FIGHTING TO MAKE LONG ISLAND MORE AFFORDABLE

I'm fighting to put your families first in this time of economic uncertainty. I've already delivered relief by:

- Supporting the push for middle-class tax cuts worth over \$1 billion (A.9009-C)
- Delivering a gas tax relief package to reduce the pain at the pump (A.9009-C)
- Sponsoring further STAR Property Tax benefits for seniors and supporting an effort to increase cost-of-living adjustments (A.5353)

AND THERE'S MORE BOLD RELIEF TO COME

I have co-sponsored the Inflation Relief and Consumer Assistance Plan (A.8481), which will lower prices by removing the state's 4% sales tax for necessities like:

- Gasoline, which is currently taxed at 8 cents per gallon.
- Home Heating Fuel.
- Personal care products, i.e. bath soap, toothpaste, etc.
- Housekeeping supplies, i.e. brooms, mops, etc.
- Prepared foods from grocery stores, restaurants, diners, catering companies, etc.
