# Dear Neighbor,

Too often, the North Country is overlooked and under-invested in. Combined with an uncertain economic future and a rising affordability crisis, it is clear that actions must be taken.

To ensure I'm addressing our priorities, I am sending out my first constituent survey to hear directly from residents. Your input and feedback will help me craft and support policies that address our priorities and move our community forward. With your help, we can make a difference and work toward a stronger, more affordable North Country.

Hearing from you is invaluable. Please do not hesitate to reach out if you have any questions or need assistance. I'm here to work for you.

Sincerely,
