  (City Harvest)

A MONTH OF GIVING

The time of the year has come to shed light on the most vulnerable parts of our communities. These past few years have shown us how we can rise to the occasion when our neighbors need a little extra lift. That is why I am designating now through December as our Month of Giving.

My office will be working with multiple non-profits and community organizations to collect an array of items, including toys, toiletries and non-perishable foods to help ensure the true spirit of giving back during the holidays is felt by all.

All donations will be accepted Monday through Friday between 10 a.m. and 4 p.m. at my district office located at 159-06 71st Ave., Flushing, NY 11365. Your donations can make a powerful difference in the lives of neighbors.

Thank you in advance for your participation and support this holiday season.

Sam Berger

Collecting from November 13th to December 14th
