

The 2010 Census is underway

2010 Census questionnaires will arrive in mailboxes in March. With your help, the 2010 Census results will decide the allocation of more than \$400 billion in federal funds each year—funding used for local:

- Hospitals
- Job-training centers
- Schools
- Senior centers
- Bridges, tunnels and other public works projects
- Emergency services

When you receive your census form, just answer the 10 short questions and mail the form back in the postage-paid envelope provided. For more information, contact my community office at 718-796-5345 or visit www.census.gov/2010census.
