Assemblyman Smullen continues the fight against restrictive gun legislation

Since taking office, Robert has led the charge to protect the constitutional rights guaranteed to all citizens by cosponsoring legislation, including:

- ▶ **A.4496**, which would repeal the SAFE Act provisions that infringe upon responsible, law-abiding gun owners
- ▶ **A.5758**, which would limit the SAFE Act to the counties that comprise NYC

He has also fought against restrictive legislation, including:

- ▶ **A.2686a**, which creates penalties for anyone who fails to properly follow the strict firearm storage regulations set by the state
- ▶ **A.2690**, which extends the length of background checks to 30 days
- ▶ **A.2689**, which allows any family member, school administrator, or ex-partner to claim a person is a danger to themselves or others and petition the court to mandate the confiscation of any firearms in their possession without due process

For any questions about this or any other legislative matter, please feel free to contact one of my offices:
