A SPECIAL MESSAGE FROM

STATE ASSEMBLYMAN

KEN BLANKENBUSH

KEN IS COMMITTED TO THE 2ND AMENDMENT:

Here in the North Country and Mohawk Valley, we show unwavering support for the 2nd Amendment and are committed to each individual's right to bear arms. Our area is a destination for sportsmen and hunters alike who are participating in shooting competitions or taking advantage of hunting season. I will continue to support bills that expand access to firearms or hunting weapons such as crossbows:

- **Keep scare tactic-like documents away from the sale of a firearm. Documents such as health flyers are not part of the application process and are only meant to undercut an individual's Second Amendment right (A.3505).**
- **Remove ammunition capacity set forth in the NY SAFE Act of 2013 (A.4573).**
- **Protecting military personnel who are relocated to New York by recognizing pistol and firearm licenses from other states for up to 90 days (A.4208).**
