Dear friends,

It is that time of year again. The weather is finally warming and our farmers are beginning to gather the first of many types of fresh and delicious produce grown right here in our area.

Every market in each of our towns offers something new for everyone. Whether it is herbs, seasonal vegetables and fruit, salsa, bread, or bouquets, a farmers market is the perfect place to shop for the freshest foods and enjoy the company of our friends and local farmers. You may be surprised to learn that these healthy foods are quite affordable. Many farmers markets accept SNAP benefits, while the Senior Farmers Market Nutrition Program helps income eligible seniors afford fresh produce grown close to home. To learn more, please contact your county's Office for the Aging: Sullivan County 845-807-0241 or Orange County 845-615-3700.

Please contact my Monticello office at 845-794-5807 or my Middletown office at 845-342-9304 with any questions you may have, or feel free to stop by any time.

See you around the farmers market!

Sincerely,
Aileen Gunther
