LONG ISLAND SOUND
PARTNERSHIP

Long Island Sound Resilience Grant Writing Assistance Program

Goal: *To secure funding for sustainable and resilience-focused projects*

Type of Technical Assistance:
Grant Preparation and Writing Support

Launched: November 2022

Award Amount

- Up to \$9,950 per application **directly to contractor**
- Applicants can submit multiple applications but each application should focus on one discrete project

Match

- None required

Application Period

- Open on a rolling basis

Submission Options

- Google form, email, mail

Supported Activities

- Budget preparation, mapping
- Cost-benefit analysis
- Writing & narrative development
- Application preparation & submission

Eligible Applicants

- Municipalities, nonprofits, community groups, etc.

Project Criteria

- Must impact communities within the Long Island Sound coastal boundary
- Must advance actions of the LIS Partnership CCMP

- ❑ **Sustainability/resilience plans or watershed plans**
- ❑ **Green infrastructure, stormwater management, and low-impact development**
- ❑ **Infrastructure improvements to increase resilience to sea level rise, storm surge, and intense storms and flooding** (generally excluding seawalls, groins, jetties, and bulkheads)
- ❑ **Right-sizing of culverts or dam removal**
- ❑ **Nature-based solutions** (e.g., living shorelines, wetland restoration, shellfish reef restoration, eelgrass restoration; generally excluding beach nourishment)
- ❑ **Retreat, relocation, or land acquisition to protect floodplain habitat**
- ❑ **Public engagement** relating to advancing sustainable and resilient communities

Applicant Information

- Name of organization or municipality
- Point of contact, address

Needs & Funding Request

- Consultant
- Describe type(s) of support needed
- Include a budget and budget justification

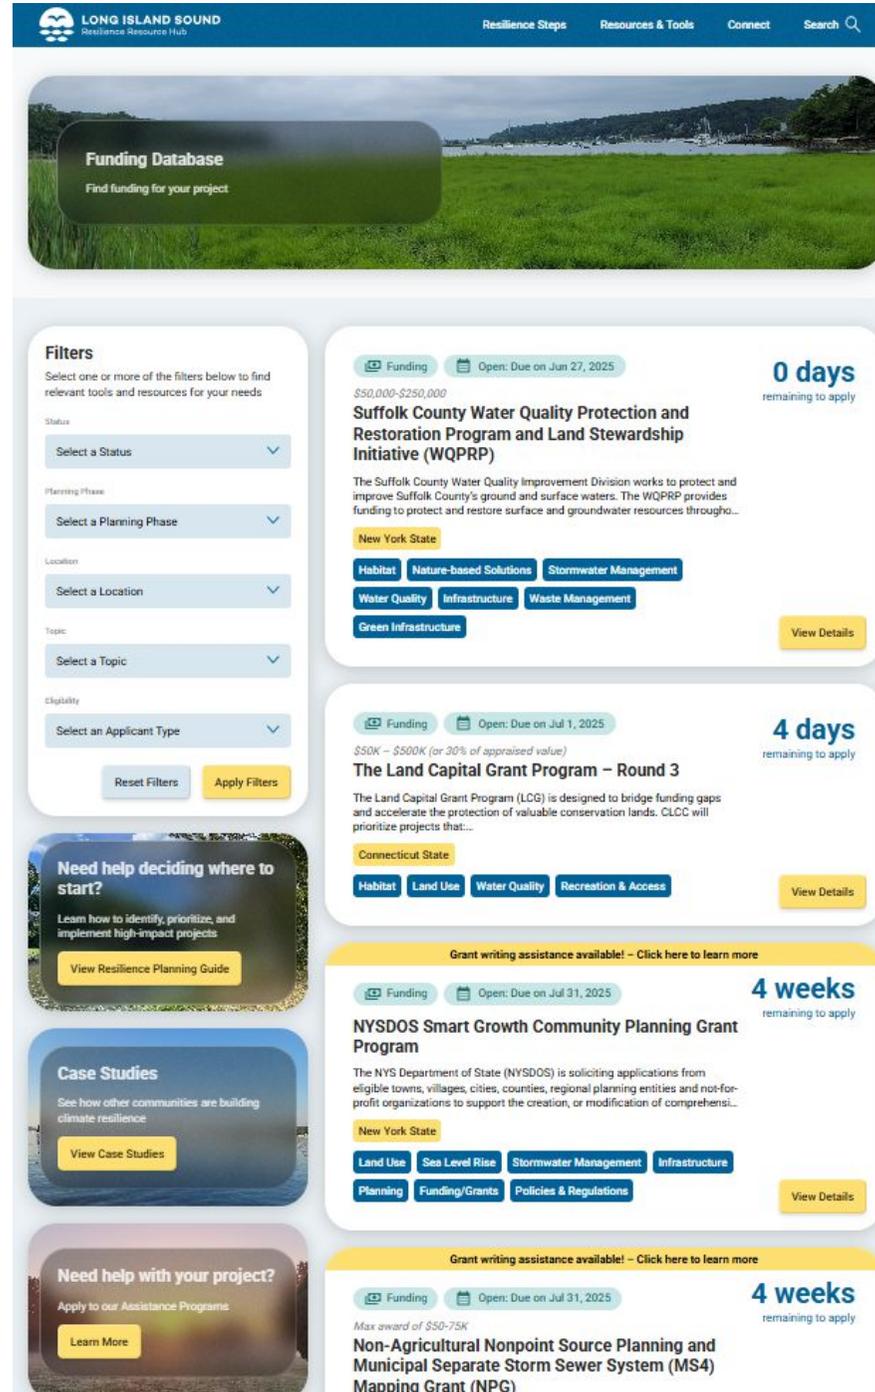

Funding Opportunity

- Identify targeted funding opportunity(ies)
- Identify who will receive the funds from the targeted opportunity(ies)

Project Description

- Location of project
- Describe how the project will advance sustainability & resilience
- Identify the project type (planning, design, implementation) and associated activities or desired outcomes for which funding is needed
- List the project team, including the lead applicant and any co-applicants
- (Optional) Describe any community engagement and/or relevant grant application history to date

Long Island Sound Resilience Planning Support Program

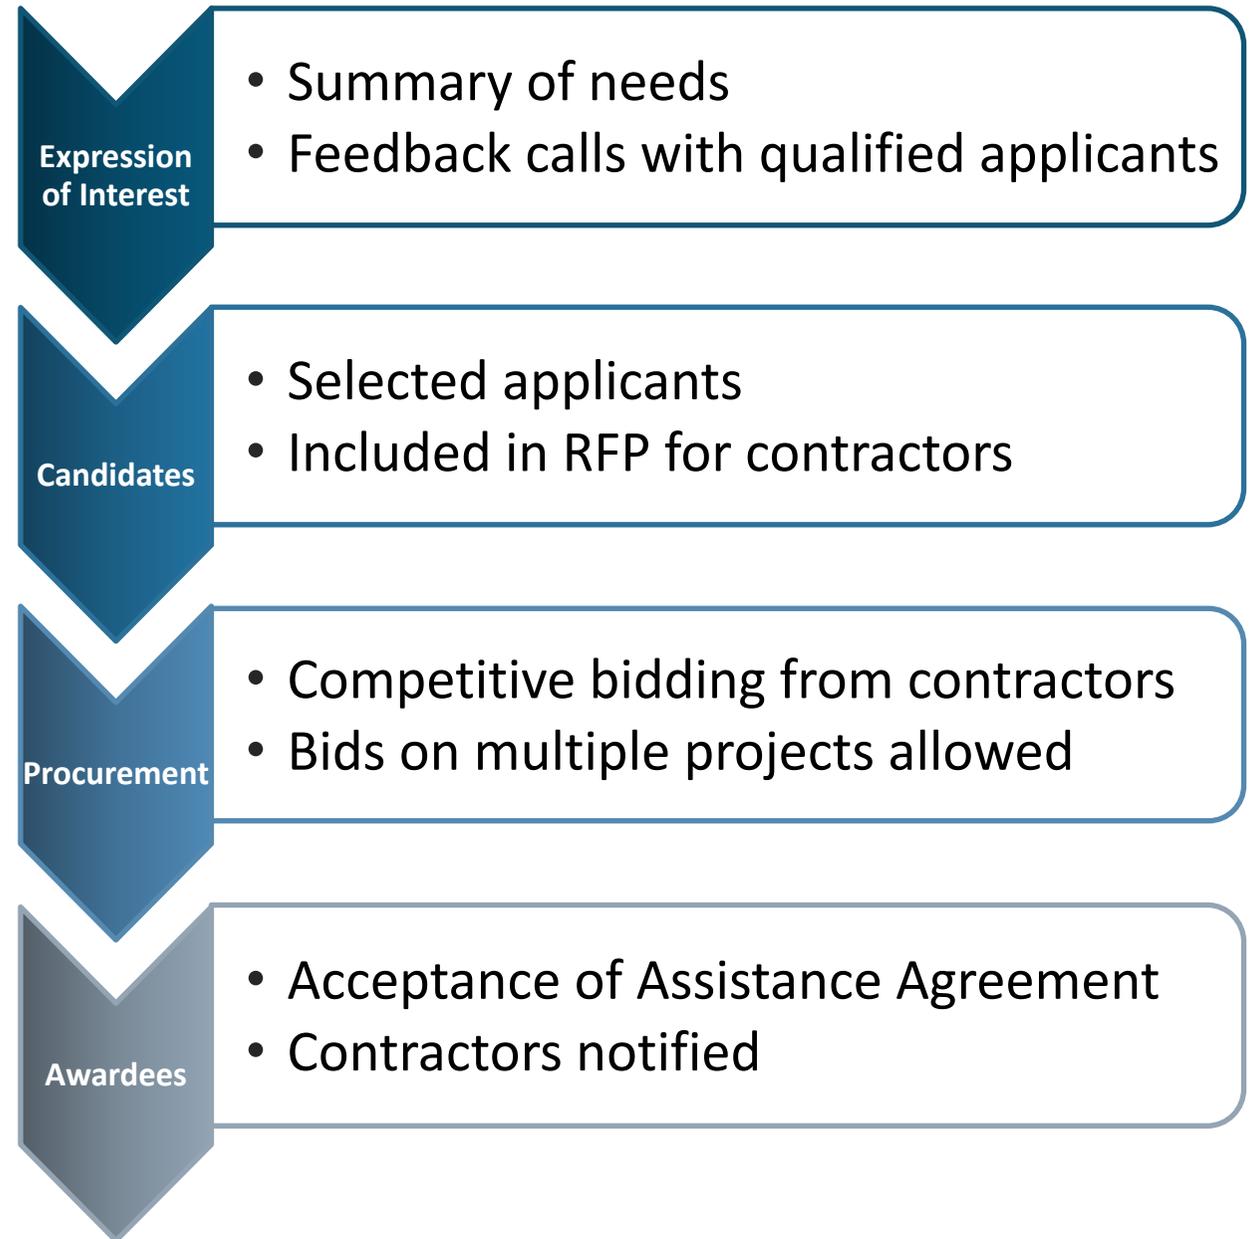

Goal: *To advance sustainable and resilience-focused projects to a design or implementation grant-ready phase*

Type of Technical Assistance:
Project scoping and planning

Launched: October 2023

- **Funding Available**
 - ~\$600,000 for NY
- **Award Amount**
 - Not specified
- **Match**
 - None required
- **Application Period**
 - Oct-Dec 2023 (1st round)
 - Dec-Feb 2024 (2nd round)
- **Eligible Applicants**
 - Municipalities, nonprofits, community groups, etc.

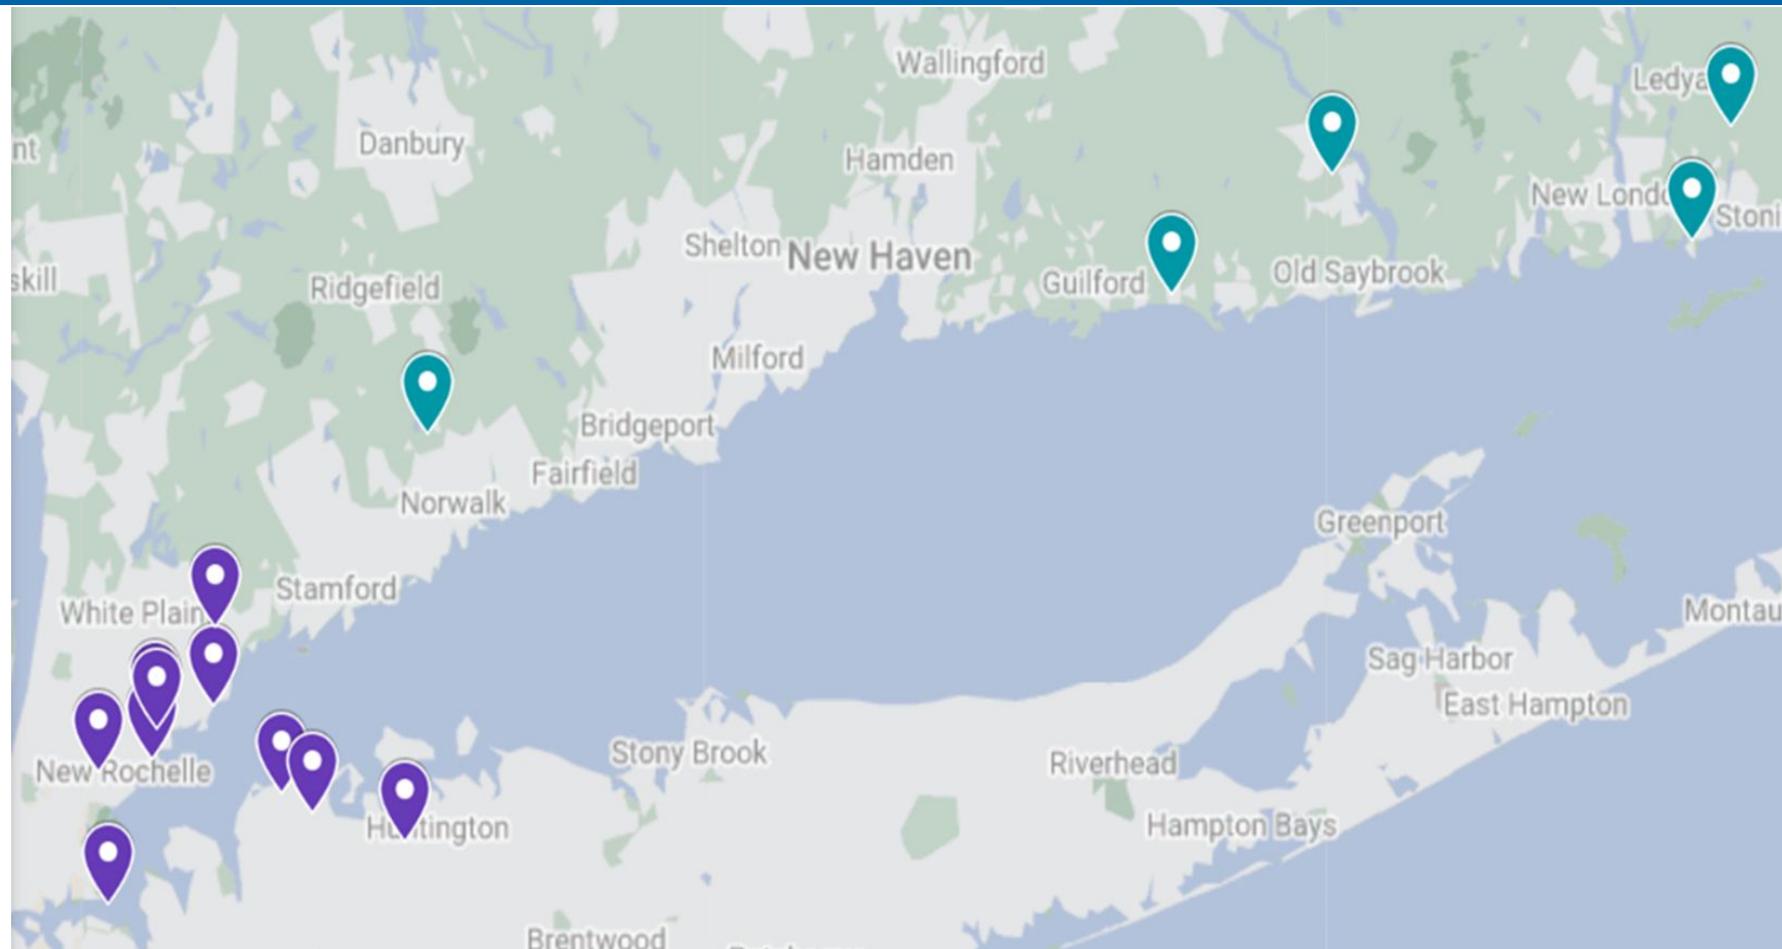

Eligible Project Types

- ❑ Climate risk and/or vulnerability assessment
- ❑ Strategy development and project planning
- ❑ Project prioritization and funding guidance
- ❑ Preliminary community engagement
- ❑ Project site feasibility and conceptual design

Criteria

- ❑ Foster a sustainable and resilient Long Island Sound
- ❑ Must impact communities within the Long Island Sound coastal boundary
- ❑ Must advance actions of the LIS Partnership CCMP

In the first round of the Program, New York Sea Grant and Connecticut Sea Grant have awarded nearly \$1.1 million in planning support to support resilience-focused projects in 15 coastal communities in the Long Island Sound region. The fifteen projects—five in CT and 10 in NY— described in the [2024 Award Slate](#) and featured on the [interactive map](#).
