Rockland County Residents Deserve Better

The cost of living in Rockland County is unsustainable and is threatening to force people to move away. We shouldn't have to tolerate that.

Compared to the rest of the country, Rockland County residents are paying¹:

We Can Do Better.
My legislative action plan will:

- **Pause State Sales Tax:** Pause state sales tax rates on gas, groceries and homecare supplies (A.1690)
- **Provide Property Tax Relief** Temporarily suspend state mandates on local governments and save you money on your property tax bill (A.4572)
- **Return Local Control:** Rework property tax policies by giving local governments the option to set those rates (A.5571)
- **Control State Spending:** Protect our state from spending too much by requiring a 2/3 vote for bills that would increase, extend, impose or revive taxes or fees (A.5187)

My plan will keep MORE money in YOUR pockets.
