# Responding to our Community Needs

Assemblyman Magnarelli secured **\$250,000** for renovation, drain work, and repaving of Fay Road.

Town leaders notified him that Fay Road, a critical north-south transportation artery for the Town of Geddes and for the western suburbs of Syracuse, began to show wear and tear. It is a major public access point for Bishop Ludden, St. Camillus, Harborbrook Apartments, Geddes Little League and other organizations. By working with Town Officials and local companies, the Capital Project was completed in a timely manner with only minimal disruption to local residents.

Assemblyman Magnarelli also secured **\$200,000** to repair storm sewers and drains in the town of Geddes. Work is expected to start in the Spring.
