Dear Neighbor:

As your Assemblymember, my job is not just in Albany. My community office staff and I work on community issues and help people in the district on a wide range of problems.

On the back of this card, please find a list of helpful phone numbers of government and community resources.

I work for you full-time, year-round. If you have a problem with your landlord, a government agency, or utility company, or if you need my help, please call or email me at SimoneT@nyassembly.gov.
