*Dear Neighbor,*

*I have been fighting in Albany to secure a brighter future for our children. Every child and every student deserves every single possibility to succeed that we can offer them. That's why I fought and voted for a record breaking amount of funding for our local school districts.*

*Long Island deserves its fair share of state resources to create those opportunities and pathways to a successful future. It is my hope that this increase in funding will pave the way to greater achievements for our children.*

*My very best,*
