipates that some projects in an approved  
19 capital program plan will require that it acquire from the city of New  
20 York through negotiation temporary and permanent interests in real prop-  
21 erty for transportation facilities or transit projects. So as not to  
22 unduly delay the commencement of such capital projects and to ensure  
23 that their cost is not undue, the city of New York must not unreasonably  
24 withhold its consent to such acquisitions nor must it try to use the  
25 metropolitan transportation authority's urgent need for the interests in  
26 real property unreasonably as a lever to obtain an undue price. Other-  
27 wise, the metropolitan transportation authority's efforts to make its  
28 transportation system more accessible and more reliable and efficient  
29 will be significantly impeded. Valuations of the property interests and  
30 negotiations to determine the fair market value shall be conducted only  
31 after the metropolitan transportation authority has identified the need  
32 for such property interests and the city of New York has consented to  
33 their transfer or acquisition. Under the valuation procedure enacted  
34 herein, those negotiations will be swift and lead to a reasonable price.  
35 It is therefore the intent of the legislature to provide a means that  
36 fairly determines the fair market value of property interests to be  
37 acquired by the authority from the city of New York while at the same  
38 time ensuring that the metropolitan transportation authority be able to  
39 efficiently and cost-effectively deliver capital projects that will  
40 make the subway system more accessible and more reliable. In doing so,  
41 the legislature further finds and declares that it is acting on a matter  
42 of substantial state concern.

43     § 2. Section 1266 of the public authorities law is amended by adding a  
44 new subdivision 12-a to read as follows:

45     12-a. (a) Whenever the authority determines in consultation with the  
46 city of New York that it is necessary to obtain the temporary or perma-  
47 nent use, occupancy, control or possession of vacant or undeveloped or  
48 underutilized but replaceable real property, or any interest therein, or  
49 subsurface real property or any interest therein then owned by the city  
50 of New York for a project in the two thousand fifteen to two thousand  
51 nineteen or the two thousand twenty to two thousand twenty-four approved  
52 capital programs to (i) install one or more elevators to make one or  
53 more subway stations more accessible, (ii) construct or reconstruct an  
54 electrical substation to increase available power to the subway system  
55 to expand passenger capacity or reliability, or (iii) in connection with

1 the capital project to construct four commuter railroad passengers  
2 stations in the borough of the Bronx known as Penn Station access, the  
3 authority upon approval by the board of the metropolitan transportation  
4 authority and upon suitable notice and with the consent of the city of  
5 New York may cause the title to such real property, or any interest  
6 therein, to be transferred to the authority by adding it to the agree-  
7 ment of lease dated June first, nineteen hundred fifty-three, as  
8 amended, renewed and supplemented, authorized by section twelve hundred  
9 three of this article, or may itself acquire title to such property from  
10 the city of New York, and any such transfer or acquisition of real prop-  
11 erty shall be subject to the provisions of subdivision five of section  
12 twelve hundred sixty-six-c of this title. Nothing in this subdivision  
13 shall be deemed to authorize any temporary or permanent transfer or  
14 acquisition of real property, or interest therein, that is dedicated  
15 parkland without separate legislative approval of such alienation.

16 (b) (i) Upon the execution of any transfer or acquisition pursuant to  
17 this subdivision, which shall be final upon the approval by the board of  
18 the metropolitan transportation authority and consent of the city of New  
19 York, the fair market value shall be determined pursuant to this para-  
20 graph. The authority shall make a written offer to pay to the city of  
21 New York the fair market value of the authority's use, occupancy,  
22 control, possession or acquisition of such property. The offer by the  
23 authority shall be based on an appraisal of the value of such property  
24 and a copy of such appraisal shall be included with the offer. Such  
25 appraisal shall be done by an independent New York state licensed or  
26 certified appraiser, who may not be employed by the authority, selected  
27 at random from a panel of appraisers maintained by it for such purpose.  
28 Such appraisal and a second appraisal, if required pursuant to subpara-  
29 graph (ii) of this paragraph, shall consider only the reasonably antic-  
30 ipated lawful use of the property and its zoning designation under the  
31 zoning resolution of the city of New York at the time the authority  
32 notified the city of New York of its determination to use, occupy,  
33 control, possess or acquire such property.

34 (ii) Within thirty days of receipt of the offer by the authority, the  
35 city of New York may accept it, agree with the authority on another  
36 amount, or request a second appraisal by an independent New York state  
37 licensed or certified appraiser, who may not be employed by the city of  
38 New York, selected at random by the city of New York from a panel of  
39 appraisers maintained by it for such purpose. Such second appraisal  
40 shall be completed within thirty days. If the second appraisal produces  
41 an estimate of the fair market value of the property that is greater  
42 than that of the first appraisal, the authority shall have ten days to  
43 increase its offer to such higher amount, otherwise the two appraisers  
44 shall reconcile their valuations and agree on a final valuation within  
45 ten days, which shall be an amount not less than the first appraisal nor  
46 greater than the second appraisal.

47 (c) Nothing in this subdivision shall be construed to affect or limit  
48 the authority's power under subdivision twelve of this section.

49 § 3. This act shall take effect immediately and shall expire and be  
50 deemed repealed on December 31, 2025; provided, however, that the repeal  
51 of this act shall not affect any transfer or acquisition pursuant to all  
52 of the terms of section two of this act that has been approved by the  
53 board of the metropolitan transportation authority before such repeal  
54 date.

1      Section 1. Paragraph (b) of subdivision 9 of section 208 of the tax

9      (a) General. Any term used in this article shall have the same meaning  
10 as when used in a comparable context in the laws of the United States  
11 relating to federal income taxes, unless a different meaning is clearly  
12 required but such meaning shall be subject to the exceptions or modifi-  
13 cations prescribed in this article or by statute. Any reference in this  
14 article to the laws of the United States shall mean the provisions of  
15 the internal revenue code of nineteen hundred eighty-six (unless a  
16 reference to the internal revenue code of nineteen hundred fifty-four is  
17 clearly intended), and amendments thereto, and other provisions of the  
18 laws of the United States relating to federal income taxes, as the same  
19 may be or become effective at any time or from time to time for the  
20 taxable year. Provided however, for taxable years beginning before Janu-

35 clearly intended), and amendments thereto, and other provisions of the  
36 laws of the United States relating to federal income taxes, as the same  
37 may be or become effective at any time or from time to time for the  
38 taxable year, as included and quoted in the appendices (including any  
39 supplements and additions thereto) to this chapter. Provided however,  
40 for taxable years beginning before January first, two thousand twenty-  
41 two, any amendments made to the internal revenue code of nineteen  
42 hundred eighty-six after March first, two thousand twenty shall not  
43 apply to this chapter. (Such quotation of the aforesaid laws of the  
44 United States is intended to make them a part of this chapter and to  
45 avoid constitutional uncertainties which might result if such laws were  
46 merely incorporated by reference. The quotation of a provision of the  
47 internal revenue code or of any other law of the United States in such  
48 appendices shall not necessarily mean that it is applicable or has rele-

46 the legislature that this act would have been enacted even if such  
47 invalid provisions had not been included herein.

41

## ITEM C

42 Section 1. Short title. This act shall be known and may be cited as  
43 the "private activity bond allocation act of 2020".

44 § 2. Legislative findings and declaration. The legislature hereby  
45 finds and declares that the federal tax reform act of 1986 established a  
46 statewide bond volume ceiling on the issuance of certain tax exempt  
47 private activity bonds and notes and, under certain circumstances,  
48 governmental use bonds and notes issued by the state and its public  
49 authorities, local governments, agencies which issue on behalf of local  
50 governments, and certain other issuers. The federal tax reform act

1 establishes a formula for the allocation of the bond volume ceiling  
2 which was subject to temporary modification by gubernatorial executive  
3 order until December 31, 1987. That act also permits state legislatures  
4 to establish, by statute, an alternative formula for allocating the  
5 volume ceiling. Bonds and notes subject to the volume ceiling require an  
6 allocation from the state's annual volume ceiling in order to qualify  
7 for federal tax exemption.

8 It is hereby declared to be the policy of the state to maximize the  
9 public benefit through the issuance of private activity bonds for the  
10 purposes of, among other things, allocating a fair share of the bond  
11 volume ceiling upon initial allocation and from a bond reserve to local  
12 agencies and for needs identified by local governments; providing hous-  
13 ing and promoting economic development; job creation; an economical  
14 energy supply; and resource recovery and to provide for an orderly and  
15 efficient volume ceiling allocation process for state and local agencies  
16 by establishing an alternative formula for making such allocations.

17 § 3. Definitions. As used in this act, unless the context requires  
18 otherwise:

48 Battery Park city authority, the port authority of New York and New  
49 Jersey, the power authority of the state of New York, the dormitory  
50 authority of the state of New York, the New York state housing finance  
51 agency, the state of New York mortgage agency, and any other public  
52 benefit corporation or public authority designated by the governor for  
53 the purposes of this act.

54 12. "Statewide ceiling" means for any calendar year the highest state  
55 ceiling (as such term is used in section 146 of the code) applicable to  
56 New York state.

1       13. "Future allocations" means allocations of statewide ceiling for up  
2 to two future years.

3       14. "Multi-year housing development project" means a project (a) which  
4 qualifies for covered bonds; (b) which is to be constructed over two or  
5 more years and (c) in which at least twenty percent of the dwelling  
6 units will be occupied by persons and families of low income.

7       § 4. Local agency set-aside. A set-aside of statewide ceiling for  
8 local agencies for any calendar year shall be an amount which bears the  
9 same ratio to one-third of the statewide ceiling as the population of  
10 the jurisdiction of such local agency bears to the population of the  
11 entire state. The commissioner shall administer allocations of such  
12 set-aside to local agencies.

13      § 5. State agency set-aside. A set-aside of statewide ceiling for all  
14 state agencies for any calendar year shall be one-third of the statewide  
15 ceiling. The director shall administer allocations of such set-aside to  
16 state agencies and may grant an allocation to any state agency upon  
17 receipt of an application in such form as the director shall require.

18      § 6. Statewide bond reserve. One-third of the statewide ceiling is  
19 hereby set aside as a statewide bond reserve to be administered by the  
20 director.

21      1. Allocation of the statewide bond reserve among state agencies,  
22 local agencies and other issuers. The director shall transfer a portion  
23 of the statewide bond reserve to the commissioner for allocation to and  
24 use by local agencies and other issuers in accordance with the terms of  
25 this section. The remainder of the statewide bond reserve may be allo-  
26 cated by the director to state agencies in accordance with the terms of  
27 this section.

28      2. Allocation of statewide bond reserve to local agencies or other  
29 issuers.

30       (a) Local agencies or other issuers may at any time apply to the  
31 commissioner for an allocation from the statewide bond reserve. Such  
32 application shall demonstrate:

33        (i) that the requested allocation is required under the code for the  
34 interest earned on the bonds to be excluded from the gross income of  
35 bondholders for federal income tax purposes;

36       (ii) that the local agency's remaining unused allocation provided  
37 pursuant to section four of this act, and other issuer's remaining  
38 unused allocation, or any available carryforward will be insufficient  
39 for the specific project or projects for which the reserve allocation is  
40 requested; and

41        (iii) that, except for those allocations made pursuant to section  
42 thirteen of this act to enable carryforward elections, the requested  
43 allocation is reasonably expected to be used during the calendar year,  
44 and the requested future allocation is reasonably expected to be used in  
45 the calendar year to which the future allocation relates.

46       (b) In reviewing and approving or disapproving applications, the  
47 commissioner shall exercise discretion to ensure an equitable distrib-  
48 ution of allocations from the statewide bond reserve to local agencies  
49 and other issuers. Prior to making a determination on such applications,  
50 the commissioner shall notify and seek the recommendation of the presi-  
51 dent and chief executive officer of the New York state housing finance  
52 agency in the case of an application related to the issuance of multi-  
53 family housing or mortgage revenue bonds, and in the case of other  
54 requests, such state officers, departments, divisions and agencies as  
55 the commissioner deems appropriate.

1       (c) Applications for allocations shall be made in such form and  
2 contain such information and reports as the commissioner shall require.

3       (d) On or before September fifteenth of each year, the commissioner  
4 shall publish the total amount of local agency set-aside that has been  
5 recaptured pursuant to section twelve of this act for that year on the  
6 department of economic development's website.

7       3. Allocation of statewide bond reserve to state agencies. The direc-  
8 tor may make an allocation from the statewide bond reserve to any state  
9 agency. Before making any allocation of statewide bond reserve to state  
10 agencies the director shall be satisfied:

11       (a) that the allocation is required under the code for the interest  
12 earned on the bonds to be excluded from the gross income of bondholders  
13 for federal income tax purposes;

14       (b) that the state agency's remaining unused allocation provided  
15 pursuant to section five of this act or any available carryforward will  
16 be insufficient to accommodate the specific bond issue or issues for  
17 which the reserve allocation is requested; and

18       (c) that, except for those allocations made pursuant to section thirteen  
19 of this act to enable carryforward elections, the requested allo-  
20 cation is reasonably expected to be used during the calendar year, and  
21 the requested future allocation is reasonably expected to be used in the  
22 calendar year to which the future allocation relates.

23       § 7. Access to employment opportunities. 1. All issuers shall require  
24 that any new employment opportunities created in connection with indus-  
25 trial or manufacturing projects financed through the issuance of qualifi-  
26 fied small issue bonds shall be listed with the New York state depart-  
27 ment of labor and with the one-stop career center established pursuant  
28 to the federal Workforce Innovation and Opportunity Act (Pub. L. No.  
29 113-128) serving the locality in which the employment opportunities are  
30 being created. Such listing shall be in a manner and form prescribed by  
31 the commissioner. All issuers shall further require that for any new  
32 employment opportunities created in connection with an industrial or  
33 manufacturing project financed through the issuance of qualified small  
34 issue bonds by such issuer, industrial or manufacturing firms shall  
35 first consider persons eligible to participate in the Workforce Inno-  
36 vation and Opportunity Act (Pub. L. No. 113-128) programs who shall be  
37 referred to the industrial or manufacturing firm by one-stop centers in  
38 local workforce investment areas or by the department of labor. Issuers  
39 of qualified small issue bonds are required to monitor compliance with  
40 the provisions of this section as prescribed by the commissioner.

41       2. Nothing in this section shall be construed to require users of  
42 qualified small issue bonds to violate any existing collective bargaining  
43 agreement with respect to the hiring of new employees. Failure on  
44 the part of any user of qualified small issue bonds to comply with the  
45 requirements of this section shall not affect the allocation of bonding  
46 authority to the issuer of the bonds or the validity or tax exempt  
47 status of such bonds.

48       § 8. Overlapping jurisdictions. In a geographic area represented by a  
49 county local agency and one or more sub-county local agencies, the allo-  
50 cation granted by section four of this act with respect to such area of  
51 overlapping jurisdiction shall be apportioned one-half to the county  
52 local agency and one-half to the sub-county local agency or agencies.  
53 Where there is a local agency for the benefit of a village within the  
54 geographic area of a town for the benefit of which there is a local  
55 agency, the allocation of the village local agency shall be based on the  
56 population of the geographic area of the village, and the allocation of

1 the town local agency shall be based upon the population of the  
2 geographic area of the town outside of the village. Notwithstanding the  
3 foregoing, a local agency may surrender all or part of its allocation  
4 for such calendar year to another local agency with an overlapping  
5 jurisdiction. Such surrender shall be made at such time and in such  
6 manner as the commissioner shall prescribe.

7 § 9. Ineligible local agencies. To the extent that any allocation of  
8 the local agency set-aside would be made by this act to a local agency  
9 which is ineligible to receive such allocation under the code or under  
10 regulations interpreting the state volume ceiling provisions of the  
11 code, such allocation shall instead be made to the political subdivision  
12 for whose benefit that local agency was created.

13 § 10. Municipal reallocation. The chief executive officer of any politi-  
14 cal subdivision or, if such political subdivision has no chief execu-  
15 tive officer, the governing board of the political subdivision for the  
16 benefit of which a local agency has been established, may withdraw all  
17 or any portion of the allocation granted by section four of this act to  
18 such local agency. The political subdivision may then reallocate all or  
19 any portion of such allocation, as well as all or any portion of the  
20 allocation received pursuant to section nine of this act, to itself or  
21 any other issuer established for the benefit of that political subdivi-  
22 sion or may assign all or any portion of the allocation received pursu-

25 subdivision, as the case may be, shall notify the commissioner of any  
26 such reallocation.

27 § 11. Future allocations for multi-year housing development projects.  
28 1. In addition to other powers granted under this act, the commissioner  
29 is authorized to make the following future allocations of statewide  
30 ceiling for any multi-year housing development project for which the  
31 commissioner also makes an allocation of statewide ceiling for the  
32 current year under this act or for which, in the event of expiration of  
33 provisions of this act described in section eighteen of this act, an  
34 allocation of volume cap for a calendar year subsequent to such expira-  
35 tion shall have been made under section 146 of the code: (a) to local  
36 agencies from the local agency set-aside (but only with the approval of  
37 the chief executive officer of the political subdivision to which the  
38 local agency set-aside relates or the governing body of a political  
39 subdivision having no chief executive officer) and (b) to other issuers  
40 from that portion, if any, of the statewide bond reserve transferred to  
41 the commissioner by the director. Any future allocation made by the  
42 commissioner shall constitute an allocation of statewide ceiling for the  
43 future year specified by the commissioner and shall be deemed to have  
44 been made on the first day of the future year so specified.

45 2. In addition to other powers granted under this act, the director is  
46 authorized to make future allocations of statewide ceiling from the  
47 state agency set-aside or from the statewide bond reserve to state agen-  
48 cies for any multi-year housing development project for which the direc-

50 under this act or for which, in the event of expiration of provisions of  
51 this act described in section eighteen of this act, an allocation of  
52 volume cap for a calendar year subsequent to such expiration shall have  
53 been made under section 146 of the code, and is authorized to make  
54 transfers of the statewide bond reserve to the commissioner for future  
55 allocations to other issuers for multi-year housing development projects  
56 for which the commissioner has made an allocation of statewide ceiling

1 for the current year. Any such future allocation or transfer of the  
2 statewide bond reserve for future allocation made by the director shall  
3 constitute an allocation of statewide ceiling or transfer of the state-  
4 wide bond reserve for the future years specified by the director and  
5 shall be deemed to have been made on the first day of the future year so  
6 specified.

7 3. (a) If an allocation made with respect to a multi-year housing

9 which the allocation relates, the allocation with respect to the then  
10 current year shall be subject to recapture in accordance with the  
11 provisions of section twelve of this act, and in the event of such a  
12 recapture, unless a carryforward election by another issuer shall have  
13 been approved by the commissioner or a carryforward election by a state  
14 agency shall have been approved by the director, all future allocations  
15 made with respect to such project pursuant to subdivision one or two of  
16 this section shall be canceled.

17 (b) The commissioner and the director shall have the authority to make  
18 future allocations from recaptured current year allocations and canceled  
19 future allocations to multi-year housing development projects in a  
20 manner consistent with the provisions of this act. Any such future allo-  
21 cation shall, unless a carryforward election by another issuer shall  
22 have been approved by the commissioner or a carryforward election by a  
23 state agency shall have been approved by the director, be canceled if  
24 the current year allocation for the project is not used by December 31,  
25 2021.

26 (c) The commissioner and the director shall establish procedures  
27 consistent with the provisions of this act relating to carryforward of  
28 future allocations.

29 4. The aggregate future allocations from either of the two succeeding  
30 years shall not exceed six hundred fifty million dollars for each such  
31 year.

32 § 12. Year end allocation recapture. On or before September first of  
33 each year, each state agency shall report to the director and each local  
34 agency and each other issuer shall report to the commissioner the amount  
35 of bonds subject to allocation under this act that will be issued prior  
36 to the end of the then current calendar year, and the amount of the  
37 issuer's then total allocation that will remain unused. As of September  
38 fifteenth of each year, the unused portion of each local agency's and  
39 other issuer's then total allocation as reported and the unallocated  
40 portion of the set-aside for state agencies shall be recaptured and  
41 added to the statewide bond reserve and shall no longer be available to  
42 covered bond issuers except as otherwise provided herein. From September  
43 fifteenth through the end of the year, each local agency or other issuer  
44 having an allocation shall immediately report to the commissioner and  
45 each state agency having an allocation shall immediately report to the  
46 director any changes to the status of its allocation or the status of  
47 projects for which allocations have been made which should affect the  
48 timing or likelihood of the issuance of covered bonds therefor. If the  
49 commissioner determines that a local agency or other issuer has overes-  
50 timated the amount of covered bonds subject to allocation that will be  
51 issued prior to the end of the calendar year, the commissioner may  
52 recapture the amount of the allocation to such local agency or other  
53 issuer represented by such overestimation by notice to the local agency  
54 or other issuer, and add such allocation to the statewide bond reserve.  
55 The director may likewise make such determination and recapture with  
56 respect to state agency allocations.

1       § 13. Allocation carryforward. 1. No local agency or other issuer  
2 shall make a carryforward election utilizing any unused allocation  
3 (pursuant to section 146(f) of the code) without the prior approval of  
4 the commissioner. Likewise no state agency shall make or file such an  
5 election, or elect to issue or carryforward mortgage credit certif-  
6 icates, without the prior approval of the director.

7       2. On or before November fifteenth of each year, each state agency  
8 seeking unused statewide ceiling for use in future years shall make a  
9 request for an allocation for a carryforward to the director, whose  
10 approval shall be required before a carryforward election is filed by or  
11 on behalf of any state agency. A later request may also be considered by  
12 the director, who may file a carryforward election for any state agency  
13 with the consent of such agency.

14      3. On or before November fifteenth of each year, each local agency or  
15 other issuer seeking unused statewide ceiling for use in future years  
16 shall make a request for an allocation for a carryforward to the commis-  
17 sioner, whose approval shall be required before a carryforward election  
18 is filed by or on behalf of any local or other agency. A later request  
19 may also be considered by the commissioner.

20      4. On or before January fifteenth of each year, the director shall  
21 publish the total amount of unused statewide ceiling from the prior year  
22 on the division of budget's website.

23       § 14. New York state bond allocation policy advisory panel. 1. There  
24 is hereby created a policy advisory panel and process to provide policy

27      2. The panel shall consist of five members, one designee being  
28 appointed by each of the following: the governor, the temporary presi-

30 the senate and the minority leader of the assembly. The designee of the

34 with the panel as provided in this section. The advisory process shall  
35 operate through the issuance of advisory opinions by members of the  
36 panel as provided in subdivisions six and seven of this section. A meet-  
37 ing may be held at the call of the chair with the unanimous consent of  
38 the members.

39      3. (a) Upon receipt of a request for allocation or a request for  
40 approval of a carryforward election from the statewide reserve from a  
41 local agency or other issuer, the commissioner shall, within five work-  
42 ing days, notify the panel of such request and provide the panel with  
43 copies of all application materials submitted by the applicant.

44      (b) Upon receipt of a request for allocation or a request for approval  
45 of carryforward election from the statewide reserve from a state agency,  
46 the director shall, within five working days, notify the panel of such  
47 request and provide the panel with copies of all application materials  
48 submitted by the applicant.

49      4. (a) Following receipt of a request for allocation from a local  
50 agency or other issuer, the commissioner shall notify the panel of a  
51 decision to approve or exclude from further consideration such request,  
52 and the commissioner shall state the reasons. Such notification shall be  
53 made with or after the transmittal of the information specified in  
54 subdivision three of this section and at least five working days before  
55 formal notification is made to the applicant.

1       (b) Following receipt of a request for allocation from a state agency,  
2 the director shall notify the panel of a decision to approve or exclude  
3 from further consideration such request, and shall state the reasons.  
4 Such notification shall be made with or after the transmission of the  
5 information specified in subdivision three of this section and at least  
6 five working days before formal notification is made to the state agen-  
7 cy.

8       5. The requirements of subdivisions three and four of this section  
9 shall not apply to adjustments to allocations due to bond sizing chang-  
10 es.

11       6. In the event that any decision to approve or to exclude from  
12 further consideration a request for allocation is made within ten work-  
13 ing days of the end of the calendar year and in the case of all requests  
14 for consent to a carryforward election, the commissioner or director, as  
15 is appropriate, shall provide the panel with the longest possible  
16 advance notification of the action, consistent with the requirements of  
17 the code, and shall, wherever possible, solicit the opinions of the  
18 members of the panel before formally notifying any applicant of the  
19 action. Such notification may be made by means of telephone communi-  
20 cation to the members or by written notice delivered to the Albany  
21 office of the appointing authority of the respective members.

22       7. Upon notification by the director or the commissioner, any member  
23 of the panel may, within five working days, notify the commissioner or  
24 the director of any policy objection concerning the expected action. If  
25 three or more members of the panel shall submit policy objections in  
26 writing to the intended action, the commissioner or the director shall  
27 respond in writing to the objection prior to taking the intended action  
28 unless exigent circumstances make it necessary to respond after the  
29 action has been taken.

30       8. On or before the first day of July, in any year, the director shall  
31 report to the members of the New York state bond allocation policy advi-  
32 sory panel on the actual utilization of volume cap for the issuance of

41 the calendar year, as well as any recommendations for legislative  
42 action. The director shall publish the report on the division of budg-  
43 et's website concurrently with the release of the report to the panel.

44       § 15. Severability. If any clause, sentence, paragraph, section, or

 10 or classes shall be limited to such one percent increase and the legislative body of such special assessing unit shall alter the current base  
 11 proportion of any or all remaining classes so that the sum of the

 36 the legislative body of such approved assessing unit shall alter the  
 37 current base proportion of either class so that the sum of the current

 47 tion, whichever is appropriate, of the immediately preceding year, by  
 48 more than one percent, provided that such approved assessing unit has  
 49 passed a local law, ordinance or resolution providing therefor. Where  
 50 the computation of current base proportions would otherwise produce such  
 51 result, the current base proportion of such class or classes shall be  
 52 limited to such one percent increase and the legislative body of such

1 approved assessing unit shall alter the current base proportion of  
2 either class so that the sum of the current base proportions equals one.

9 provisions.

13     § 3. This act shall take effect July 1, 2020.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend both the General Municipal Law and the Retirement and Social Security Law to increase the salary used in the computation of the special accidental death benefit by 3% in cases where the date of death was before 2020.

Insofar as this bill would amend the Retirement and Social Security Law, it is estimated that there would be an additional annual cost of approximately \$606,000 above the approximately \$13.6 million current annual cost of this benefit. This cost would be shared by the State of New York and all participating employers of the New York State and Local Police and Fire Retirement System.

This estimate, dated February 24, 2020, and intended for use only during the 2020 Legislative Session, is Fiscal Note No. 2020-57, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

**SUMMARY OF BILL:** This proposed legislation would amend General Municipal Law (GML) Section 208-f(c) to increase certain Special Accidental Death Benefits (SADB) for surviving spouses, dependent children, and certain other individuals (Eligible Beneficiaries) of former uniformed employees of the City of New York and the New York City Health and Hospitals Corporation, and for certain former employees of the Triborough Bridge and Tunnel Authority, who were members of certain New York City Pension Funds or Retirement Systems (NYCRS) and died as a natural

and proximate result of an accident sustained in the performance of duty.

Effective Date: July 1, 2020.

BACKGROUND: Under the GML, the basic SADB is defined as:

The salary of the deceased member at date of death (or, in certain instances, a greater salary based on a higher rank or other status) (Final Salary), less the following payments to an Eligible Beneficiary:

- \* Any NYCRS death benefit as adjusted by any Supplementation or Cost-of-Living Adjustment (COLA),
- \* Any Social Security death benefit, and
- \* Any Workers' Compensation benefit.

The SADB is paid to the deceased member's surviving spouse, if alive. If the spouse is no longer alive, the SADB is paid to the deceased member's children until age eighteen or until age twenty-three if a student. If neither a spouse nor a dependent child is alive, the SADB may be paid to certain other individuals, if eligible, in accordance with certain laws related to the World Trade Center attack.

The GML also provides that the SADB is subject to escalation based on the calendar year in which the former member died. The SADB has traditionally been increased by a cumulative, incremental percentage of Final Salary based on the calendar year of the member's death.

IMPACT ON BENEFITS: With respect to the NYCRS, the proposed legislation would impact the SADB payable to certain survivors of members of the:

- \* New York City Employees' Retirement System (NYCERS),
  - \* New York City Police Pension Fund (POLICE), or
  - \* New York City Fire Pension Fund (FIRE),
- and who were employed by one of the following employers in certain positions:
- \* New York City Police Department - Uniformed Position,
  - \* New York City Fire Department - Uniformed Position,
  - \* New York City Department of Sanitation - Uniformed Position,
  - \* New York City Housing Authority - Uniformed Position,
  - \* New York City Transit Authority - Uniformed Position,
  - \* New York City Department of Correction - Uniformed Position,
  - \* New York City - Uniformed Position as Emergency Medical Technician (EMT),
  - \* New York City Health and Hospitals Corporation - Uniformed Position as EMT, or
  - \* Triborough Bridge and Tunnel Authority - Bridge and Tunnel Position.

Under the proposed legislation, effective July 1, 2020, an additional 3.0% of Final Salary would be applied to the SADB paid due to deaths occurring in each calendar year on and after 1977. The SADB for deaths occurring prior to 1977 would receive the same escalation as deaths occurring in 1977.

FINANCIAL IMPACT - PRESENT VALUES: Based on the Eligible Beneficiaries of deceased NYCRS members who would be impacted by this proposed legislation and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$52.0 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: As a result of the past four decades' practice of providing 3.0% COLAs on the SADB each year, and the likelihood that COLAs will continue to be granted in the future, the Actuary assumes that the SADB benefit will continue to increase 3.0% per year in the future in determining NYCRS employer contributions. Therefore, the costs of this proposed legislation have

already been accounted for and will not result in a further increase in employer contributions. There will, however, be a decrease in employer contributions if the proposed legislation is not enacted.

In accordance with Section 13-638.2(k-2) of the Administrative Code of the City of New York (ACCNY), new Unfunded Accrued Liability to benefit changes are to be amortized as determined by the Actuary, but are generally amortized over the remaining working lifetime of those impacted by the benefit changes. However, since changes in the SADB COLA paid are not known in advance, the decrease in expected pension payments due to this legislation not passing would be treated as an actuarial gain. These actuarial gains would be amortized over a 15-year period (14 payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. This would result in a decrease in NYCRS annual employer contributions of approximately \$6.2 million each year.

**CONTRIBUTION TIMING:** For the purposes of this Fiscal Note, it is assumed that the changes in the PVFB and annual employer contributions if this proposed legislation fails to pass, would be reflected for the first time in the Final June 30, 2021 actuarial valuations of NYCERS, POLICE, and FIRE. In accordance with the OYLM used to determine employer contributions, the decrease in employer contributions would first be reflected in Fiscal Year 2023.

**CENSUS DATA:** The estimates presented herein are based upon the census data for such Eligible Beneficiaries provided by NYCRS.

Retirement System	Number of Deceased Members with Eligible Survivors	Annual Accidental Death Benefit Prior to Proposed July 1, 2019 Increase (\$ Millions)
NYCERS	40	\$ 3.7
POLICE	426	48.6
FIRE	<u>643</u>	<u>77.3</u>
<b>Total</b>	<b>1,109</b>	<b>\$129.6</b>

**ACTUARIAL ASSUMPTIONS AND METHODS:** The changes in the PVFB and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2019 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2021 employer contributions of NYCERS, POLICE, and FIRE.

**RISK AND UNCERTAINTY:** The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS, POLICE and FIRE and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- \* The initial, additional administrative costs of NYCERS, POLICE, and FIRE and other New York City agencies to implement the proposed legislation.

29 confined in its operation to the clause, sentence, paragraph, subdivi-  
30 sion, section, item, subpart or part thereof directly involved in the  
31 controversy in which such judgment shall have been rendered. It is here-  
32 by declared to be the intent of the legislature that this act would have

4 § 4. Article 14 of the election law is amended by adding a new title  
5 II to read as follows:

6 **TITLE II**

7 **PUBLIC FINANCING**

8 Section 14-200. Legislative findings and intent.

9 14-200-a. Definitions.

10 14-201. Political committee registration.

11 14-202. Proof of compliance.

12 14-203. Eligibility.

13 14-204. Limits on public financing.

14 14-205. Payment of public matching funds.

15 14-206. Use of public matching funds; qualified campaign  
expenditures.

16 14-207. Composition, powers, and duties of the public campaign  
finance board.

17 14-208. Audits and repayments.

18 14-209. Enforcement and penalties for violations and other  
proceedings.

19 14-210. Reports.

20 14-211. Debates for candidates for statewide office.

21 14-212. Severability.

22 § 14-200. Legislative findings and intent. The legislature finds that  
23 reform of New York state's campaign finance system is crucial to improv-  
24 ing public confidence in the state's democratic processes and continuing  
25 to ensure a government that is accountable to all of the voters of the  
26 state regardless of wealth or position. The legislature finds that New  
27 York's current system of campaign finance, with its large contributions  
28 to candidates for office and party committees, has created the potential  
29 for and the appearance of corruption. The legislature further finds  
30 that, whether or not this system creates actual corruption, the appear-  
31 ance of such corruption can give rise to a distrust in government and  
32 citizen apathy that undermines the democratic operation of the political  
33 process.

34 The legislature also finds that the high cost of running for office in  
35 New York discourages qualified candidates from running for office and  
36 creates an electoral system that encourages candidates to spend too much  
37 time raising money rather than attending to the duties of their office,  
38 representing the needs of their constituents, and communicating with  
39 voters.

40 The legislature amends this article creating a new title to this arti-  
41 cle to reduce the possibility and appearance that special interests  
42 exercise undue influence over state officials; to increase the actual  
43 and apparent responsiveness of elected officials to all voters; to  
44 encourage qualified candidates to run for office; and to reduce the  
45 pressure on candidates to spend large amounts of time raising large  
46 contributions for their campaigns.

47 The legislature also finds that the system of voluntary public financ-  
48 ing furthers the government's interest in encouraging qualified candi-  
49 dates to run for office. The legislature finds that the voluntary public  
50 funding program will enlarge the public debate and increase partic-  
51 ipation in the democratic process. In addition, the legislature finds  
52 that the voluntary expenditure limitations and matching fund program

1 reduce the burden on candidates and officeholders to spend time raising  
2 money for their campaigns.

3 Therefore, the legislature declares that these amendments further the  
4 important and valid government interests of reducing voter apathy,  
5 building confidence in government, reducing the reality and appearance  
6 of corruption, and encouraging qualified candidates to run for office,  
7 while reducing candidates' and officeholders' fundraising burdens.

- 43 (c) in the case of a covered general or special election, be opposed by another candidate on the ballot who is not a write-in candidate;
- 44 (d) submit a certification in the form of an affidavit, in such form as may be prescribed by the PCFB, that sets forth his or her acceptance of and agreement to comply with the terms and conditions for the provision of such funds in each covered election and such certification shall be submitted at least four months before a primary election and on the last day in which a certification of nomination is filed in a special election pursuant to a schedule promulgated by the PCFB;
- 45 (e) be certified as a participating candidate by the PCFB;
- 46 (f) not make, and not have made, expenditures from or use his or her personal funds or property or the personal funds or property jointly

1 held with his or her spouse, or unemancipated children in connection  
 2 with his or her nomination for election or election to a covered office,  
 3 but may make a contribution to his or her authorized committee in an  
 4 amount that does not exceed three times the applicable contribution  
 5 limit from an individual contributor to candidates for the office that  
 6 he or she is seeking;

7 (g) meet the threshold for eligibility set forth in subdivision two of  
 8 this section;

9 (h) continue to abide by all requirements during the post-election  
 10 period; and

11 (i) not have accepted contributions in amounts exceeding the contrib-  
 12 ution limits set forth for candidates in paragraphs a and b of subdivi-  
 13 sion one of section 14-114 of this article during the election cycle for  
 14 which the candidate seeks certification;

15 (i) Provided however, that, if a candidate accepted contributions  
 16 exceeding such limits, such acceptance shall not prevent the candidate  
 17 from being certified by the PCFB if the candidate in a reasonable time,  
 18 as determined by rule, pays to the fund or returns to the contributor  
 19 the portion of any contribution that exceeded the applicable contrib-  
 20 ution limit.

21 (ii) If the candidate is unable to return such funds in a reasonable  
 22 time, as determined by rule, because they have already been spent,  
 23 acceptance of contributions exceeding the limits shall not prevent the  
 24 candidate from being certified by the PCFB if the candidate submits an  
 25 affidavit agreeing to pay to the fund all portions of any contributions  
 26 that exceeded the limit no later than thirty days before the general  
 27 election. If a candidate provides the PCFB with such an affidavit, any  
 28 disbursement of public funds to the candidate shall be reduced by no  
 29 more than twenty-five percent until the total amount owed by the candi-  
 30 date is repaid.

31 (iii) Nothing in this section shall be interpreted to require a candi-  
 32 date who retains funds raised during any previous election cycle to  
 33 forfeit such funds. Funds raised during a previous election cycle may be  
 34 retained and used by the candidate for the candidate's campaign in the  
 35 next election cycle but funds shall not qualify for satisfying the  
 36 threshold for participating in the public campaign finance program  
 37 established in this title nor shall they be eligible to be matched. The  
 38 PCFB shall adopt regulations to ensure that contributions that would  
 39 satisfy the applicable contribution limits authorized in this title  
 40 shall be transferred into the appropriate campaign account.

41 (iv) Contributions received and expenditures made by the candidate or  
 42 an authorized committee of the candidate prior to the effective date of  
 43 this title shall not constitute a violation of this title. Unexpended  
 44 contributions shall be treated the same as campaign surpluses under  
 45 subparagraph (iii) of this paragraph. Nothing in this recommendation  
 46 shall be construed to limit, in any way, any candidate or public offi-  
 47 cial from expending any portion of pre-existing campaign funds for any  
 48 lawful purpose other than those related to his or her campaign.

49 (v) A candidate who has raised matchable contributions but, in the  
 50 case of a covered primary, general or special election, is not opposed  
 51 by another candidate on the ballot who is not a write-in candidate, or  
 52 who chooses not to accept matchable funds, may retain such contributions  
 53 and apply them in accord with this title to the candidate's next  
 54 campaign, should there be one, in the next election cycle.

55 2. Threshold for eligibility. (a) The threshold for eligibility for  
 56 public funding for participating candidates shall be in the case of:

1       (i) governor, not less than five hundred thousand dollars in contrib-  
 2       utions including at least five thousand matchable contributions shall be  
 3       counted toward this qualifying threshold;

4       (ii) lieutenant governor, attorney general and comptroller, not less  
 5       than one hundred thousand dollars in contributions including at least  
 6       one thousand matchable contributions shall be counted toward this qualifi-  
 7       ying threshold;

8       (iii) state senator, except as otherwise provided in paragraph (c) of  
 9       this subdivision, not less than twelve thousand dollars in contributions  
 10       including at least one hundred fifty matchable contributions shall be  
 11       counted toward this qualifying threshold; and

12       (iv) member of the assembly, except as otherwise provided in paragraph  
 13       (c) of this subdivision, not less than six thousand dollars in contribu-  
 14       tions including at least seventy-five matchable contributions shall be  
 15       counted toward this qualifying threshold.

16       (b) However, solely for purposes of achieving the monetary thresholds  
 17       in paragraph (a) of this subdivision, the first two hundred fifty  
 18       dollars of any contribution of more than two hundred fifty dollars to a  
 19       candidate or a candidate's committee which would otherwise be matchable  
 20       except that it comes from a contributor who has contributed more than  
 21       two hundred fifty dollars to such candidate or candidate's committee, is  
 22       deemed to be a matchable contribution and shall count toward satisfying  
 23       such monetary threshold but shall not otherwise be considered a matcha-  
 24       ble contribution.

25       (c) With respect to the minimum dollar threshold for participating  
 26       candidates for state senate and state assembly, in such districts where  
 27       average median income ("AMI") is below the AMI as determined by the  
 28       United States Census Bureau three years before such election for which  
 29       public funds are sought, such minimum dollar threshold for eligibility  
 30       shall be reduced by one-third. The PCFB shall make public which  
 31       districts are subject to such reduction no later than two years before  
 32       the first primary election for which funding is sought.

33       (d) Any participating candidate meeting the threshold for eligibility  
 34       in a primary election for one of the foregoing offices shall be applied  
 35       to satisfy the threshold for eligibility for such office in any other  
 36       subsequent election held in the same calendar year. Any participating  
 37       candidate who is nominated in a primary election and has participated in  
 38       the public financing program set forth in this title, must participate  
 39       in the general election for such office.

40       § 14-204. Limits on public financing. The following limitations apply  
 41       to the total amounts of public funds that may be provided to a partic-  
 42       ipating candidate's authorized committee for an election cycle:

43       1. In any primary election, receipt of public funds by participating  
 44       candidates and by their participating committees shall not exceed:

(a) for Governor	\$3,500,000
(b) for Lieutenant Governor, Attorney General or Comptroller	\$3,500,000
(c) for State Senator	\$375,000
(d) for Member of the Assembly	\$175,000
2. In any general or special election, receipt of public funds by a participating candidate's authorized committees shall not exceed:	
(a) for Governor and Lieutenant Governor (combined)	\$3,500,000
(b) for Attorney General	\$3,500,000
(c) for Comptroller	\$3,500,000
(d) for State Senator	\$375,000
(e) for Member of the Assembly	\$175,000

1       3. No participating candidate for nomination for an office who is not  
2       opposed by a candidate on the ballot in a primary election shall be  
3       entitled to payment of public matching funds, except that, where there  
4       is a contest in such primary election for the nomination of at least one  
5       of the two political parties with the highest and second highest number  
6       of enrolled members for such office, a participating candidate who is  
7       unopposed in the primary election may receive public funds before the  
8       primary election, for expenses incurred on or before the date of such  
9       primary election, in an amount equal to up to half the sum set forth in  
10      paragraph one of this section.

11      4. Nothing in this section shall be construed to limit the amount of  
12      private funds a candidate may receive subject to the contribution limits  
13      contained in section 14-114 of this article. Any contributions so  
14      received which are not expended in the general election may be applied  
15      to the next covered election for an office for which such candidate  
16      seeks nomination or election.

17      5. A candidate only on the ballot in one or more primary elections in  
18      which the number of persons eligible to vote for party nominees in each  
19      such election totals fewer than one thousand shall not receive public  
20      funds in excess of five thousand dollars for qualified campaign expendi-  
21      tures in such election or elections. For the purposes of this section,  
22      the number of persons eligible to vote for party nominees in a primary  
23      election shall be as determined by the state board of elections for the  
24      calendar year of the primary election. A candidate for office on the  
25      ballot in more than one primary for such office, shall be deemed, for  
26      purposes of this recommendation, to be a single candidate.

27      § 14-205. Payment of public matching funds. 1. Determination of eligi-  
28      bility. No public matching funds shall be paid to an authorized commit-  
29      tee unless the PCFB determines that the participating candidate has met  
30      the eligibility requirements of this title. Payment shall not exceed the  
31      amounts specified in subdivision two of this section, and shall be made  
32      only in accordance with the provisions of this title. Such payment may  
33      be made only to the participating candidate's authorized committee. No  
34      public matching funds shall be used except as reimbursement or payment  
35      for qualified campaign expenditures actually and lawfully incurred or to  
36      repay loans used to pay qualified campaign expenditures.

37      2. Calculation of payment. (a) In any election for a public office to  
38      be voted on by the voters of the entire state or for nomination to any  
39      such office, if the threshold for eligibility is met, the participating  
40      candidate's authorized committee shall receive payment for qualified  
41      campaign expenditures of six dollars of public matching funds for each  
42      one dollar of matchable contributions, obtained and reported to the PCFB  
43      in accordance with the provisions of this title. The maximum payment of  
44      public matching funds shall be limited to the amounts set forth in this  
45      section for the covered election.

46      (b) In any election for state senate or state assembly or for nomi-  
47      nation to any such office, if the threshold for eligibility is met, the  
48      participating candidate's authorized committee shall receive payment for  
49      qualified campaign expenditures for matchable contributions of eligible  
50      private funds per contributor, obtained, and reported to the PCFB here-  
51      in, of: twelve dollars of public matching funds for each of the first  
52      fifty dollars of matchable contributions; nine dollars of public match-  
53      ing funds for each of the next one hundred dollars of public matchable  
54      contributions; and eight dollars for the each of the next one hundred  
55      dollars of public matchable contributions. The maximum payment of public

1 matching funds shall be limited to the amounts set forth in this section  
2 for the covered election.

3 3. Timing of payment. The PCFB shall make any payment of public match-  
4 ing funds to participating candidates as soon as is practicable. But in  
5 all cases, it shall verify eligibility for public matching funds within  
6 four days, excluding weekends and holidays, of receiving a campaign  
7 contribution report filed in compliance with section 14-104 of this  
8 article. Within two days of determining that a candidate for a covered  
9 office is eligible for public matching funds, it shall authorize payment  
10 of the applicable matching funds owed to the candidate. The PCFB shall  
11 schedule at least three payment dates in the thirty days prior to a  
12 covered primary, general, or special election. If any of such payments  
13 would require payment on a weekend or federal holiday, payment shall be  
14 made on the next business day.

15 4. Notwithstanding any provision of this section to the contrary, the  
16 amount of public funds payable to a participating candidate on the  
17 ballot in any covered election shall not exceed one-quarter of the maxi-  
18 mum public funds payment otherwise applicable and no participating  
19 candidate shall be eligible to receive a disbursement of public funds  
20 prior to two weeks after the last day to file designating petitions for  
21 a primary election unless the participating candidate is opposed by a  
22 competitive candidate. The PCFB shall, by regulation, set forth objec-  
23 tive standards to determine whether a candidate is competitive and the  
24 procedures for qualifying for the payment of public funds.

25 5. Electronic funds transfer. The PCFB shall, in consultation with the  
26 office of the comptroller, promulgate rules to facilitate electronic  
27 funds transfers directly from the campaign finance fund into an author-  
28 ized committee's bank account.

29 6. Irregularly scheduled elections. Notwithstanding any other  
30 provision of this title, the PCFB shall promulgate rules to provide for  
31 the prompt issuance of public matching funds to eligible participating  
32 candidates for qualified campaign expenditures in the case of any other  
33 covered election held on a day different from the day originally sched-  
34 uled, including special elections. Provided, however in all cases, the  
35 PCFB shall: (a) within four days, excluding weekends and holidays, of  
36 receiving a report of contributions from a candidate for a covered  
37 office claiming eligibility for public matching funds, verify that  
38 candidate's eligibility for public matching funds; and (b) within two  
39 days of determining that the candidate for a covered office is eligible  
40 for public matching funds, it shall authorize payment of the applicable  
41 matching funds owed to the candidate.

42 § 14-206. Use of public matching funds; qualified campaign expendi-  
43 tures. 1. Public matching funds provided pursuant to this title may be  
44 used only by an authorized committee for expenditures to further the  
45 participating candidate's nomination for election or election, including  
46 paying for debts incurred within one year prior to an election to  
47 further the participating candidate's nomination for election or  
48 election.

49 2. Such public matching funds may not be used for:  
50 (a) an expenditure in violation of any law;  
51 (b) an expenditure in excess of the fair market value of services,  
52 materials, facilities, or other things of value received in exchange;  
53 (c) an expenditure made after the candidate has been finally disquali-  
54 fied from the ballot;

1       (d) an expenditure made after the only remaining opponent of the  
2 candidate has been finally disqualified from the general or special  
3 election ballot;

4       (e) an expenditure made by cash payment;

5       (f) a contribution or loan or transfer made to or expenditure to  
6 support another candidate or political committee or party committee or  
7 constituted committee;

8       (g) an expenditure to support or oppose a candidate for an office  
9 other than that which the participating candidate seeks;

10      (h) gifts, except brochures, buttons, signs, tee shirts and other  
11 printed campaign material;

12      (i) legal fees to defend against a criminal charge;

13      (j) any expenditure made to challenge the validity of any petition of  
14 designation or nomination or any certificate of nomination, acceptance,  
15 authorization, declination, or substitution;

16      (k) payments made to the candidate or a spouse, domestic partner,  
17 child, grandchild, parent, grandparent, brother or sister of the candi-  
18 date or spouse or domestic partner of such child, grandchild, parent,  
19 grandparent, brother or sister, or to a business entity in which the  
20 candidate or any such person has a ten percent or greater ownership  
21 interest;

22      (l) an expenditure made primarily for the purpose of expressly advo-  
23 cating a vote for or against a ballot proposal, other than expenditures  
24 made also to further the participating candidate's nomination for  
25 election or election;

26      (m) payment of any settlement, penalty or fine imposed pursuant to  
27 federal, state or local law;

28      (n) payments made through advances, except in the case of individual  
29 purchases less than two hundred fifty dollars; or

30      (o) expenditures to facilitate, support, or otherwise assist in the  
31 execution or performance of the duties of public office.

32      § 14-207. Composition, powers, and duties of the public campaign  
33 finance board. 1. There shall be a public campaign finance board within  
34 the state board of elections that shall be comprised of the following  
35 commissioners: the four state board of elections commissioners and three  
36 additional commissioners, one jointly appointed by the legislative lead-  
37 ers of one major political party in each house of the legislature, one  
38 jointly appointed by the legislative leaders of the other major poli-  
39 tical party in each house of the legislature, and one of whom shall be  
40 appointed by the governor. Each commissioner must be a New York state  
41 resident and registered voter, and may not currently be, or within the  
42 previous five years have been, an officer of a political party or poli-  
43 tical committee as defined in the election law, or a registered lobby-  
44 ist. The chair of the PCFB shall be designated by the PCFB from among  
45 the three additional commissioners. Each of the three additional commis-  
46 sioners shall receive a per diem of three hundred fifty dollars for work  
47 actually performed not to exceed twenty-five thousand dollars in any one  
48 calendar year. They shall be considered public officers for purposes of  
49 sections seventy-three-a and seventy-four of the public officers law.  
50 The three commissioners so appointed pursuant to this recommendation  
51 will be appointed for a term of five years to commence on July first,  
52 two thousand twenty and may be removed by his or her appointing authori-  
53 ty solely for substantial neglect of duty, gross misconduct in office,  
54 inability to discharge the power or duties of office, after written  
55 notice and opportunity to be heard. During the period of his or her term  
56 as a commissioner appointed hereunder, each such commissioner is barred

1 from making, or soliciting from other persons, any contributions to  
2 candidates for election to the offices of governor, lieutenant governor,  
3 attorney general, comptroller, member of the assembly, or state senator.  
4 Any vacancy occurring on the PCFB shall be filled within thirty days of  
5 its occurrence in the same manner as the member whose vacancy is being  
6 filled was appointed. A person appointed to fill a vacancy occurring  
7 other than by expiration of a term of office shall be appointed for the  
8 unexpired term of the member he or she succeeds. Four members of the  
9 PCFB shall constitute a quorum, and the PCFB shall have the power to act  
10 by majority vote of the total number of members of the commission with-  
11 out vacancy. All members of the PCFB shall be appointed no later than  
12 the first day of July, two thousand twenty and the PCFB shall promulgate  
13 such regulations as are needed no later than the first day of July, two  
14 thousand twenty-one.

15 2. The PCFB and state board of elections may utilize existing state  
16 board of elections staff and hire such other staff as are necessary to  
17 carry out its duties. It may expand its staffing, as needed, to provide  
18 additional candidate liaisons to assist candidates in complying with the  
19 terms of this public campaign finance system as provided for in these  
20 recommendations, as well as auditors, trainers, attorneys, technical  
21 staff and other such staff as the PCFB determines is necessary to admin-  
22 ister this system. Annually, on or before the first of every year, the  
23 PCFB shall submit to the governor and the division of the budget a  
24 request for appropriations for the next state fiscal year to fully  
25 support the administration of the public campaign finance program estab-  
26 lished in this title.

27 3. The PCFB shall develop a program for informing candidates and the  
28 public as to the purpose and effect of the provisions of this title,  
29 including by means of a webpage. The PCFB shall prepare in plain  
30 language and make available educational materials, including compliance  
31 manuals and summaries and explanations of the purposes and provisions of  
32 this title. The PCFB shall provide compliance counseling and guidance to  
33 candidates seeking to participate in public financing as provided for in  
34 this title, as well as to such candidates who participate. The PCFB  
35 shall prepare or have prepared and make available materials, including,  
36 to the extent feasible, computer software, to facilitate the task of  
37 compliance with the disclosure and record keeping requirements of this  
38 title.

39 4. The PCFB shall have the authority to promulgate such rules and  
40 regulations and provide such forms as it deems necessary for the admin-  
41 istration of this title.

42 5. The PCFB shall provide an interactive, searchable computer database  
43 that shall contain all information necessary for the proper adminis-  
44 tration of this title, including information on contributions to and  
45 expenditures by candidates and their authorized committees, independent  
46 expenditures in support or opposition of candidates for covered offices,  
47 and distributions of moneys from the fund. Such database shall be acces-  
48 sible to the public on the PCFB's webpage.

49 6. Any advice provided by PCFB staff to a participating or non partic-  
50 ipating candidate with regard to an action shall be presumptive evidence  
51 that such action, if taken in reliance on such advice, should not be  
52 subject to a penalty or repayment obligation where such candidate or  
53 such candidate's committee has confirmed such advice in writing to such  
54 PCFB staff by registered or certified mail to the correct address, or by  
55 electronic or facsimile transmission with evidence of receipt, describ-  
56 ing the action to be taken pursuant to the advice given and the PCFB or

1 its staff has not responded to such written confirmation within seven  
2 business days disavowing or altering such advice, provided that the  
3 PCFB's response shall be by registered or certified mail to the correct  
4 address, or by electronic or facsimile transmission with evidence of  
5 receipt.

6 7. The PCFB and its proceedings shall be subject to articles six and  
7 seven of the public officers law.

8 8. Notwithstanding any other provision of law including, but not  
9 limited to, subdivision one of section 3-104 of this chapter, the PCFB  
10 shall have sole authority to investigate all referrals and complaints  
11 relating to the administration of the program established hereunder and  
12 violations of any of its provisions, and it shall have sole authority to  
13 administer the program established in this title and to enforce such  
14 provisions of this program except as otherwise provided in this title.

15 9. The PCFB may take such other actions as are necessary and proper to  
16 carry out the purposes of this recommendation.

17 § 14-208. Audits and repayments. 1. Audits. (a) The PCFB shall audit  
18 and examine all matters relating to the proper administration of this  
19 title and shall complete all such audits no later than one and one-half  
20 years after the election in question. This deadline shall not apply in  
21 cases involving potential campaign-related fraud, knowing and willful  
22 violations of this article, or criminal activity.

23 (b) Every participating candidate for statewide office who receives  
24 public funds as provided in this title, and every candidate for any  
25 other office who receives five hundred thousand dollars or greater in  
26 public funds as provided in this title, shall be audited by the PCFB  
27 along with all other candidates in each such race. Such audits shall be  
28 completed within one and one-half years of the election in question.

29 (c) Except as provided in paragraph (b) of this subdivision, the PCFB  
30 shall select not more than one-third of all participating candidates in  
31 covered elections for audit through a lottery which shall be completed  
32 within one year of the election in question. A separate lottery shall be  
33 conducted for each office. The PCFB shall select senate and assembly  
34 districts to be audited, auditing every candidate in each selected  
35 district, while ensuring that the number of audited candidates within  
36 those districts does not exceed fifty percent of all participating  
37 candidates for the relevant office. The lottery for senate and assembly  
38 elections shall be weighted to increase the likelihood that a district  
39 for the relevant office is audited based on how frequently it has not  
40 been selected for auditing during the past three election cycles. The  
41 PCFB shall promulgate rules concerning the method of weighting the  
42 senate and assembly lotteries, including provisions for the first three  
43 election cycles for each office.

44 (d) The cost of complying with a post-election audit shall be borne by  
45 the candidate's authorized committee using public funds, private funds,  
46 or any combination of such funds. Candidates who run in any primary or  
47 general election must maintain a reserve of three percent of the public  
48 funds received to comply with the post-election audit.

49 (e) The PCFB shall issue to each campaign audited a final audit report  
50 that details its findings.

51 2. Repayments. (a) If the PCFB determines that any portion of the  
52 payment made to a candidate's authorized committee from the fund was in  
53 excess of the aggregate amount of payments that such candidate was  
54 eligible to receive pursuant to this title, it shall notify such commit-  
55 tee and such committee shall pay to the PCFB an amount equal to the  
56 amount of excess payments. Such committee shall first utilize the

1 surplus for repayment of such sums and then such other funds as it may  
2 have. Provided, however, that if the erroneous payment was the result of  
3 an error by the PCFB, then the erroneous payment will be deducted from  
4 any future payment, if any, and if no future payment is to be made then  
5 neither the candidate nor the committee shall be liable to repay the  
6 excess amount to the PCFB. The candidate and the candidate's authorized  
7 committee are jointly and severally liable for any repayments to the  
8 PCFB.

9 (b) If the PCFB determines that any portion of the payment made to a  
10 candidate's authorized committee from the fund was used for purposes  
11 other than qualified campaign expenditures and such expenditures were  
12 not approved by the PCFB, it shall notify such committee of the amount  
13 so disqualified and such committee shall pay to the PCFB an amount equal  
14 to such disqualified amount. The candidate, the treasurer, and the  
15 candidate's authorized committee are jointly and severally liable for  
16 any repayments to the PCFB.

17 (c) If the total sum of contributions received and public matching  
18 payments from the fund received by a participating candidate and his or  
19 her authorized committee exceed the total campaign expenditures of such  
20 candidate and authorized committee for all covered elections held in the  
21 same calendar year or for a special election to fill a vacancy, such  
22 candidate and committee shall use such surplus funds to reimburse the  
23 fund for payments received by such authorized committee from the fund  
24 during such calendar year or for such special election. Participating  
25 candidates shall make such payments not later than twenty-seven days  
26 after all liabilities for the election have been paid and in any event,  
27 not later than the day on which the PCFB issues its final audit report  
28 for the participating candidate's authorized committee; provided, howev-  
29 er, that all unspent public campaign funds for a participating candidate  
30 shall be immediately due and payable to the PCFB upon a determination by  
31 the PCFB that the participant has delayed the post-election audit. A  
32 participating candidate may make post-election expenditures with public  
33 funds only for routine activities involving nominal cost associated with  
34 winding up a campaign and responding to the post-election audit. Nothing  
35 in this title shall be construed to prevent a candidate or his or her  
36 authorized committee from using campaign contributions received from  
37 private contributors for otherwise lawful expenditures.

38 3. Rules and regulations. (a) The PCFB shall promulgate regulations  
39 for the certification of the amount of funds payable by the comptroller  
40 from the fund established pursuant to section ninety-two-t of the state  
41 finance law, to a participating candidate that has qualified to receive  
42 such payment. These regulations shall include the promulgation and  
43 distribution of forms on which contributions and expenditures are to be  
44 reported, the periods during which such reports must be filed, and the  
45 verification required. The PCFB shall institute procedures which will  
46 make possible payment by the fund within four business days after  
47 receipt of the required forms and verifications.

48 (b) All rules and regulations promulgated pursuant to this recommenda-  
49 tion shall be promulgated pursuant to the state administrative procedure  
50 act. The PCFB's determinations pursuant to such regulations and these  
51 recommendations shall be deemed final.

52 § 14-209. Enforcement and penalties for violations and other  
53 proceedings. 1. Civil penalties. Violations of any provisions regarding  
54 public campaign financing stated in this title or regulation promulgated  
55 pursuant to this title shall be subject to a civil penalty in an amount  
56 not in excess of fifteen thousand dollars and such other lesser fines as

1 the PCFB may promulgate in regulation. Candidates may contest alleged  
2 failures to file, late reports and reports with noticed deficiencies and  
3 have an opportunity to be heard by the PCFB. The PCFB shall promulgate a  
4 regulation setting forth a schedule of fines for such infractions  
5 including those that it may assess directly on violators. The PCFB  
6 shall investigate referrals and complaints. After investigation, it may  
7 recommend dismissal, settlement, civil action, or referral to law  
8 enforcement. The PCFB may assess penalties and it is authorized to  
9 commence a civil action in court to enforce all penalties and recover  
10 money due.

11 2. Notice of violation and opportunity to be heard. The PCFB shall:

12 (a) determine whether a violation of any provision of this title or  
13 regulation promulgated hereunder has been committed;

14 (b) serve written notice upon each person or entity it has reason to  
15 believe has committed a violation and such written notice shall describe  
16 with particularity the nature of the alleged violation including a writ-  
17 ten reference to a specific law or regulation alleged to have been  
18 violated;

19 (c) provide such person or entity an opportunity to be heard pursuant  
20 to the state administrative procedure act and any regulations of the  
21 PCFB; and

22 (d) if appropriate, assess penalties for violations, following such  
23 notice and opportunity to be heard.

24 3. Criminal conduct. Any person who knowingly and willfully furnishes  
25 or submits false statements or information to the PCFB in connection  
26 with its administration of this title shall be guilty of a misdemeanor  
27 in addition to any other penalty as may be imposed under this chapter or  
28 pursuant to any other law. The attorney general, upon referral from the  
29 PCFB, shall have exclusive authority to prosecute any such criminal  
30 violation. The PCFB shall seek to recover any public matching funds  
31 obtained as a result of such criminal conduct.

32 4. Court proceedings. Proceedings as to public financing brought under  
33 this title shall have preference over all other causes in all courts.

34 (a) The determination of eligibility pursuant to this title and any  
35 question or issue relating to payments for campaign expenditures pursu-  
36 ant to this title may be contested in a proceeding instituted in the  
37 Supreme Court, Albany county by any aggrieved candidate.

38 (b) A proceeding with respect to such a determination of eligibility  
39 or payment for qualified campaign expenditures pursuant to this chapter  
40 shall be instituted within fourteen days after such determination was  
41 made. The PCFB shall be made a party to any such proceeding.

42 (c) Upon the PCFB's failure to receive the amount due from a partic-  
43 ipating candidate or such candidate's authorized committee after the  
44 issuance of written notice of such amount due, as required by this  
45 title, the PCFB is authorized to institute a special proceeding or civil  
46 action in Supreme Court, Albany county to obtain a judgment for any  
47 amounts determined to be payable to the PCFB as a result of an examina-  
48 tion and audit made pursuant to this title or to obtain such amounts  
49 directly from the candidate or authorized committee after a hearing at  
50 the PCFB.

51 (d) The PCFB shall settle or, in its sole discretion, institute a  
52 special proceeding or civil action in Supreme Court, Albany county to  
53 obtain a judgment for civil penalties determined to be payable to the  
54 PCFB pursuant to this title or to impose such penalty directly after a  
55 hearing at the PCFB.

1       § 14-210. Reports. The PCFB shall review and evaluate the effect of  
2 this title upon the conduct of election campaigns and shall submit a  
3 report to the legislature on or before January first, two thousand twenty-five and every second year thereafter, and at any other time upon the  
4 request of the governor and at such other times as the PCFB deems appropriate. These reports shall include:

16 office, and the diversity of candidates seeking and elected to office;  
17 and

18      5. recommendations for further legislative and regulatory enactments,  
19 including changes in contribution limits, thresholds for eligibility,  
20 and any other features of the system.

21      § 14-211. Debates for candidates for statewide office. The PCFB shall  
22 promulgate regulations to facilitate debates among participating candidates  
23 who seek election to statewide office. Participating candidates  
24 are required to participate in one debate before each election for which  
25 the candidate receives public funds, unless the participating candidate  
26 is running unopposed. Nonparticipating candidates may participate in  
27 such debates.

28      § 14-212. Severability. If any clause, sentence, or other portion of  
29 paragraph (c) of subdivision two of section 14-203 of this title be

45      § 5. The state finance law is amended by adding a new section 92-t to  
46 read as follows:

47      § 92-t. New York state campaign finance fund. 1. There is hereby

16 money to pay all claims vouchered by eligible candidates and certified  
17 or approved by the state board of elections, any such deficiency shall  
18 be paid by the state comptroller, from funds deposited in the general  
19 fund of the state not more than four working days after such voucher is  
20 received by the state comptroller.

21 5. Commencing in two thousand twenty-five, if the surplus in the fund  
22 on April first of the year after a year in which a governor is elected  
23 exceeds twenty-five percent of the disbursements from the fund over the  
24 previous four years, the excess shall revert to the general fund of the  
25 state.

26 6. No public funds shall be paid to any participating candidates in a
