

You're Doing Everything Right

- ✓ Turning lights off.
- ✓ Keeping the thermostat lower.
- ✓ Telling the kids to shut the door...again.

**SO WHY IS YOUR
BILL STILL HIGH?**

WHAT YOUR CURRENT UTILITY BILL LOOKS LIKE

HIGH DELIVERY FEES: Especially with providers like NYSEG and National Grid.¹

RIISING ENERGY RATES: Increasing 4–5% annually.²

STACKED FEES: From storm surcharges to environmental taxes.

COMPLICATED BILLING: Hard to understand, harder to reduce.³

THIS IS WHAT JOHN LEMONDES THINKS YOUR UTILITY BILL SHOULD LOOK LIKE

- ♦ **ENERGY CHOICE:** Would let families decide what works for their home (A.6796)
- ♦ **AFFORDABILITY FIRST:** No mandates that spike monthly bills (A.8996)
- ♦ **REAL OVERSIGHT:** Looking to stop Albany from rubber-stamping rate hikes⁴ (A.2470)
- ♦ Fighting to **PROTECT RATEPAYERS, LIKE SENIORS AND FIXED-INCOME FAMILIES**, from state mandates (A.7429)
