49 (1) "Three-year-old maximum apportionment" shall equal the greater of

6 or agencies.

7 § 6. For the 2026-2027 school year, notwithstanding any inconsistent

36 appropriated for the support of public libraries for the year 2026--2027
37 by a chapter of the laws of 2026 enacting the aid to localities budget

45 5. The corporation shall convert to a student loan the full amount of

24 PART G

25 Section 1. Section 97-v of the state finance law, as added by chapter
26 851 of the laws of 1983 and subdivision 3 as amended by chapter 83 of
27 the laws of 1995, is amended to read as follows:

28 § 97-v. New York state [musical instrument revolving] music grant
29 fund. 1. There is hereby established in the custody of the state comp-
30 troller, a special fund to be known as the "New York state [musical
31 instrument revolving] music grant fund".

32 2. The fund shall consist of all monies appropriated for its purpose,
33 all monies transferred to such fund pursuant to law and all monies
34 required by the provisions of this section or any other law to be paid
35 into or credited to this fund, including all monies received by the fund
36 or donated to it. The total of monies deposited as a result of appropri-
37 ations from state funds into this fund shall not exceed the sum of five
38 hundred thousand dollars. Monies in the fund shall be kept separate and
39 shall not be commingled with any other monies otherwise appropriated or
40 received except as hereby provided.

41 3. Monies of the fund, when allocated, shall be available to the New
42 York state council on the arts for the purpose of providing assistance,
43 excluding administrative costs, for [the loan, lease and purchase of
44 musical instruments and other related property and equipment, as herein
45 provided, by] grants to not-for-profit symphony orchestras and/or other
46 not-for-profit musical entities incorporated in the state and organized
47 for the purpose of the presentation of performing arts for the benefit
48 of the public and which have been approved pursuant to guidelines estab-
49 lished by the council. Such monies shall also be available for adminis-
50 trative costs of the council pursuant to approval by the director of the
51 budget. [Notwithstanding any other inconsistent provisions of this chap-
52 ter, should the council determine that there is a compelling need for
53 the loan, lease or purchase of property or equipment other than musical
54 instruments by not-for-profit symphony orchestras and/or other not-for-

1 profit musical entities incorporated in the state and organized for the
2 purpose of the presentation of performing arts for the benefit of the
3 public, and upon approval of the director of the budget, the council may
4 assist such organization in acquiring such equipment in accordance with
5 guidelines established by the council. The council shall contract with
6 one or more not-for-profit entities which shall distribute such monies,
7 however, in no case shall monies of the fund be distributed nor shall a
8 contract to distribute such monies be approved unless the fund shall
9 have sufficient monies to effectuate all such approved distributions and
10 contracts.

11 Purchases, leases and loans of musical instruments and other equipment
12 shall not be approved or effected if such purchases, leases or loans are
13 eligible for financing from any other state assistance program.]

14 4. [The state council on the arts shall establish guidelines necessary
15 to administer the fund. Guidelines shall include, but not be limited to:
16 qualifications and conditions for assistance, which may require public
17 service performances, terms of lease or installment sale payments and
18 finance charges on installment sales at rates of interest which,
19 notwithstanding any other provision of law, shall not be less than three
20 per cent per annum nor more than ten per cent per annum, provisions for
21 insurance of the instrument or other equipment, provisions for necessary
22 security agreement arrangements, and any other terms and conditions the
23 council may require as necessary to properly effectuate the provisions
24 of this section.

25 5. The not-for-profit entity of entities with whom the state council
26 on the arts has contracted pursuant to subdivision three of this section
27 shall enter into contractual arrangements with applicants approved by
28 the council. All contracts must be approved by the state council on the
29 arts and the comptroller prior to the distribution of any monies there-
30 under. Such contracts shall assure that the not-for-profit entity or
31 entities retain title to the instrument or equipment until the
32 provisions and intent of this section are satisfied.

33 6. Notwithstanding any other provisions of law, should a default in
34 payment of monies for the purchase or lease of an instrument or other
35 equipment occur, the council shall so notify the comptroller and the
36 attorney general who shall take such steps as may be necessary. The
37 not-for-profit entity or entities, after such notification is made,
38 shall take steps to effect repossession regardless of whether any note,
39 memorandum, instrument or other writing has been recorded or regardless
40 of whether any other person has notice of such possessory rights to the
41 instrument or equipment. Any contract between the not-for-profit agency
42 or agencies and a not-for-profit symphony orchestra or other musical
43 entity authorized by this article, shall assure the right and provide
44 guarantees for such repossession. Subsequent to the taking of possession
45 of the instrument or equipment, the comptroller or not-for-profit agency
46 or agencies may offer the same for sale at public auction to the highest
47 bidder pursuant to guidelines established by the comptroller.

48 7. The comptroller is authorized to deduct the difference between the
49 purchaser's or lessee's outstanding obligation at the time of the
50 auction provided for in subdivision five of this section, and the amount
51 realized from that auction, after deductions for all necessary and prop-
52 er costs of the auction are made, from any other grant or other assist-
53 ance approved by the council on the arts for that purchaser. The differ-
54 ence deducted by the comptroller and the net amount realized from the
55 auction shall be deposited in the New York state musical instrument
56 revolving fund.

1 8.] Nothing contained herein shall prevent the council from receiving
2 grants, gifts or bequests for the purposes of the fund as defined in
3 this section and depositing them into the fund according to law.

4 [9. The state council on the arts shall provide by September first of
5 each year, to the governor, the temporary president of the senate, the
6 speaker of the assembly, the chairman of the senate finance committee
7 and the chairman of the assembly ways and means committee, a report
8 containing guidelines and amendments established by the state council on
9 the arts and a complete financial statement including, but not limited
10 to, monies allocated, collected, transferred or otherwise paid or cred-
11 ited to the fund. A projected schedule of disbursements, receipts and
12 needs of the fund for the next fiscal year shall be included in each
13 report. In addition, any amendments to the guidelines shall be provided
14 to the above listed individuals within thirty days of their establish-
15 ment by the state council on the arts.

16 10.] 5. No monies shall be payable from this fund, except on the audit
17 and warrant of the comptroller on vouchers certified and submitted by
18 the [chairman of the] state council on the arts.

19 § 2. This act shall take effect immediately.

20 PART H

26 shall obtain a license from the office of children and family services
27 and shall operate in accordance with the terms of such license and the
28 regulations of such office. Initial licenses and subsequent licenses
29 shall be valid for a period of up to [four] six years so long as the
30 provider remains substantially in compliance with applicable law and
31 regulations during such period.

32 § 2. Clause (A) of subparagraph (ii) of paragraph (d) of subdivision 2
33 of section 390 of the social services law, as amended by section 4 of

39 § 3. Paragraphs (a) and (c) of subdivision 3 of section 390-a of the
40 social services law, as amended by section 7 of part H of chapter 56 of
41 the laws of 2019, are amended to read as follows:

42 (a) The office of children and family services shall promulgate regu-

45 contact with children, of family day care homes, group family day care
46 homes, school-age child care programs and child day care centers to
47 receive pre-service and annual training, as applicable. [Provided howev-
48 er that such providers shall be required to receive thirty hours of
49 training every two years; provided, however, any individual or provider
50 who is already in compliance with this subdivision, prior to the effec-
51 tive date of the chapter of the laws of two thousand nineteen that
52 amended this subdivision, shall only be required to complete any addi-
53 tional federal training requirements which they have not already
54 completed in order to be deemed in compliance with this subdivision.

1 Fifteen hours of such training must be received within the first six
2 months of the initial licensure, registration or employment. Such train-
3 ing requirements shall also apply to any volunteer in such day care
4 homes, programs or centers who has the potential for regular and
5 substantial contact with children. The thirty hours of training
6 required during the first biennial cycle after initial licensure or
7 registration shall include training received while an application for
8 licensure or registration pursuant to section three hundred ninety of
9 this title is pending.] The office of children and family services may
10 provide this training through purchase of services.

11 (c) For the [thirty hours of biennial] training required after the
12 initial period of licensure or registration, each provider who can
13 demonstrate basic competency shall determine in which of the specified
14 topics [he or she] such provider needs further study, based on the
15 provider's experience and the needs of the children in the provider's
16 care, subject to approval by the office of children and family services.

17 § 4. This act shall take effect one year after it shall have become a
18 law.

19 PART I

20 Section 1. Subdivision 6 of section 374 of the social services law, as
21 amended by chapter 305 of the laws of 2008, is amended to read as
22 follows:

23 6. (a) An authorized agency, as defined in paragraphs (a) and (c) of
24 subdivision ten of section three hundred seventy-one of this title, may
25 charge or accept a fee or other compensation to or from a person or
26 persons with whom it has placed out a child, for the reasonable and
27 necessary expenses of such placement; and no agency, association, corpo-
28 ration, institution, society or organization, except such an authorized
29 agency, and no person may or shall request, accept or receive any
30 compensation or thing of value, directly or indirectly, in connection
31 with the placing out or adoption of a child or for assisting a birth
32 parent, relative or guardian of a child in arranging for the placement
33 of the child for the purpose of adoption; and no person may or shall pay
34 or give to any person or to any agency, association, corporation, insti-
35 tution, society or organization, except such an authorized agency, any
36 compensation or thing of value in connection with the placing out or
37 adoption of a child or for assisting a birth parent, relative or guardi-
38 an of a child in arranging for the placement of the child for the
39 purpose of adoption. The prohibition set forth in this section applies
40 to any adoptive placement activity involving a child born in New York
41 state or brought into this state or involving a New York resident seek-
42 ing to bring a child into New York state for the purpose of adoption.

43 (b) This subdivision shall not be construed to prevent the payment of
44 salaries or other compensation by an authorized agency to the officers
45 or employees thereof; nor shall it be construed to prevent the payment
46 by a person with whom a child has been placed out of reasonable and
47 actual medical fees or hospital charges for services rendered in
48 connection with the birth of such child or of other necessary expenses
49 incurred by the birth mother in connection with or as a result of her
50 pregnancy or the birth of the child, or of reasonable and actual nurs-
51 ing, medical or hospital fees for the care of such child, if such
52 payment is made to the physician, nurse or hospital who or which
53 rendered the services or to the birth mother of the child, or to prevent
54 the receipt of such payment by such physician, nurse, hospital or birth

1 mother. This subdivision shall not be construed to prevent the payment
2 by an adoptive parent, as defined in section one hundred nine of the
3 domestic relations law, of the birth mother's reasonable and actual
4 expenses for housing, maternity clothing, clothing for the child and
5 transportation for a reasonable period not to exceed [sixty] one hundred
6 eighty days prior to the birth and the later of [thirty] forty-five days
7 after the birth or [thirty] forty-five days after the parental consent
8 to the adoption, unless a court determines, in writing, that [excep-
9 tional] circumstances exist which require the payment of the birth moth-
10 er's expenses beyond the time periods stated in this sentence. This
11 subdivision shall not be construed to prevent the payment by an adoptive
12 parent, as defined in section one hundred nine of the domestic relations
13 law, of reasonable and actual legal fees charged for consultation and
14 legal advice, preparation of papers and representation and other legal
15 services rendered in connection with an adoption proceeding or of neces-
16 sary disbursements incurred for or in an adoption proceeding. No attor-
17 ney or law firm shall serve as the attorney for, or provide any legal
18 services to both the birth parent and adoptive parent in regard to the

20 attorney or law firm shall serve as the attorney for, or provide any
21 legal services to, both an authorized agency and adoptive parent or both

23 provides adoption services to such birth parent or adoptive parent,
24 where the authorized agency provides foster care for the child, or where
25 the authorized agency is directly or indirectly involved in the placing
26 out of such child for adoption.

27 § 2. This act shall take effect on the thirtieth day after it shall
28 have become a law. Effective immediately, the addition, amendment and/or
29 repeal of any rule or regulation necessary for the implementation of
30 this act on its effective date are authorized to be made and completed
31 on or before such effective date.

PART J

33 Section 1. Subdivision 6 of section 3502 of the public health law, as
34 added by chapter 313 of the laws of 2018, subparagraph (i) of paragraph
35 (a) as amended by chapter 486 of the laws of 2022, and subparagraphs
36 (ii) and (iii) of paragraph (a), paragraph (b), subparagraphs (i), (ii),
37 (iii) and (v) of paragraph (c), paragraph (e), and the opening paragraph
38 and subparagraphs (i) and (ii) of paragraph (f) as amended by section 1
39 of part LL of chapter 56 of the laws of 2023, is amended to read as
40 follows:

41 6. (a) (i) Notwithstanding the provisions of this section or any other
42 provision of law, rule or regulation to the contrary, licensed practi-
43 tioners, persons licensed under this article and unlicensed personnel
44 employed at a local correctional facility or secure or specialized
45 secure detention facility may, in a manner permitted by the regulations
46 promulgated pursuant to this subdivision, utilize body imaging scanning
47 equipment that applies ionizing radiation to humans for purposes of
48 screening incarcerated individuals committed to such local correctional
49 facility, or individuals detained in or committed to, visiting or
50 employed in a secure or specialized secure detention facility, in
51 connection with the implementation of such facility's security program.

52 (ii) Notwithstanding the provisions of this section or any other
53 provision of law, rule or regulation to the contrary, licensed practi-
54 tioners, persons licensed under this article and unlicensed personnel

1 employed at a state correctional facility or facility for youth placed
2 with or committed to the office of children and family services may, in
3 a manner permitted by the regulations promulgated pursuant to this
4 subdivision, utilize body imaging scanning equipment that applies ioniz-
5 ing radiation to humans for purposes of screening individuals detained
6 in, committed to, visiting, or employed in such facility, in connection
7 with the implementation of such facility's security program.

8 (iii) The utilization of such body imaging scanning equipment shall be
9 in accordance with regulations promulgated by the department, or for
10 local correctional facilities in cities having a population of two
11 million or more, such utilization shall be in accordance with regu-
12 lations promulgated by the New York city department of health and mental
13 hygiene. The state commission of correction, in consultation with the
14 department of corrections and community supervision and the office of
15 children and family services, shall promulgate regulations establishing
16 when body imaging scanning equipment will be used to screen visitors and
17 [incarcerated] individuals detained in or committed to state correction-
18 al facilities, secure or specialized secure detention facilities, or
19 facilities for youth placed with or committed to the office of children
20 and family services. Such regulations shall include provisions estab-
21 lishing that alternative methods of screening may be used to accommodate
22 individuals who decline or are unable to be screened by body imaging
23 scanning equipment for medical reasons and that alternative methods of
24 screening may be used to accommodate individuals who decline to be
25 screened for other reasons, unless security considerations warrant
26 otherwise. Such regulations shall also ensure that no person shall be
27 subjected to any form of harassment, intimidation, or disciplinary
28 action for choosing to be searched by an alternative method of screening
29 in lieu of body imaging scanning.

30 The department of corrections and community supervision and the office
31 of children and family services shall promulgate regulations establish-

34 office of children and family services, provided, however that such
35 regulations shall be consistent with the policies and procedures of the
36 department of corrections and community supervision and the office of
37 children and family services governing the search of employees. Such
38 regulations shall include provisions establishing that alternative meth-
39 ods of screening may be used to accommodate individuals who decline or
40 are unable to be screened by body imaging scanning equipment for medical
41 or other reasons. Such regulations shall also ensure that no person
42 shall be subjected to any form of harassment, intimidation, or discipli-
43 nary action for choosing to be searched by an alternative method of
44 screening in lieu of body imaging scanning. An employee's request to be
45 searched by an alternative method of screening in lieu of body imaging
46 scanning shall not, in itself, be grounds for disciplinary action
47 against such employee.

48 (b) Prior to establishing, maintaining or operating any body imaging
49 scanning equipment in a state or local correctional facility, [any body
50 imaging scanning equipment] secure or specialized secure detention
51 facility, or facility for youth placed with or committed to the office

2 graph (a) of this subdivision shall include, but not be limited to:

3 (i) A requirement that prior to operating body imaging scanning equip-

12 (ii) Limitations on exposure which shall be no more than fifty percent
13 of the annual exposure limits for non-radiation workers as specified by
14 applicable regulations, except that individuals under the age of eigh-
15 teen shall not be subject to more than five percent of such annual expo-
16 sure limits, and pregnant [women] persons shall not be subject to such
17 scanning at any time. Procedures for identifying pregnant [women]
18 persons shall be set forth in the regulations;

19 (iii) Registration with the department of each body imaging scanning
20 machine purchased or installed at a state or local correctional
21 facility, secure or specialized secure detention facility, or facility
22 for youth placed with or committed to the office of children and family
23 services;

24 (iv) Inspection and regular reviews of the use of body imaging scan-
25 ning equipment by the department or the New York city department of
26 health and mental hygiene, as applicable; and

27 (v) A requirement that records be kept regarding each use of body

45 services in consultation with the state commission of correction pursu-

47 law.

48 (v) "Facility for youth placed with or committed to the office of
49 children and family services" shall mean a facility operated pursuant to
50 section five hundred four of the executive law.

51 (f) Any local government agency that utilizes body imaging scanning
52 equipment in a local correctional, or secure or specialized secure
53 detention facility under its jurisdiction shall submit an annual report
54 to the department, the speaker of the assembly, and the temporary presi-
55 dent of the senate. If body imaging scanning equipment is utilized in
56 one or more state correctional facilities or facilities for youth placed

1 with or committed to the office of children and family services, the
2 department of corrections and community supervision or the office of
3 children and family services, as applicable, shall submit an annual
4 report to the department, the speaker of the assembly, and the temporary

37 it shall have become a law; provided, however, that the amendments to
38 subdivision 6 of section 3502 of the public health law made by section

40 shall be deemed repealed therewith. Effective immediately, the addition,
41 amendment and/or repeal of any rule or regulation necessary for the
42 implementation of this act on its effective date are authorized to be
43 made and completed on or before such effective date.

25 of competent jurisdiction that may be appropriate or necessary to deter-
26 mine whether any owner of record or owner of a substantial interest in
27 the eligible building or entity owning the eligible building or sponsor-
28 ing the eligible construction has harassed or unlawfully evicted tenants
29 as described in this subparagraph.

30 (7) Notwithstanding the provisions of any general, special, or local
31 law to the contrary, the local housing agency may require by rules,
32 regulations, and guidance documents that an application for a certifi-
33 cate of eligibility and reasonable cost be filed electronically.

34 (8) The local housing agency may require an applicant to demonstrate
35 compliance with the housing maintenance code. If hazardous or immediate-
36 ly hazardous violations exist, the local housing agency may require the
37 applicant to remediate such violations and may impose a penalty in an
38 amount set forth in rules, regulations, and guidance documents if the
39 applicant fails to clear the violation.

40 (e) Additional requirements for an eligible rental building other than
41 one owned and operated by a limited-profit housing company. In addition
42 to all other conditions of eligibility for rehabilitation program bene-
43 fits set forth in this subdivision, an eligible rental building, other
44 than one owned and operated by a limited-profit housing company, shall
45 also comply with all provisions of this paragraph. Notwithstanding the
46 foregoing, an eligible rental building that is the recipient of substan-
47 tial governmental assistance shall not be required to comply with the
48 provisions of subparagraph two of this paragraph.

49 (1) Notwithstanding any provision of rent regulation to the contrary,
50 any market rental unit within such eligible rental building subject to
51 rent regulation as of the filing date of the application for a certifi-
52 cate of eligibility and reasonable cost and any affordable rental unit
53 within such eligible rental building shall be subject to rent regulation
54 until such unit first becomes vacant after the expiration of the
55 restriction period at which time such unit, unless it would be subject
56 to rent regulation for reasons other than the provisions of this subdi-

1 vision, shall be deregulated, provided, however, that during the
2 restriction period, no exemption or exclusion from any requirement of
3 rent regulation shall apply to such dwelling units.

4 (2) Additional requirements for an eligible rental building that is
5 not a recipient of substantial governmental assistance.

6 (A) Not less than fifty percent of the dwelling units in such eligible
7 rental building shall be designated as affordable rental units.

8 (B) The owner of such eligible rental building shall ensure that no
9 affordable rental unit is held off the market for a period that is long-
10 er than reasonably necessary.

11 (C) The owner of such eligible rental building shall waive the
12 collection of any major capital improvement rent increase granted by the
13 New York state division of housing and community renewal pursuant to
14 rent regulation that is attributable to eligible construction for which
15 such eligible rental building receives rehabilitation program benefits,
16 and shall file a declaration with the New York state division of housing
17 and community renewal providing such waiver. The local housing agency
18 shall not require an owner to file such waiver until the application for
19 rehabilitation program benefits has been approved.

20 (D) An affordable rental unit shall not be rented on a temporary,
21 transient or short-term basis. Every lease and renewal thereof for an
22 affordable rental unit shall be for a term of one or two years, at the
23 option of the tenant, and shall include a notice in at least twelve-
24 point type informing such tenant of their rights pursuant to this subdi-
25 vision, including an explanation of the restrictions on rent increases
26 that may be imposed on such affordable rental unit.

27 (E) The local housing agency may establish by rules, regulations, and
28 guidance documents such requirements as the local housing agency deems
29 necessary or appropriate for designating affordable rental units,
30 including, but not limited to, designating the unit mix and distribution
31 requirements of such affordable rental units in an eligible building.

32 (3) The owner of such eligible rental building shall not engage in or
33 cause any harassment of the tenants of such eligible rental building or
34 unlawfully evict any such tenants during the restriction period.

35 (4) No dwelling units within such eligible rental building shall be
36 converted to cooperative or condominium ownership during the restriction
37 period.

38 (5) Any non-compliance of an eligible rental building with the
39 provisions of this paragraph shall permit the local housing agency to
40 take the following action:

41 (A) extend the restriction period;

42 (B) increase the number of affordable rental units in such eligible
43 rental building;

44 (C) impose a penalty of not more than the product of one thousand
45 dollars per instance of non-compliance and the number of dwelling units
46 contained in such eligible rental building; and

47 (D) terminate or revoke any rehabilitation program benefits in accord-
48 ance with paragraph (m) of this subdivision.

49 (f) Compliance with applicable law. Rehabilitation program benefits
50 shall not be allowed for any eligible building unless and until such
51 eligible building complies with all applicable provisions of law. Reha-
52 bilitation program benefits shall not be allowed if the local housing
53 agency determines that eligible construction was not carried out in
54 conformity with all applicable provisions of law.

55 (g) Tenant notification. Notwithstanding any provision of this section
56 to the contrary, no rehabilitation program benefits shall be granted for

1 any eligible construction with a commencement date on or after the
2 effective date of this subdivision unless the applicant provides to
3 tenants, if any, of such eligible building not more than one hundred
4 eighty days nor less than thirty days prior to the commencement date,
5 notice of the following information:

6 (1) The proposed work;

7 (2) The identity and contact information of the eligible building's
8 representative; and

9 (3) The tenants' rights under applicable law with respect to such
10 work; provided that, in the case of a loan program supervised by the
11 local housing agency, such agency may provide the required notice to the
12 tenants.

13 (h) Notice of intent. An applicant for rehabilitation program benefits
14 for any eligible construction with a commencement date on or after the
15 effective date of this subdivision shall file with the local housing
16 agency a form supplied by such agency which:

17 (1) States an intention to file for rehabilitation program benefits;

18 (2) Describes the work for which rehabilitation program benefits will
19 be claimed;

20 (3) Estimates the cost of such work which will be eligible for reha-
21 bilitation program benefits; and

22 (4) Provides proof of the notice required under paragraph (g) of this
23 subdivision. Such form shall be filed prior to the commencement date. If
24 the scope of such work or the estimated cost thereof changes materially,
25 such applicant shall file a revised notice of intent. An applicant who
26 fails to comply with the requirements of this subdivision shall be
27 subject to a penalty not to exceed one hundred percent of the filing fee
28 otherwise payable pursuant to subparagraph three of paragraph (d) of
29 this subdivision.

30 (i) Implementation of rehabilitation program benefits. Upon issuance
31 of a certificate of eligibility and reasonable cost and payment of
32 outstanding fees, the local housing agency shall be authorized to trans-
33 mit such certificate of eligibility and reasonable cost to the local
34 agency responsible for real property tax assessment. Upon receipt of a
35 certificate of eligibility and reasonable cost, the local agency respon-
36 sible for real property tax assessment shall certify the amount of taxes
37 to be abated pursuant to paragraph (b) of this subdivision and pursuant
38 to such certificate of eligibility and reasonable cost provided by the
39 local housing agency.

40 (j) Outstanding taxes and charges. Rehabilitation program benefits
41 shall not be allowed for an eligible building in either of the following
42 cases:

43 (1) there are outstanding real estate taxes or water and sewer charges
44 or payments in lieu of taxes that are due and owing as of the last day
45 of the tax period preceding the date of the receipt of the certificate
46 of eligibility and reasonable cost by the local agency responsible for
47 real property tax assessment; or

48 (2) real estate taxes or water and sewer charges due at any time
49 during the authorized term of such benefits remain unpaid for one year
50 after the same are due and payable.

51 (k) Additional limitations on eligibility. (1) Rehabilitation program
52 benefits shall not be allowed for any eligible building receiving tax
53 exemption or abatement concurrently for rehabilitation or new
54 construction under any other provision of state or local law or ordi-
55 nance, including any other subdivision of this section, with the excep-
56 tion of any eligible construction to an eligible building receiving a

1 tax exemption or abatement under the provisions of the private housing
2 finance law;

3 (2) Rehabilitation program benefits shall not be allowed for any item
4 of eligible construction in an eligible building if such eligible build-
5 ing is receiving tax exemption or abatement for the same or a similar
6 item of eligible construction as of the December thirty-first preceding
7 the date of application for a certificate of eligibility and reasonable
8 cost for such rehabilitation program benefits;

9 (3) Where the eligible construction includes or benefits a portion of
10 an eligible building that is not occupied for dwelling purposes, the
11 assessed valuation of such eligible building and the cost of the eligi-
12 ble construction shall be apportioned so that rehabilitation program
13 benefits shall not be provided for eligible construction made for other
14 than dwelling purposes; and

15 (4) Rehabilitation program benefits shall not be applied to abate the
16 taxes upon the land portion of real property, which shall continue to be
17 taxed based upon the assessed valuation of the land and the applicable
18 tax rate at the time such taxes are levied.

19 (1) Re-inspection penalty. If the local housing agency cannot verify
20 the eligible construction claimed by an applicant upon the first
21 inspection by the local housing agency of the eligible building, such
22 applicant shall be required to pay ten times the actual cost of any
23 additional inspection needed to verify such eligible construction.

24 (m) Strict liability for inaccurate applications. If the local housing
25 agency determines that an application for a certificate of eligibility
26 and reasonable cost contains a material misstatement of fact or omission
27 of fact, the local housing agency may reject such application and bar
28 the submission of any other application pursuant to this subdivision
29 with respect to such eligible building for a period not to exceed three
30 years. An applicant shall not be relieved from liability under this
31 paragraph because it submitted its application under a mistaken belief
32 of fact. Furthermore, any person or entity that files more than six
33 applications containing such a material misstatement of fact or omission
34 of fact within any twelve-month period shall be barred from submitting
35 any new application for rehabilitation program benefits on behalf of any
36 eligible building for a period not to exceed five years.

37 (n) False statements. Any person who shall knowingly and willfully
38 make any false statement or omission as to any material matter in any
39 application for a certificate of eligibility and reasonable cost shall
40 be guilty of an offense punishable by a fine of not more than five
41 hundred dollars, or imprisonment for not more than ninety days, or both.

42 (o) Investigatory authority. The local housing agency may require such
43 certifications and consents necessary to access records, including other
44 tax records, as may be deemed appropriate to enforce the eligibility
45 requirements of this subdivision. For purposes of determining and certi-
46 fying eligibility for rehabilitation program benefits and the reasonable
47 cost of any eligible construction, the local housing agency shall be
48 authorized to:

49 (1) administer oaths to and take the testimony of any person, includ-
50 ing, but not limited to, the owner of such eligible building;

51 (2) issue subpoenas requiring the attendance of such persons and the
52 production of any bills, books, papers or other documents as it may deem
53 necessary;

54 (3) make preliminary estimates of the maximum reasonable cost of such
55 eligible construction;

1 (4) establish maximum allowable costs of specified units, fixtures or
2 work in such eligible construction;

3 (5) require the submission of plans and specifications of such eligi-
4 ble construction before the commencement thereof;

5 (6) require physical access to inspect the eligible building; and

6 (7) on an annual basis, require the submission of leases for any
7 dwelling unit in a building granted a certificate of eligibility and
8 reasonable cost.

9 (p) Termination or revocation. Failure to comply with the provisions
10 of this subdivision, any rules, regulations, and guidance documents
11 promulgated thereunder, or any mutual company regulatory agreement or
12 mutual redevelopment company regulatory agreement entered into there-
13 under, may result in termination or revocation of any rehabilitation
14 program benefits retroactive to the commencement thereof. Such termi-
15 nation or revocation shall not exempt such eligible building from
16 continued compliance with the requirements of this subdivision, such
17 rules, regulations, and guidance documents, and such mutual company
18 regulatory agreement or mutual redevelopment company regulatory agree-
19 ment.

20 (q) Criminal liability for unauthorized uses. In the event that any
21 recipient of rehabilitation program benefits uses any dwelling unit in
22 such eligible building in violation of the requirements of any rules and
23 regulations promulgated pursuant to this subdivision, such recipient
24 shall be guilty of an unclassified misdemeanor punishable by a fine in
25 an amount equivalent to double the value of the gain of such recipient
26 from such unlawful use or imprisonment for not more than ninety days, or
27 both.

28 (r) Private right of action. Any prospective, present, or former
29 tenant of an eligible rental building may sue to enforce the require-
30 ments and prohibitions of this subdivision, or any rules and regulations
31 promulgated thereunder, in the supreme court of New York. Any such indi-
32 vidual harmed by reason of a violation of such requirements and prohibi-
33 tions may sue therefor in the supreme court of New York on behalf of
34 themselves, and shall recover threefold the damages sustained and the
35 cost of the suit, including a reasonable attorney's fee. The local hous-
36 ing agency may use any court decision under this paragraph that is
37 adverse to the owner of an eligible building as the basis for further
38 enforcement action. Notwithstanding any other provision of law, an
39 action by a tenant of an eligible rental building under this paragraph
40 shall be commenced within six years from the date of the latest
41 violation.

42 (s) Appointment of receiver. In addition to the remedies for non-com-
43 pliance provided for in subparagraph five of paragraph (e) of this
44 subdivision, the local housing agency may make application for the
45 appointment of a receiver in accordance with the procedures contained in
46 applicable rules, regulations, and guidance documents of the local hous-
47 ing agency. Any receiver appointed pursuant to this paragraph shall be
48 authorized, in addition to any other powers conferred by law, to effect
49 compliance with the provisions of this subdivision and rules, regu-
50 lations, and guidance documents of the local housing agency. Any expend-
51 itures incurred by the receiver to effect such compliance shall consti-
52 tute a debt of the owner and a lien upon the property, and upon the
53 rents and income thereof, in accordance with the procedures contained in
54 such rules, regulations, and guidance documents. The local housing agen-
55 cy in its discretion may provide funds to be expended by the receiver,

1 and such funds shall constitute a debt recoverable from the owner in
2 accordance with applicable local laws or ordinances.

3 (t) Reporting. No later than two years after the effective date of
4 this subdivision, and annually thereafter, the local housing agency, in
5 consultation with the department of finance, shall submit to the mayor
6 and the speaker of the council and post on its website a report on the
7 actions by the local housing agency in the preceding fiscal year related
8 to rehabilitation program benefits. Such report shall include, but not
9 be limited to:

10 (1) The total amount of the rehabilitation program benefits approved
11 for each eligible building, the number of eligible buildings in each
12 community district, neighborhood tabulation area, council district, New
13 York state assembly district, and New York state senate district, the
14 building classification, in accordance with section three hundred two of
15 the New York city building code, of each such eligible building, the
16 number of dwelling units in each such eligible building, and the number
17 of qualifying rental units in each such eligible building; and

18 (2) The number of eligible buildings whose rehabilitation program
19 benefits were terminated or revoked and the number of eligible buildings
20 against which actions were taken, pursuant to clauses (A), (B) and (C)
21 of subparagraph five of paragraph (e) of this subdivision, to address
22 noncompliance with the provisions of such subdivision, and the street
23 address of each such eligible building.

24 (u) Updates to the certified reasonable cost schedule. When updating
25 the certified reasonable cost schedule, the local housing agency shall
26 consider the factors such agency deems relevant, such as the require-
27 ments imposed on eligible buildings by local law, including, but not
28 limited to, articles three hundred two, three hundred twenty and three
29 hundred twenty-one of chapter three of title twenty-eight of the admin-
30 istrative code of the city of New York, and the effects of inflation on
31 such costs since the prior date the certified reasonable cost schedule
32 was updated. The local housing agency shall publish the certified
33 reasonable cost schedule on its website.

34 § 2. This act shall take effect immediately.

35 PART P

36 Section 1. The penal law is amended by adding a new section 241.07 to
37 read as follows:

38 § 241.07 Aggravated harassment of a rent regulated tenant.

39 An owner is guilty of aggravated harassment of a rent regulated tenant
40 when:

41 1. With intent to induce two or more rent regulated tenants occupying
42 different housing accommodations in two or more residential buildings to
43 vacate such housing accommodations, such owner intentionally engages in
44 a systematic ongoing course of conduct that:

45 (a) impairs the habitability of such housing accommodations; or

46 (b) creates or maintains a condition which endangers the safety or
47 health of one or more of the dwellings' rent regulated tenants; or

48 (c) is reasonably likely to interfere with or disturb, and does inter-
49 fere with or disturb, the comfort, repose, peace or quiet of one or more
50 of such rent regulated tenants in their use and occupancy of such hous-
51 ing accommodation including, but not limited to, the interruption or
52 discontinuance of essential services.

53 2. Such owner commits the crime of harassment of a rent regulated
54 tenant in the first degree as defined in section 241.05 of this article

1 and has previously been convicted within the preceding five years of
2 such crime.

3 The good faith commencement and pursuit of a lawful eviction action by
4 an owner against a rent regulated tenant in a court of competent juris-
5 isdiction shall not, by itself, constitute a "systematic ongoing course of
6 conduct" in violation of paragraph (c) of subdivision one of this
7 section.

8 Aggravated harassment of a rent regulated tenant is a class D felony.

9 § 2. This act shall take effect on the ninetieth day after it shall
10 have become a law.

11 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
12 sion, section or part of this act shall be adjudged by any court of
13 competent jurisdiction to be invalid, such judgment shall not affect,
14 impair, or invalidate the remainder thereof, but shall be confined in
15 its operation to the clause, sentence, paragraph, subdivision, section
16 or part thereof directly involved in the controversy in which such judg-
17 ment shall have been rendered. It is hereby declared to be the intent of
18 the legislature that this act would have been enacted even if such
19 invalid provisions had not been included herein.

20 § 3. This act shall take effect immediately provided, however, that
21 the applicable effective date of Parts A through P of this act shall be
22 as specifically set forth in the last section of such Parts.
