

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

April 2015

CONTINUING THE CONVERSATION

Queensboro Hill Flushing Civic Association and the University Park Tenants Council hosted a town hall in Flushing where State Senator Toby Ann Stavisky and I discussed the budget and neighborhood issues. Remember you can always stop by my district office where we are available to assist with your questions or concerns.

FULFILLING THE LUNAR NEW YEAR PLEDGE

Along with many of my colleagues in government and members of the Asian American community, I continue to urge the City to designate the Lunar New Year as a school holiday in New York City's public schools. This follows state legislation and a letter co-signed by eighteen elected officials citing the Mayor's previous pledge that would allow the growing number of Asian American students to celebrate the holiday with their families without missing class.

ADVOCATING FOR SPECIAL ACT AND 853 SCHOOLS

I recently submitted a letter with my colleagues to the New York State Education Department in support of Special Act Public School Districts and 853 schools as they approach their deadline to propose a 2015-2016 tuition rate methodology. These schools continue to face financial challenges that jeopardize the quality of education services and programs for students with special needs.

WELCOMING THE DEPUTY CONSUL GENERAL OF ISRAEL

I spoke with Deputy Consul General of Israel Amir Sagie as part of a briefing given to members of the National Association of Jewish Legislators. As Deputy Consul General in New York, Sagie coordinates the political work of the Consulate in the tri-state area and maintains relations with national, state and local officials.

INSPIRING THE NEXT GENERATION

I joined Borough President Gale Brewer and many women leaders for an evening of workshops and an engaging panel organized by VoteRunLead to discuss the rise of women in government and political leadership. I was happy to share my experiences in public service and encourage young women to get involved!
