Service Medals

Many New York State Veterans are eligible to receive the Conspicuous Service Cross, Conspicuous Star and/or Medal of Merit for their service to America.

To find out more about NYS Service Medals go to: www.dmna.state.ny.us and visit the For Veterans section.

Recognizing Your Service

I've authored Assembly Bills 6473 and 6479, which would present the Campaign Medal for Service to be awarded to those who have served our country in Afghanistan and Iraq, respectively.

Contact Assemblyman David DiPietro

Veterans or their families may contact Assemblyman DiPietro's office for more information on how to receive a service medal. There is no fee for this service.

Dear Neighbor,

Those that join the American armed forces are a special group of people. They seek to preserve the mantle of freedom for the generations yet to come. These are the people who preserve liberty here at home while risking their lives abroad.

Our veterans have seen it all—from the beaches of Normandy to the jungles of South Vietnam and the deserts of the Middle East—and they deserve recognition for their service from our state. I look forward to speaking with as many veterans as I can. Your service is what makes everything we do possible.

If you have any questions about service medals, veteran's issues, or any other state-related issue, please contact my new district office. My staff and I are here to help you.
