A Special Report on the 2023 Legislative Session

I Supported Legislation That Will:

- ✓ **Increase access to information related to hate crimes on college campuses** (A.3694-A, passed in Assembly)
- ✓ **Amend requirements for the Commissioner of Social Services for Herkimer County** (A.6770, passed in Assembly)
- ✓ **Prevent crimes against public trust by state officers or legislators** (A.6918)
- ✓ **Provide disabled hunters a hunting, fishing or big game license at a fifty percent discount** (A.4805)
- ✓ **Require life preservers at public boat launches to help keep boaters safe** (A.4757)

I supported legislation blocked in committee that would have:

- **Enabled New Yorkers to recall statewide elected officials** (A.4748)
- **Re-established the rights of law-abiding citizens by limiting the SAFE Act's reach to Kings, Queens, Richmond, New York and Bronx counties** (A.4816)
- **Broadened internet access for New York families** (A.4686)

Next session, I plan to:

- ▶ **Fight to lower taxes and lessen regulations imposed on New York businesses and citizens**
- ▶ **Increase support services and resources for veterans and active service military personnel**
- ▶ **Tackle issues related to crime and our deteriorating criminal justice system**
