Area Agencies on Aging, in collaboration with the New York State Office for Aging, provide a wide variety of important programs and services to support and empower older New Yorkers and their caregivers. This hearing seeks to examine the programs and services offered by Area Agencies on Aging and their current needs. The Committee also seeks testimony to evaluate the funding available for these programs, including the \$15 million in funding allocated in the 2019-2020 enacted State budget for the Expanded In-Home Services for the Elderly Program (EISEP) designed to eliminate unmet need.

Persons wishing to present pertinent testimony to the Committee at the above hearing should complete and return the enclosed reply form as soon as possible. It is important that the reply form be fully completed and returned so that persons may be notified in the event of emergency postponement or cancellation.

Oral testimony will be limited to 10 minutes' duration. In preparing the order of witnesses, the Committee will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

Ten copies of any prepared testimony should be submitted at the hearing registration desk. The Committee would appreciate advance receipt of prepared statements.

In order to further publicize these hearings, please inform interested parties and organizations of the Committee's interest in hearing testimony from all sources.

In order to meet the needs of those who may have a disability, the Assembly, in accordance with its policy of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), has made its facilities and services available to all individuals with disabilities.
