

*A Father's Day Tribute from Assemblymember Stefani Zinerman  
to the Fathers of the Vibrant 56*

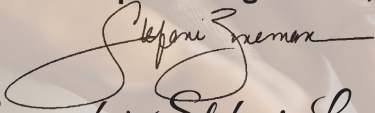

On this Father's Day, I want to pause and celebrate you — a man who leads his family with unwavering love, steady strength, and quiet sacrifice.

In your home, on your block, and throughout our community, you serve as a protector, provider, teacher, and role model. You are the backbone of Bedford-Stuyvesant and Crown Heights — a king whose daily actions build our neighborhood and nurture the next generation.

Your presence matters. Your sacrifices do not go unnoticed. Your love continues to light the path forward.

On behalf of a grateful community, I thank you and honor you this Father's Day. May you feel the love and appreciation you so deeply deserve.

With respect and gratitude,

  
*Assemblymember Stefani L. Zinerman*
