Permit No. 75

New York has the third lowest organ donation rate in the nation, and I'm confident that we can do better.

Currently, there are **over 9,000 New Yorkers on the organ transplant waiting list**. That's why I've introduced a bill (**A10046**) that will increase eye and tissue donation throughout our state and save lives.

Join us in recognizing **National Donate Life Month**, and register as an organ donor today!

Becoming an Organ Donor is easy!

You can become an organ donor at your local Department of Motor Vehicles or Board of Elections, or register online at donatelifeny.gov.

Saratoga County
