NOTHING RUINS AN AFTERNOON DRIVE LIKE A NASTY POTHOLE...

Assemblyman Brian Miller helped secure funding to improve and maintain our local roads (A.9504-D):

- \$4,378,653 – Consolidated Local Street and Highway Improvement Program funds
- \$821,907 – Extreme Winter Recovery funds
- \$999,471 – PAVE-NY funds

Well-maintained roads are essential to keep our residents safe and our economy up and running. We must ensure our local roads are safe and passable.
