

COMMUNITY EVENTS

ELECTRONIC RECYCLING:

This past June we held our annual Electronic Recycling Event, where more than 1,250 constituents signed up to bring their outdated computers, TV's, monitors, printers, cell phones & anything else electronic. SunnKing provided the labor & trucks to make sure this great event unfolded successfully.

ARBOR DAY:

On Arbor Day this year, we celebrated in style with Medina Mayor Mike Sidari, my Chief of Staff, Eileen Banker, and lots of students. It's great to see so many people get involved in these events in the community.

CONTACT ASSEMBLYMAN HAWLEY:

For any questions or concerns, please contact Assemblyman Steve Hawley at: 121 N. Main Street, Suite 100, Albion, NY 14411, 585-589-5780, or email HawleyS@nyassembly.gov.

READ ACROSS AMERICA:

This past March for “Read Across America Day,” I was very pleased to visit Pembroke Primary School, Oakfield-Alabama Elementary School (both Genesee County), and Oak Orchard Primary School in Medina (Orleans County). I read Dr. Seuss’ “I Can Read With My Eyes Shut” and had a lot of fun interacting with the students.

HONORING LOCAL HEROES:

On National Pizza Day, we honored our law enforcement officers through our “Pizza for Police” initiative. I personally delivered to the City of Batavia Police Department, Troop A State Troopers in Batavia, Village of Albion Police Department, Trooper’s Station at Albion Barracks, and the Orleans County Sheriff’s Department. Our law enforcement officers make our communities safer places to live.

VALENTINES FOR VETERANS:

This past Valentine’s Day, I delivered local Pre-K, Kindergarten, and First Grade students’ handmade Valentines to the New York State Veterans’ Home at Batavia (Genesee County). As your assemblyman, I will always support our veterans and their families.

LEGISLATION:

During this year's legislative session, I fought for our district and the issues that matter to us the most. I supported and proposed bills that would increase school safety (A.4554), protect our Second Amendment rights (A.5482), support our veterans (A.2050), and increase affordability (A.1690) in Western New York. As long as I am your assemblyman, I will fight to make our community a better place to live and work.

SUPPORTING OUR COMMUNITIES:

I had the great pleasure of meeting with several of my District members from the Farm Bureau. We discussed budget issues concerning the Agriculture & the Farm Labor Bill, which reduces the hours required for overtime to be paid, and the detrimental effect it has had on our district and state's number one industry.

CPR AND AED AWARENESS WEEK:

June 1-7 each year is National CPR and AED Awareness Week. It was a pleasure to sponsor a couple of these potentially life-saving, Hands-Only CPR classes earlier this year in Albion and Stafford with the American Red Cross. CPR training provides an invaluable skill that could very well save lives, and we should all be pushing ourselves to learn it.

TO THE RESIDENTS OF THE 139TH DISTRICT:

Now that the 2023 Legislative Session has come to a close, it's been an honor to serve as our community's voice in Albany for another year. Western New York is a special place to live, and I will continue to use my voice to fight for the issues that matter most to our community.

This session I supported proposals that:

- ★ Would increase protection for victims of domestic abuse through the passage of "Melanie's Law" to expand orders of protection to close family members (A.6026).
- ★ Designated a portion of State Route 63 as the "SP4 George Harold Fry Memorial Highway" (A.7415).
- ★ Would increase access to college education for veterans at SUNY schools (A.1474).
- ★ Increased efficiency in the justice system by allowing defendants to appear electronically in Orleans County (A.5288).
