

A report to the 25th Assembly District from  
**ASSEMBLYWOMAN  
NILY ROZIC**

Summer 2016

### Preparing for a New School Year!

I recently joined School District 25's Superintendent Danielle DiMango and School District 26's Superintendent Daniella Giunta to discuss this year's academic performance and share some updates on upcoming programming and events for our students.

I am excited to see for another great year of working closely with our local schools to ensure students have the best opportunities inside and out of the classroom!

### Opening Selfhelp Rosenthal Senior Center's New Kitchen and Dining Room

Selfhelp Rosenthal Senior Center is operating a new kitchen and dining room that will allow the Center to continue serving Flushing seniors with fresh, homemade meals! Together with State Senator Toby Ann Stavisky, Assemblyman Ron Kim, and Council Member Peter Koo, I congratulated the Selfhelp community on this great, new addition!

## Celebrating Fifteen Years of OHEL's Hillcrest Residence

I joined the Fresh Meadows community in celebrating OHEL Children's Home and Family Services fifteen-year residence in Hillcrest. We are fortunate to have strong institutions working to provide vital social services and know they will remain an integral part of the community for many years to come!

## Launching Another Flushing Clinic

Charles B. Wang Community Health Center marked the grand opening of their second Flushing location with a ribbon cutting I had the honor of attending. The new site is an expansion that will allow CBWCHC to further improve the health and well-being of residents in the communities they serve.

## Eliminating Barriers to Civic Engagement

In case you have not heard, the City has taken a significant step forward to increase civic participation by removing language barriers and launching new voter registration forms in Urdu, Russian, Haitian Creole, French and Arabic. The new forms will be available for the upcoming election cycle on the Campaign Finance Board website, which is also found on the homepage of NYC.gov under "Register to Vote."
