

A young man with short brown hair, wearing a red, white, and blue plaid button-down shirt and light blue jeans, stands against a grey background. He is holding a white plate with both hands, looking directly at the camera with a neutral expression.

The Cost of College Continues to Rise...

But, Assemblyman Brian Miller is here to help!

WHILE SOME TRY TO GIVE FREE COLLEGE EDUCATION TO ILLEGAL IMMIGRANTS, **MILLER SAYS NO (A.9506-B)**

To decrease the burden of student loan debt for **NEW YORK STATE RESIDENTS**, he is fighting to:

-  Increase the household income cap to receive NYS TAP and increase TAP award amounts (A.7269)
-  Decrease the tax liability for college grads paying down student loans (A.9089)
-  Provide a \$1,000 annual scholarship for NYS high school grads graduating in the top 20% of their class if they attend a SUNY community college (A.10955)
-  Create a college savings program with a state matching benefit up to 10% (A.6121)
-  Provide alternate pathways to a successful career for high school graduates (A.9084) and (A.9080)

THE COST OF HIGHER EDUCATION SHOULDN'T BE A LIFETIME OF DEBT.
