# TURNING ADVOCACY INTO ACTION

**From navigating sidewalks and buildings to accessing job training and healthcare, people with disabilities still face countless challenges daily. This is why as ranking minority member on the New York State Assembly Committee on People with Disabilities, I will never stop fighting for:**

- Fully accessible public transit systems (A.574)
- An increase in funding for direct support professionals (DSPs) (A.7604)
- Inclusive education opportunities (A.6209)

## VOICES FROM THE COMMUNITY:

**"Jodi understands what families like mine go through. She's listened, she's showed up and she has and still is continuing to fight for us."**

**-Eileen B., Suffolk County**
