Peace of Mind

Assemblyman
DAVE McDONOUGH

**Nothing is more important than our children's safety.
We deserve to know our loved ones are safe
at school, at home, and in our neighborhood.**

Dave McDonough's plan to protect all of us:

- ♥ **Halting** firearm purchases when background checks raise red flags (**A.2406**)
- ♥ **Provide** funding to hire School Resource Officers, retired law enforcement, and veterans to protect our schools
- ♥ **Stop** domestic abusers from owning firearms (**A.5025**)
- ♥ **Ban** bump-fire stocks and other accessories intended to allow a firearm to operate like an automatic weapon (**A.9958**)
- ♥ **Require** investigation into the mental illness records of EVERY applicant who applies for a pistol permit in NYS (**A.9978**)
