**ASSEMBLYMAN DIPIETRO
STANDS WITH THOSE
WHO PROTECT US**

With crime rising in parts of the state¹, we need solutions that will keep families feeling safe at home or when out for a night on the town.

Assemblyman DiPietro believes public safety starts with getting criminals off our streets and working hand-in-hand with our brave men and women in uniform.

DiPietro's Plan:

- ✦ Keep violent offenders off our streets by rolling back bail reforms and allowing judges to lock up any defendant who causes serious physical harm. (A.7772)
- ✦ Invest \$250 million in training programs for first responders to help them better serve local residents. (A.8938)

- ✦ Protect our police officers by increasing the penalty for inciting violence against a police officer. (A.6563)
- ✦ Make it a violent felony to fire a gun into a crowded space, regardless of the outcome. (A.4259)
- ✦ Protect first responders from having to release their personal records. (A.6599)
- ✦ Increase penalties for firing a weapon at a member of law enforcement. (A.9608)
