

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

May 2018

Bike Helmets For All!

Over 1,200 children and families walked away with free helmets at last month's free bike helmet fitting and giveaway I hosted with Congresswoman Grace Meng, and Council Member Barry Grodenchik, and the City Department of Transportation. Bike-riding is a large part of daily life in Queens so I'm glad to help provide all riders with access to the necessary safety gear!

Welcoming New Civic Leaders

I had the pleasure of speaking at the Flushing Heights Civic Association and swearing-in their newly elected officers. A big thank you to new leaders--Robert Agnello, Clifford Hamburger, Rebecca Sze, William Anello, and Lisa Getman--for their tireless work on behalf of the community!

Honoring Israel's 70th!

The Assembly passed my resolution celebrating Israel Independence Day! In addition to commemorating Israel's 70 years of statehood, we are also celebrating the shared interests and trusted relationship between the people of New York and the people of Israel that grows stronger each year.

Advocating for Queens Transit

I am excited to announce that this year's state budget included an annual fund dedicating \$50 million to outer borough transit. As a representative of an area with limited mass transit options, I look forward to ensuring that these funds are used for improvement projects in Eastern Queens.

Fighting for Pay Equity

The State Assembly commemorated April 10th Equal Pay Day with a resolution I authored highlighting how far into the year women must work to earn the same pay their male counterparts made the previous year. As Chair of the Task Force on Women's Issues, I will continue fighting for equal pay for equal work and economic security and opportunity for all.
