

A report to the 25th Assembly District from  
**ASSEMBLYWOMAN  
NILY ROZIC**

Fall 2015

## MARCHING AGAINST DOMESTIC VIOLENCE

Every year during October, which is also Domestic Violence Awareness Month, the Korean American Family Service Center organizes the Silent March Against Domestic Violence and teams up with local elected officials and community partners to shed light on this growing epidemic. I had the honor of joining KAFSC for its 18th Annual March in Flushing to raise awareness and promote efforts to end domestic violence. Looking to the future, I hope to pass two bills this year that would allow domestic violence victims financial freedom from telecoms contracts tied to their abusers.

## CONTINUING CONSERVATION AND FLOODING RELIEF EFFORTS

Another 240 rain barrels were distributed to residents at a giveaway I hosted with the City Department of Environmental Protection. This Fall's event marks the third giveaway I have hosted as part of my efforts to ease the damaging and costly effects of water damage in our neighborhoods. DEP's Rain Barrel Giveaway Program is an effective solution that alleviates local flooding by reducing the amount of water that enters the City's sewer system. If you want more information about the giveaway or have ideas for future programming you'd like to see in the district, email me at [RozicN@assembly.state.ny.us](mailto:RozicN@assembly.state.ny.us).

## BUILDING COMMUNITY PARTNERSHIPS

Did you know that Flushing has a new Neighborhood WIC (Women, Infants, and Children) center or that Queens has a new Planned Parenthood center? I recently went on a tour of both facilities and spoke to staff about their mission to provide general health care, educational programming, counseling, and health insurance services to qualifying families. The services they provide are essential to ensuring our community remains healthy, with access to the services they need.

## CELEBRATING AUBURNDALE IMPROVEMENT ASSOCIATION

This October, I joined the Auburndale Improvement Association, the oldest civic association in Queens, in celebrating its 100th Anniversary. To commemorate this milestone, I presented President Terry Pouymari and First Vice President Henry Euler with a State Assembly Proclamation. Congrats to the Association on 100 years of dedicated service to our community! If your civic is celebrating a milestone, let me know!

## SWEARING-IN THE NEXT GENERATION

I was honored to swear in multiple student installations of new student government administrations for schools throughout the district. I would encourage all young people to get involved in their communities as early as possible so that together, we can build a stronger future.
