

A report to the 25<sup>th</sup> Assembly District from

# ASSEMBLYWOMAN NILY ROZIC

July 2013

## ENCOURAGING OUR ENGINEERS

I am proud to stand with Senator David Carlucci and Manhattan Borough President Scott Stringer in announcing the Empire Engineer Initiative Act, which will create a financial aid program for engineering students who commit to staying in New York State for five years after graduation. Let's make the Empire State a vibrant economic hub and innovative technological leader.

## CELEBRATING OUR STUDENTS

At the end of the school year, I visited MS 74 with Assemblymembers Ed Braunstein and David Weprin and Councilmember Mark Weprin to present a New York State Resolution to our National Spelling Bee Winner. Arvind Mahankali won the 2013 Scripps National Spelling Bee by correctly spelling knaidel.

## PROTECTING OUR VETERANS

I have introduced a bill in the Assembly to study the problem of homeless women veterans in New York State. Now more than ever women veterans and returning servicewomen are facing a battlefield of a different kind: a complex web of vulnerability, homelessness, and sexual trauma. My bill aims to address the alarming trend of homeless women who happen to be veterans and mothers.

## OPENING THE FLUSHING TOWN HALL GARDEN

I joined Senator Toby Stavisky, Assemblymember Ron Kim, and Councilmembers Leroy Comrie, Peter Koo, Peter Vallone, and Jimmy Van Bramer to celebrate the grand opening of the garden at Flushing Town Hall. This is a great community space in Northeast Queens.

## PROMOTING RECYCLING

I joined Darcy Hector, the Queens Botanical Garden Director of Marketing and Development, and the entire QBG team to participate in their e-waste recycling event. The Lower East Side Ecology Center was on hand to sort and take care of unwanted electronics recycled by local residents and businesses. To inquire about the next local e-waste recycling event, please contact my office at 718-820-0241 or [RoziCN@assembly.state.ny.us](mailto:RoziCN@assembly.state.ny.us).
