WOMEN'S HEALTH CARE MUST REMAIN SAFE, LEGAL, AND ACCESSIBLE FOR ALL WHO NEED IT.

I'm deeply committed to women's health care and will ensure access to affordable, quality services, prioritizing the well-being of all women in our community.

HERE'S MY PLAN:

BIRTH CONTROL ACCESS: As a father and husband, I support protecting women's rights to make their own health care decisions. This includes ensuring access to birth control and family planning services.¹

SUPPORT AND RESOURCES: I will advocate for increased funding for mental health services and support policies that provide support and resources for women.

HEALTH INSURANCE COVERAGE: I voted in favor of health insurance policies to cover necessary medical services for women such as comprehensive breast cancer screenings.²

I support reducing health care and health insurance taxes³ and requiring health insurance companies to cover IVF in New York.⁴

AFFORDABILITY: I will work to reduce the cost of health care and prescription drugs so that all women can afford the care they deserve.⁵
