

The Bores Brief

Only have minutes to spare? Here's what you need to know:

- **Join me for my annual Town Hall on Sunday, November 16!** I will be answering your questions directly and hearing what's on your mind. We will be at Hunter College from 11:00 AM – 1:00 PM. There are limited seats and last year we unfortunately ran out of room. We have moved to a bigger venue this year, but if you have any interest in attending, I urge you to please reserve your ticket at: bit.ly/borestownhall2025.
- I joined **the Beekman Place Association** for their Welcome Back Celebration to mark the start of fall, allowing for casual conversations and catch-ups with neighbors. I commend the association for making space to build community.
- **As summer wound down, we had two of our final street fairs on Lexington and Third Avenues.** This year I was joined by my new son, who shared in his first community events. On that note, I am back from paternity leave and thrilled to continue my work on behalf of our community.

My office is here to serve you. If we can ever be of assistance, write to us at BoresA@contactme.nyasassembly.gov.

Sincerely,

Alex Bores
Your Assemblymember

IN THE COMMUNITY

On the Upper East Side, neighbors and community leaders gathered to mark the 24th anniversary of 9/11. Together, they honored those lost and reflected on our community's resilience, reaffirming our commitment to support one another.

The Assemblymember joined DOROT and the Met Council to distribute meals ahead of the holiday season, helping ensure that neighbors who might otherwise go without had access to traditional foods and could celebrate with dignity.

UNITED IN LABOR

Alex marched in this year's Labor Day Parade to honor the working people who keep New York moving forward. Coming from a union family, Alex carries those values with him in public service. The parade was a chance to stand with workers and celebrate the strength of New York's labor movement.

SUTTON PLACE PARKS

The Assemblymember attended the Sutton Place Parks Conservancy's fourth Broadway on the River performance, featuring *Carousel: A Concert*, which once again brought neighbors together to celebrate the arts along the waterfront.

LEGISLATIVE UPDATE

Some sports betting apps ban players who win while allowing those they expect to lose to keep playing. The practice guarantees profits for the companies but cheats New Yorkers who play by the rules.

Assemblymember Borens introduced legislation to end this. If sports betting companies are licensed in New York, they should be required to treat all players fairly.
