**ASSEMBLYMEMBER EDWARD GIBBS FALL UPDATE TO THE PEOPLE**

Dear Friends and Neighbors,

As we begin the Holiday season, I wanted to take the time to discuss with you the important work I've been doing in the 68<sup>th</sup> Assembly District. I've been busy meeting with East Harlem Community groups and constituents in order to best address our district's needs. I want you to know that my staff and I are here, working for you and to assist you with any issue you may be having. Please feel free to reach out to my office at any time. Have a safe and Happy Thanksgiving!

Sincerely,

A handwritten signature in cursive script that reads "Edward Gibbs".

**Assemblymember Eddie Gibbs Holds Community Stakeholders Roundtable**

In early October, Assemblymember Gibbs held a community stakeholders' roundtable event. Groups and leaders from across East Harlem joined me in an in-depth discussion about their needs and issues in our community. Topics included public safety, mental health, youth empowerment, and transportation.

**1st Annual Senior Appreciation Luncheon**

On October 17<sup>th</sup>, Assemblymember Eddie Gibbs, along with Archcare, the NYC Department for the Aging, and Ryan Health sponsored a Senior Appreciation Luncheon. East Harlem's senior citizens joined us at the Taino Towers Crystal Ballroom and were entertained by R&B vocalist Tyrone Williams from the Greg Hill Delfonics and Spinners Tribute and 5-time Apollo Winner, Singer Pete Wayne. Seniors had the opportunity to meet with Assemblymember Gibbs one-on-

one and discuss their concerns. These concerns included topics such as senior-center funding and healthcare.

### **NYCHA Thomas Jefferson and Woodrow Wilson Houses Development Renaming Meeting**

On Monday December 5, 2022 at 5:30 PM, we invite residents of NYCHA Developments Thomas Jefferson and Woodrow Wilson Houses to attend a community meeting regarding the renaming of their developments. The memorialization of Thomas Jefferson and Woodrow Wilson is offensive to residents because these historical figures do not reflect the values of the people that live in the NYCHA developments or the East Harlem community. We would like to engage in a resident and community driven process to identify a worthy person to honor by renaming the two developments.
