

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

February 2018

Returning to Townsend Harris!

It was great to return to my alma mater, Townsend Harris High School, for their legislative breakfast! I joined students, alumni, parents, Principal Condon and the administration to discuss the successes and challenges facing the school community. I am grateful to my colleagues, State Senator Toby Ann Stavisky, Assembly Members Cathy Nolan, David Weprin, and Alicia Hyndman, and Councilman Barry Grodenchik for their continued support of our local schools.

Holding the MTA Accountable

Recently, I attended the state budget hearing on transportation to address concerns with MTA Chair Joseph Lhota. As we work toward a mass transit system that serves all New Yorkers, feedback provided by Queens transit riders is invaluable. Please call or email me with your thoughts on the MTA or NYC Transit.

Supporting the Korean American Community

On National Korean American Day, I had the honor of celebrating with leaders of the Korean-American Association of Greater New York (KAAGNY). Whether in Queens or across the State, KAAGNY's advocacy has been critical to advancing Korean American rights through civic engagement and education.

Bringing Queens to Albany

It was great to catch up with Susan Lacerte and Stephanie Ehrlich of the Queens Botanical Garden (QBG) to discuss the programming that QBG provides for our community. I always love partnering with QBG as we work together to strengthen and beautify Queens!

Working with Bukharian Community Leaders

I welcomed leaders of the Bukharian Community to the State Capitol. It was a pleasure to meet with local leaders to hear about their goals and challenges. I look forward to working together to provide culturally sensitive services and programming for all constituents.

Stay in Touch!

My district office is located at 159-16 Union Turnpike, Flushing, NY 11366
and I can always be reached at RoziCN@assembly.state.ny.us or **718-820-0241**
