NEW YORK ASSEMBLY

Brooklynites Should Not Be Priced Out Of Their Communities

That's why Alec Has A Plan

- Eliminate taxes on overtime because working late should pay off. (A.8965-A)
- Alec has been a longtime supporter of eliminating taxes on tips. (A.5856-A)
- Working families shouldn't pay extra just to get by. That's why Alec is supporting a proposal to end the state sales tax on dozens of everyday items for two years, including (but not limited to) gasoline, personal care products, housekeeping supplies and prepared foods. (A.7417)
- You shouldn't be taxed for staying connected. That's why Alec is working to end the state sales, compensating use and excise taxes on mobile phone services. (A.9204)
