## Assemblyman Angelo J. Morinello

Accountability • Transparency • Trust

Angelo Morinello remains one of Albany's strongest voices against corruption. He's sponsored some of the toughest anti-corruption legislation in the country, including the **Public Officers Accountability Act (A.3945)**.

He's fought to:

- » **Establish** crimes against the public trust
- » **Return** campaign contributions from corrupt politicians
- » **Enact** term limits for legislative leaders and committee chairs
- » **Remove** bid-rigging and special interest money from politics, ensuring a fair and balanced system
- » **Strip** taxpayer-funded pensions from public officials convicted of crimes
- » **Make** all legislative committee votes accessible to the public

Do you support term limits for legislative leaders and committee chairs? Join the fight and sign my petition today:

*"I have long supported term limits for members of the New York State Legislature, but I need your help. Together, we can deliver a message to entrenched Albany politicians."*
